God With Us Stories Of Christmas:

God with Us: David Ruhe, 2014-10-02 Upon the retirement of The Reverend David Ruhe and in celebration of his 20 years of ministry Plymouth Congregational United Church of Christ of Des Moines has collected and published the sometimes quirky sometimes haunting always thoughtful stories David wrote and read to the congregation every Christmas Of these stories he says Christmas is a time for stories for telling as truthfully and simply as we can how God comes to be present in the midst of life any life every life your life and mine These stories of ordinary people remind us that our lives too are stories narratives in which God is being revealed They encourage us to notice God's presence in our own life and look for God in the lives of others So settle into a comfortable chair light a candle and read aloud to yourself or to your family letting the truth of Christmas shining through these stories warm your heart

Theology of Childlessness Emma Nash, 2021-05-31 The experiences of infertility and childlessness while not worse than other griefs and disappointments people experience are nevertheless distinctive in a number of important respects Unlike other griefs they often take place in private with no body no funeral and no public acknowledgement of the loss In her profound and wise theology of childlessness Emma Nash takes her own story as a starting point examining several distinctive features of this painful human experience She asks what biblical and theological resources offer consolation and what liberative action individuals and churches might take to make an appropriate response Weaving trauma theology together with personal experience Nash offers a profound and heartfelt theological reflection which breaks the barriers between pastoral resource and carefully constructed theology *Setting Jesus Free* John Churcher, 2009-12-16 There is a

Wesley Allen Jr., 2013-05-01 In this

with a focus on the Gospel according to Matthew Matthew will not only be an essential classroom resource to help students learn to link text and sermon it will also help congregational leaders develop exegetically informed cumulative preaching and educational experiences focused on but not limited to the lections in Matthew With liturgical sensitivity and exegetical skill Allen provides a unique preaching resource that will build biblical literacy by assisting both preachers and listeners in understanding Matthew's Gospel as a whole not just as a collection of vaguely related stories
