### **Viri Dignitatem: Personhood, Masculinity and Fatherhood in the Thought of John Paul II** David H.

Delaney, 2023-10-30 In numerous works both before and after his papal election John Paul II offers ample reflection on the themes of personhood relationality and sexual complementarity but while he advances a clearly articulated theology of femininity and motherhood as in his apostolic letter *Mulieris Dignitatem* he might seem to offer no equivalent treatment of masculinity and fatherhood In *Viri Dignitatem* David Delaney seeks to surface and systematize the rich but often overlooked theology of masculinity and fatherhood that is found dispersed throughout John Paul II's writings demonstrating its essentiality for understanding his larger anthropology In the first part of the study Delaney treats the foundations of this anthropology establishing John Paul II's thought on personhood relation and human action Building on this the second part considers sexual differentiation drawing out from John Paul II's teaching on the body femininity Mary and the Church his corresponding perspective on masculinity which is itself rooted in nuptial complementarity and the revealing work of Christ The third part focuses on John Paul II's theology of fatherhood which Delaney presents as both a natural and spiritual vocation that is based on the Fatherhood of God as this is manifested and imaged by the incarnate Son Finally the fourth part provides a synthetic assessment of this theology of masculinity and fatherhood showing its coherence and addressing contemporary criticisms and misinterpretations At a time of accelerating crises of sexuality the family and fatherhood Delaney's *Viri Dignitatem* provides a welcome and important elaboration of John Paul II's teaching on the dignity and vocation of man

*The Wisdom of John Paul II* John Paul, II, 2013-02 Contained in THE WISDOM OF JOHN PAUL II are essential excerpts from papal encyclicals sermons addresses and other statements both formal and occasional from throughout his Holiness's papacy They discuss matters of faith and conscience and range from the problems of Contemporary Spirituality and Morality to Progress in the Modern World and Human Rights all informed by the profound wisdom and deep understanding of a man who devoted his life to God and His peoples

**From Truth and truth** Francis  
Etheredge, 2016-04-26 What emerges in this second book of the trilogy is that the very ground and content of experience is richer than what can be reduced to a particular account of it As such dialogue develops from the natural diversity of what is of faith and what is of reason Neither faith nor reason however originates from experience rather both are witnessed in experience In other words taking up questions about the nature of man whether philosophically psychologically or in terms of social structures manifests both a variety of points of departure and at the same time the manifold conversations that are possible in the field of culture Focusing particularly on the work of St John Paul II the first essay examines the answer of reason and the answer of faith to the same question What is man Conversion too entails an unexpected relationship to natural truth which in its own way is both adequate and inadequate to salvation Communication as it were runs throughout these essays however in particular there is a need to enrich our human understanding of the process of coming to ourselves

with the insights of spiritual discernment Axiomatically however it is possible to say that just as we come to exist through a relationship to others so our healing and holiness are manifest through our relationship to others in the Other Furthermore while it is ultimately true that we exist as individually rooted in the social structure of our origin and the times in which we live we need to critically participate in the dialogue which identifies our common reality and not live our lives covered in psycho social labels of one kind or another As a whole then there is an incomparable range and depth to dialogue Indeed given the many critical situations in the world it is increasingly indispensable and essential that humanity choose the incredible wealth of dialogue in contrast to the possibility of a polarised and conflictual structure between people and peoples

**John Paul II on the Vulnerable** Jeffrey Tranzillo, 2013 Pope John Paul II was a great defender of truly vulnerable human beings throughout his life affirming their personhood consistently and powerfully In *John Paul II on the Vulnerable* Jeffrey Tranzillo provides a lucid introduction to John Paul II's philosophical and theological understanding of the human person Unlike other writings on the topic Tranzillo's explicit aim is to highlight an aspect of John Paul's work that has been largely neglected until now He shows convincingly that John Paul's seminal reflections on the human being as a personal agent progressed over time to include human beings at even the most vulnerable stages of development or decline With this advance in thought the pontiff began to declare eloquently that the vulnerable are capable of contributing to and enriching the human community through their activity An engaging overview of John Paul II's life thought and work introduces the book and provides readers with helpful background material It shows that John Paul's interest in and lofty regard for the human person is rooted in his strong Catholic faith and in the extraordinary life experiences that he interpreted in its light Following this is an examination of his principal works on the human person emphasizing their implications for vulnerable human beings as persons and actors Tranzillo considers this theme in the light of selected Christological texts of John Paul II and then reflects on John Paul's portrayal of the vulnerable in his social encyclicals and *Evangelium Vitae* A final chapter develops the anthropological underpinnings of John Paul's thought on the radically vulnerable and their personal agency

ABOUT THE AUTHOR Jeffrey Tranzillo received his Ph.D. in systematic theology from the Catholic University of America and has taught at both the undergraduate and graduate levels

PRAISE FOR THE BOOK This is a masterful work one of the very best books I have read exploring the thought of John Paul II Jeffrey Tranzillo provides a compelling and theologically rich account of John Paul II's Christian anthropology showing how it grounds his understanding of the inalienable dignity of every human being particularly the vulnerable

