God Doesn't Live in the Fridge:

A Life so Good Revisited Ronald Russell, 2017-01-16 This is a story that leads from growing up in a small country town into adulthood and the darkest depths of hell and insanity and out the other side to a wonderful life completely free from the past to an enlightenment few get to experience It is a journey which is not really a journey but a gradual awakening as to how the God of his understanding has been with him throughout The following is a review of the first book A Life So Good An Australian memoir as good as any Tim Winton novel A raw and very poignant memoir The author's ability to strip back his life without embellishments keeps the story real The narrative is driven at a lively pace through his ability to create effortless movement through time He carries the reader along as if on his shoulders such is the caring nature of this sensitive man who suffered the pain and indignity of an addiction to alcohol A life which so far spans some seventy years and is condensed into this 174 page story makes for easy lively reading How can one man accomplish so much in the face of such adversity It is more than a story of hope as he demonstrates that if your heart is good there are people in this great country of ours willing to give you a go It's not a love story but a story of love and the surprising way you can find yourself through love Leanne Esposito October 31 2015

Wolitzer's *The Interestings* an entrancing literary debut about religion, science, secrets, and the power and burden of family from recent Wallace Stegner Fellow Val Brelinski. Set in Arco, Idaho, in 1970, Val Brelinski's powerfully affecting first novel tells the story of three sisters: young Frances, gregarious and strong-willed; Jory, and moral-minded Grace. Their father, Oren, is a respected member of the community and science professor at the local college. Yet their mother's depression and Grace's religious fervor threaten the seemingly perfect family whose world is upended when Grace returns from a missionary trip to Mexico and discovers she's pregnant with, she believes, the child of God. Distraught, Oren sends Jory and Grace to an isolated home at the edge of the town. There they prepare for the much-awaited arrival of the baby while building a makeshift family that includes an elderly eccentric neighbor and a tattooed social outcast who drives an ice cream truck. *The Girl Who Slept with God* is a literary achievement about a family's desperate need for truth, love, purity, and redemption.

From Pillar to Post D.F. Les Pierre-Luke, 2008-07-10

From Pillar To Post takes a look at the restlessness of humans in vulnerable situations, especially in intimate relationships that become very traumatic. *From Pillar To Post* takes the reader through the lives of two very close friends, Donna and David, their individual relationships with their current married, lifelong partners, their continuous affection for each other, and eventually their lasting bond between them. Sometimes we move on or change what we think is the best way for our lives and end up worse off than before. We mentally, and in some instances, actually create a plan with specific activities that are supposed to fix the many so-called problems we encounter. We never stop to breathe, feel the presence of the Divine, or even think things through before acting on our impulses, letting go of the emotions that are so often present with the given situation. Outside influences tested Donna and David's affection for each other, which unfolded a series of events that devastated them, only to realize that they needed to breathe, think, and feel the presence of the Divine working within them to achieve their goal. Something they totally neglected. We tend to always look for better when sometimes best is what we already have. Who's to say that we already have the best? Everything we don't have always seems greener on the other side. But is it really? The most tragic of all is when we are in a relationship and the pressure is on. We ask ourselves many questions and answer them ourselves, especially when we are hot-tempered. Actually, these are the times we ought not to, but we do anyway. Relationships are fragile connections of emotions, chemistry, passion, intellect, stimulation, eroticism, and attitude, and to a large extent, lust. Of course, this is strictly from a secular perspective. When we explore our hearts truthfully, we will find that there are lots more to it. Relationships, though intangible, have many tangible aspects that should be exercised for proper natural development. From a spiritual perspective, relationships are much more important and should be guarded closely as the key to understanding ourselves first, then our neighbor, and most importantly, the Divine. This fragile connection doesn't really exist since an understanding between two persons has been established and therefore will grow and develop into a stronger bond. *From Pillar To Post* is basically about relationships and the events that unfold surrounding the individuals involved. It deals with abuse, rape, dishonesty, distrust, adultery, and many more unpleasant

incidents that are possible in failing relationships It is the recollection of broken marriages and the repercussions of the people associated with Donna and David as it was revealed to me in eleven weeks and a day The story unfolds during an eleven week period Donna wants to end a marriage of abuse a marriage from a man who constantly raped her He was of the opinion that husbands cannot rape their wives because they are supposed to be submissive He says in accordance with the Bible they are supposed to honor their husbands Donna was initially willing to have sex with her husband because she believes in to keep him do him but it all backfires when one day soon after he had sex with her he wanted to have her again His adrenalin was on and she was all worn out He nevertheless took her again in addition to bugging her leaving her not only physically disfigured but a psychologically scar as well That day was enough to end the abuses that plagued her married life and she immediately decided to call her best and closest friend David to get her out it She eventually divorced her husband David willing to make the best of his marriage was shocked when he caught his beautiful and very powerful wife having sexual intercourse with another woman His life came toppling down as he saw the deceit and unnecessary lies that were lai
