Createspace,Gmat Pro,2010-03-15 So how do you manage your GMAT Verbal prep Especially in the Sentence Correction section where grammar plays a much bigger part The best and the most fail proof way is to get a thorough background on the specific elements of grammar tested in the GMAT You need to watch out though There are many English grammar books in the market that will teach you much more than you need for the GMAT and you can spend weeks studying something that is unlikely to have much effect on your Verbal score What you need is a concise book that clearly outlines the topics that are tested in the GMAT and explains these in detail with real examples from the GMAT [GMAT Reading Comprehension Grail](#)

Aristotle Prep,2013-01 You need three things to do well on GMAT Reading Comprehension you need to know the secrets to reading passages efficiently learn how to identify and tackle different RC Question Types and practice enough number of passages from myriad subjects to build the requisite mental stamina so that you are able to comprehend dense and boring passages that the GMAT tests you on The GMAT Reading Comprehension Grail has been written keeping the above three points in view The book spans over 300 pages and is the most comprehensive book available today in the market to crack the GMAT Reading Comprehension The book starts by unraveling the secrets to reading passages quickly yet effectively then moves on to discuss various RC question types and then provides 60 GMAT like practice passages By the time you finish the

book we assure you that you will not fear reading comprehension on the GMAT anymore because you would have learnt what are the best strategies which of the them work for you and which don t you will know the types of mistakes you make and what you need to do about them and above all you will not be scared of seeing passages from areas that you had no interest in In short you will be much more confident about taking on RC passages How is this book superior to any other book for Reading Comprehension This book provides you 3 times the number of practice passages as compared to any other book Unlike other books the RC Grail strictly follows a 3 4 questions per passage format just as the GMAT does RC Grail is the only book that categorizes passages into three difficulty levels low medium high This categorization ensures that by the time you reach high difficulty level passages you ll be ready to handle them with confidence RC Grail is the only book that provides a passage map for every passage along with detailed explanations to questions Unlike those in other books the passages in the RC Grail are the closest you can get to the GMAT passages in length structure *Manhattan Review*

GMAT Sentence Correction Expression Patterns 100 □□□, 2021-08-31 **It Works! Gmat Sentence Correction**

Deborah Phillips, 2013-11 THE APPROACH The approach used in this book is a systematic skill building methodology one that begins with a simple presentation of skills in the lessons and ends with tests that consist of GMAT style questions at the difficulty level of the actual test This is an approach that has been tried out over decades and it is an approach that works In each lesson one skill is presented using examples containing easier language than the language found on a GMAT to ensure that the targeted skill is clear A skills practice exercise follows each skill presentation using language that is at the difficulty level of the GMAT but is in a single sentence format that makes the practice easier than GMAT style questions The materials

then progress to GMAT style skills practice exercises that are at the level of the actual test but cover only the material from that particular lesson Thorough explanations follow each skills practice exercise and each GMAT style practice exercise After all the individual lessons have been mastered GMAT style tests are presented These GMAT style tests contain questions that cover points from each of the lessons These questions are at the difficulty level of the GMAT and contain the same selection of skills as the GMAT Thorough explanations follow each skills practice exercise and each GMAT style test THE CONTENTS The book includes a lesson section and a test section The lesson section includes twelve individual lessons Nouns Pronouns and Possessives Agreement Parallelism Comparisons Verbs Modifiers Sentences Wordiness Awkwardness Diction Idioms and Clarity that are based on an exhaustive study of the points tested on official released GMAT tests any point that appears on this list has appeared numerous times on official released versions of the test Each of the twelve lessons includes a presentation a skills practice exercise with thorough explanations and a GMAT style practice exercise with thorough explanations The test section includes six GMAT style tests with twelve questions in each Test 1 Test 2 Test 3 Test 4 Test 5 and Test 6 with thorough explanations for each correct and incorrect answer Manhattan Review Turbocharge Your GMAT Joern Meissner,Manhattan Review,2011-12-16
