God And Empire Jesus Against Rome Then And Now:

God and Empire John Dominic Crossan, 2007-03-13 At the heart of the Bible is a moral and ethical call to fight unjust superpowers whether they are Babylon Rome or even America From the divine punishment and promise found in Genesis through the revolutionary messages of Jesus and Paul John Dominic Crossan reveals what the Bible has to say about land and economy violence and retribution justice and peace and ultimately redemption In contrast to the oppressive Roman military occupation of the first century he examines the meaning of the non violent Kingdom of God prophesized by Jesus and the equality advocated by Paul to the early Christian churches Crossan contrasts these messages of peace with the misinterpreted apocalyptic vision from the Book of Revelation which has been misrepresented by modern right wing theologians and televangelists to justify U S military actions in the Middle East In God and Empire Crossan surveys the Bible from Genesis to Apocalypse or the Book of Revelation and discovers a hopeful message that cannot be ignored in these turbulent times The first century Pax Romana Crossan points out was in fact a peace won through violent military action Jesus preached a different kind of peace a peace that surpasses all understanding and a kingdom not of Caesar but of God The Romans executed Jesus because he preached this Kingdom of God a kingdom based on peace and justice over the empire of Rome which ruled by violence and force For Jesus and Paul Crossan explains peace cannot be won the Roman way through military victory but only through justice and fair and equal treatment of all people Pauline Eschatology Daniel Oudshoorn, 2020-04-22 When seeking to understand what Paul and his coworkers were trying to accomplish it is no longer possible to ignore Graeco Roman cultural economic political and religious beliefs and practices Nor can one ignore the ways in which colonized and vanquished peoples adopted developed subverted and resisted these things Therefore in order to properly contextualize the Pauline faction the traditional background material related to Paul and politics must be developed in the following ways Pauline eschatology must be examined in light of apocalyptic resistance movements Pauline eschatology must be understood in light of the realized eschatology of Roman imperialism and the ideo theology of Rome its four cornerstones of the household unit cultural constructs of honor and shame practices of patronage and traditional Roman religiosity now all reworked within the rapidly spreading imperial cult s must be explored in detail This is the task of Pauline Eschatology the second volume of Paul and the Uprising of the Dead In it we will witness how Pauline apocalypticism ruptures the eternal now of empire and this then paves our way for the detailed study of Paulinism that follows in volume 3 Pauline Solidarity Radical Reconciliation: Beyond Political Pietism and Christian Quietism Allan Aubrey Boesak and Curtiss Paul DeYoung, 2012 Reading the Bible in an Age of Crisis Bruce Worthington, 2015-08-03 We live in an age in which economic ecological and political crises are not the exception but the rule The Cold War polarities that shaped an earlier political exegesis have been replaced increasingly crisis is the engine of a global turbo capitalism Here biblical scholars and activists describe and exemplify the shape of a biblical interpretation that takes contemporary crisis seriously

Strain, 2014-02-19 Can religious individuals and communities learn from each other in ways that will lead them to collaborate in addressing the great ethical challenges of our time including climate change and endless warfare This is the central question underlying *The Prophet and the Bodhisattva* It juxtaposes two figures emblematic of an ideal moral life the prophet as it evolved in ancient Israel and the bodhisattva as it flowered in Mahayana Buddhism In particular *The Prophet and the Bodhisattva* focuses on Daniel Berrigan and Thich Nhat Hanh who in their lives embody and in their writings reflect upon their respective moral type Berrigan a Jesuit priest pacifist and poet is best known for burning draft files in 1968 and for hammering and pouring blood on a nuclear warhead in 1980 His extensive writings on the Hebrew prophets reflect his life of nonviolent activism Thich Nhat Hanh Buddhist monk Vietnamese exile and poet struggled to end the conflict during the Vietnam War Since then he has led the global movement that he named Engaged Buddhism and has written many commentaries on Mahayana scriptures For fifty years both have been teaching us how to pursue peace and justice a legacy we can draw upon to build a social ethics for our time

Subversive Meals R. Alan Streett, 2013-06-27 *Subversive Meals* examines the Lord's Supper within the sociopolitical context of first century Roman domination and concludes that it was an anti imperial praxis Although the Christian communal meal looked much like a typical Roman banquet in structure with a deipnon and a symposion it was essentially different The Roman meal supported the empire's ideology honored Caesar and the gods reinforced stratification among the masses and upheld Rome's right to rule the world The Christian meal on the other hand included hymns that extolled Jesus as Lord prophecies that challenged Rome's ideological claims and letters read aloud that promoted egalitarianism and instructed believers on how to live according to kingdom of God principles Hence the Christian banquet was an act of nonviolent resistance or what James C Scott calls a hidden transcript

Christ Actually James Carroll, 2015-10-06 What can we believe about and how can we

believe in Jesus Christ in light of the atrocities of the twentieth century and the drift from religion that followed Here James Carroll traces centuries of religious history and theology to face this core challenge to modern faith Carroll s search is a highly personal one beginning with a crucial received memory of Jesus that separates him from his essential identity as a Jew and therefore as a human The divinity of Jesus trumped his humanity including his Jewishness Yet if Jesus was not taken as divine he would be of no interest to believers Thus Carroll takes the God man question head on restoring its perennial answer but in a new way Drawing on a wide range of scholarship as well as his own acute searching Carroll shows how faith in Jesus evolved in the first place His fresh reading of the Gospels reinstates the context of the Romans effectively genocidal war against the Jews a first Holocaust that profoundly distorted the Christian memory of Jesus In this retrieval the great characters in Jesus story from John the Baptist and Peter to Paul and the various Marys come to life in a new context Far from another book about the historical Jesus Christ Actually takes the challenges of secularism seriously The new fact of the human condition that we are capable now of bringing about the extinction of our species must change the meaning of faith Humans of all stripes continue to long for the transcendent and it is as a figure of transcendence that Jesus Christ most compellingly stands Finally Carroll retrieves the power of Jesus profound ordinariness his simple life and his call to imitate him all suggesting an answer to Carroll s own last question what is the future of Jesus Christ This book points the way From publisher description

Pauline Politics Daniel Oudshoorn,2020-03-10 The Pauline Epistles have been claimed as a useful ally by parties across the political spectrum Neoconservatives claim that Paul and his coworkers were law abiding authority honoring devoutly religious people oriented around their respect for hard work private property and family values Liberals claim that the Pauline faction was devoted to the celebration of diversity internally transcending social markers of status and the embrace of peace Radicals claim that Paul was a leader within an anti imperial revolutionary movement sweeping across the eastern portion of the Roman Empire However it is rare for these

and still other parties to engage in dialogue with each other because each party tends to operate with presuppositions that make open engagement difficult Pauline Politics examines the main positions taken in relation to Paul and politics and then engages in a thorough examination of the underlying arguments used to argue that this or that position is more or less plausible Underlying arguments tend to relate to two things first positions on the socioeconomic status of Paul his coworkers and other early Jesus loyalists and second positions on Pauline eschatology This volume will comprehensively explore these matters