Elements of John Paul II's papacy may fade with time but this extraordinary book keeps the pope's enduring philosophical and theological insights glowingly alive

Thomas G. Guarino Professor of Systematic Theology Seton Hall University

**Theories of Justice** Stephanie Mar Brettman, 2015-04-30 What is justice How do we know justice How is justice cultivated in society These are the three questions that guide this critical dialogue with two representatives of the Catholic and Protestant traditions Karl Barth and

Karol Wojtyla John Paul II Though the two thought leaders are shaped within divergent theological traditions and historical contexts they both appeal to Christian anthropology as a starting point for justice Their explorations into the nature of humanity yield robust new theories of justice that remain relevant for our contemporary era The third interlocutor our female author brings her own voice fully into the dialogue in the third part of the book in order to address the shortcomings in their theories and build upon their insights all the while seeking theories of humanity and social justice that result in justice for all persons

**The Mystery of Marriage: A Theology of the Body and the Sacrament** Perry J. Cahall, 2014-12-01 This remarkable study offers a comprehensive explanation of the Catholic Church's teaching on the sacrament of marriage Incorporating the rich insights found in St John Paul II's Theology of the Body Dr Cahall presents a theology of marriage that incorporates the biblical systematic pastoral and historical traditions which have shaped our understanding of this sacrament

"In the Beginning . . ." Eduardo J. Echeverria, 2011-01-01 One of the most significant contributions of Pope John Paul II to the church and arguably to the culture was his development of a theology of the body This theology explores the rich meaning and vocation of human embodiment of the body person in light of the fundamental truths of creation fall into sin and redemption in Jesus Christ In this book Eduardo J Echeverria inquires into the biblical theological and philosophical foundations of the Pope's theology of the body In a wide ranging discussion of a Catholic theology of revelation biblical hermeneutics and a biblical perspective on the Christ centered dynamics of the moral life Echeverria clearly establishes the fundamental principles needed for a full understanding of John Paul II's thought He probes the philosophical foundations of the Pope's thought in the context of a Catholic theology of nature sin and grace The book concludes with an analysis of the normative implications of the Pope's theology for sexual ethics and provides a novel and provocative application of the theology of the body to the morality of homosexuality Echeverria's study of John Paul II's theology of the body helps us to make sense of how the pope's theology deepens our understanding of the Catholic teaching that the human body shares in the dignity of the image of God Catechism of the Catholic Church no 364 Dialogue of Love Eduardo J.

Echeverria, 2010-01-01 The Dialogue of Love is written from the perspective of an evangelical Catholic Ecumenist Raised Catholic but having responded to the Gospel at L Abri Fellowship in 1970 Eduardo J Echeverria's journey took the paths of Reformed and then Anglo Catholic Christianity on his way back to full communion with the Catholic Church in 1992 Engaging in ecumenical conversation as a committed Roman Catholic whose views have been shaped by among others Romano Guardini John Paul II and Joseph Ratzinger Benedict XVI the author discusses in an articulate bracing and constructive manner the positions of representative thinkers in the Dutch neo Calvinist tradition of Reformed Christianity Herman Bavinck G C Berkouwer and Herman Dooyeweerd Fundamental issues of ecclesiology meaning and truth sacramental theology the relation between the Church and the world nature and grace and issues on the relation of faith and reason are examined with the aim of achieving clarification and understanding Readers will experience ecumenical Dialogue

not simply as an exchange of ideas but also as an exchange of gifts indeed a dialogue of love John Paul II      **Witness to Hope** George Weigel, 2009-10-13 This definitive biography of Pope John Paul II explores his historic influence on the world stage Magnificent A tremendous achievement Washington Post As head of the Catholic Church from 1978 until his death in 2005 John Paul II was one of the world's most transformational figures With unprecedented cooperation from the Pope as well as the people who knew and worked with him throughout his life George Weigel offers a groundbreaking portrait of him as a man a thinker and a leader whose religious convictions defined a new approach to world politics and changed the course of history The Pope played a crucial yet underexplored role in some of the most momentous events of his time including the collapse of European communism the quest for peace in the Middle East and the democratic transformation of Latin America With an updated preface this edition of *Witness to Hope* explains how this man from a far country did all of that and much more and what both his accomplishments and the unfinished business of his pontificate mean for the future of the Church and the world      **What Do You Seek?** Edward Sri, 2024-05-21 The Good News of Jesus Christ is known as the kerygma based on the Greek word kerysso meaning to herald or to proclaim It is the core message of Christ that each of the Apostles the original heralds of the Gospel proclaimed to the world It is Christ's answer to his own penetrating question What do you seek This is why the Catholic Church emphasizes the importance of what it calls the First Proclamation the core Gospel of God's love and the person and mission of Jesus Christ which ideally we surrender ourselves to so that a more in depth systematic presentation of the Faith can take deeper root in our soul Unfortunately many Catholics today might know facts about Jesus and the Gospel but they do not know him and this story of his love in a way that shapes their entire lives How about you In *What Do You Seek* Scripture scholar Dr Edward Sri helps us enter more deeply into the Gospel to ponder the mysteries of God's love for us and his work of salvation so that we can be transformed and join in Christ's work of saving the world      *Love Unveiled* Edward Sri, Ph.D, 2015 Based on the acclaimed film series Symbolon The Catholic Faith Explained this book leads readers through the big picture of the Catholic faith Professor Sri helps you discover all the essential aspects of the Catholic faith from creation the cross and the Church to the sacraments social teaching sexual ethics purgatory the papacy and prayer The author shows how all the aspects of the faith fit together into the one overarching story of God's love for us and our participation in that love He uses the Catechism of the Catholic Church for our itinerary focusing on the four main pillars of the Catechism Creed Sacraments Moral Life and Prayer As we walk through core Catholic beliefs he addresses common questions people have today such as Why do I need the Church can't I just be spiritual on my own Isn't one religion just as good as another How is the death of a man 2 000 years ago in a city far away relevant for my life today Why does the Church talk about morality so much Can't I make up my own morality Is it really our responsibility to care for the poor doesn't God help those who help themselves Addresses common questions Protestants have about Mary the Bible Confession the Papacy the Mass Much more than an intellectual enterprise this work is also a deep spiritual reflection that

draws upon the beauty of the Catholic tradition and the insights of the saints It offers many practical applications to our daily lives considering how the various aspects of the faith invite us to a deeper conversion to love God more and entrust ourselves to him Thus this book aims to form the head and the heart helping us to not only understand Jesus and his plan of salvation but inspires us to love him and our neighbor more For this is what the faith is all about Being a Christian is not the result of an ethical choice or a lofty idea but the encounter with an event a person which gives life a new horizon and a decisive direction Pope Benedict XVI

**Scripture** Francis Etheredge, 2014-06-19 Scripture is an amazing word this is a word that both acts at the heart of a person s life and begets a testimony like itself The more a person looks into the depths of this word the clearer it is that there is both real human authorship and an incredibly subtle presence of the divine Author There are not however two words but one mysteriously enriched word of God a word at once ancient and ever open to the challenges of contemporary questions and concerns Secondly if dialogue is a characteristic of God Scripture expresses this through the multitude of voices through which it is written So whether it is a matter of listening to this word in the Church drawing on foundational studies on the biblical text or researching questions in embryology philosophy theology marriage and ecumenism a person is drawn into an amazingly

fertile divine human dialogue Indeed in the end it is impossible to express the number of human beings who are in this dialogue and in that very impossibility there is a glimpse of the mystery of God calling us to a dynamic communion Finally given the great challenge of thinking that a person is so immersed in a subjectivism that drowns inter personal dialogue the word of God comes to strengthen the search for truth and facilitates the investigations that transcend individuals groups nations cultures and times For Scripture cannot be more centred in a time a place a people it cannot be more subjective in its account of an immense variety of human experience But then the very historical consistency of the fact that this heritage of utterly human experience has been able to speak to mankind as a whole at any time in any place in any culture is an incredibly convincing testimony that this is a unique word a word that both arises out of a profound anthropology of man and can destroy isolation and effect communion This book then takes up these questions both intensely personal and profoundly contemporary and lets the words Listen Israel resound throughout its pages     The Legacy of Pope John Paul II John F. Crosby,2000 Insightful essays by important Catholic thinkers assess Pope John Paul II s remarkable contribution to the Church     **The Splendor of Love** Walter Schu,2003     *Ecce Educatrix Tua* Danielle M. Peters,2009-12-01 *Ecce Educatrix Tua* discusses the Apostolic Letter *Novo millennio ineunte* NMI wherein John Paul II outlined the path the Church should adopt in the third millennium The necessity to rediscover the full practical significance of Chapter 5 of the Dogmatic Constitution on the Church *Lumen Gentium* dedicated to the universal call to holiness NMI 30 is at stake John Paul II stressed that a concrete pedagogy of holiness is required including a spiritual path without which external structures will serve very little purpose NMI 43 The Polish Pontiff invited ecclesial movements to present their original pedagogy of holiness cf NMI 31 Peters highlights the Blessed Virgin Mary as educator in a pedagogy of holiness from the teachings of John Paul II and Father Joseph Kentenich founder of the Schoenstatt Movement     Meeting Jesus Christ J. Brian Bransfield,2023-08-01 In this spiritual companion readers are invited to personally encounter Jesus Christ through twenty one Scriptural meditations which unlock unique perspectives on the mysteries of his life Highlighting the new in the familiar each chapter takes up a different Gospel account from pages of the New Testament and draws the reader into meditation Extending beyond sentimental self styled meditations that only focus on the self this book focuses on Jesus in a way that opens up the mystery and beauty to our everyday lives     **Challenges to Fatherhood** Jerome Rono Nyathi,2004
