Religion of the Rustic Gods Vs. the Gospel Truth Uche Ephraim Chuku, 2007-05 The motive of all customary religions is the same to jointly serve the will of the wicked gods of the world They also have one clear and simple message for enlightened humankind to return to the Eden like life of total spiritual blindness and shamelessness presented in various ways by the various religious sects The brave achievements of Adam and Eve in Eden receiving the divine fruit of the knowledge of good and evil for humankind still pose great worries for Yahweh Allah and the other sneaky gods of the world In retaliation the gods try to reverse humankind's spiritual gains through the devious activities of human religion Religion of the Rustic Gods Vs the Gospel Truth Religion without Reason Book 5 examines the teachings of the various major religions of the world Uche E Chuku asserts that in respect to humankind's quest for true spiritual salvation Hinduism Jainism Sikhism Buddhism Confucianism Taoism Shinto and all other religions are simply religions for nothing What they espouse as mystical awakening is blindness to the basic facts of this life Chuku discusses how the founders of all the customary religions of the world have become the thieves and robbers of human souls and why seeking to unite with the gods of the world is seeking to share in their eternal spiritual damnation

**God's Church-Community** David Emerton, 2020-07-09 David Emerton argues that Dietrich Bonhoeffer's ecclesial thought breaks open a necessary third way in ecclesiological description between the Scylla of ethnographic ecclesiology and the Charybdis of dogmatic ecclesiology Building on a rigorous and provocative discussion of Bonhoeffer's thought Emerton establishes a programmatic theological grammar for any speech about the church Emerton argues that Bonhoeffer understands the church as a pneumatological and eschatological community in space and time and that his understanding is built on eschatological and pneumatological foundations These foundations in turn give rise to a unique methodological approach to ecclesiological description an approach that enables Bonhoeffer to proffer a genuinely theological account of the church in which both divine and human agency are held together through an account of God the Holy Spirit Emerton proposes that this approach is the perfect remedy for an endemic problem in contemporary accounts of the church that of attending either to the human empirical church community ethnographically or to the life of God dogmatically and to each problematically at the expense of the other This book will act as a clarion call towards genuinely theological ecclesiological speech which is allied to real ecclesial action

**Islam** Uche Ephraim Chuku, 2007-05 As the third of Yahweh Allah's personal religious regiments Islam inherited a lack of

knowledge of falsehood and all the phony legacies of Judaism and Christianity This has led to the spiritual enslavement of Muslims In this controversial religious treatise author Uche E Chuku argues that Muslims have not only voluntarily surrendered to the enslaving will of Yahweh Allah but also find special pride in eternal spiritual enslavement They believe that being a slave of Allah is the proudest rank the Muslim can claim Islam Total Blind Surrender to the Will of the Antichrist Religion without Reason Book 4 informs and calls Muslims attention to the gospel truth Muhammad was a captive not a voluntary slave of Allah Chuku also contends that since Yahweh offers nothing but divine enslavement to his Muslim victims his will contradicts humankind s collective quest for total physical and spiritual liberation and directly opposes the will of the true God our heavenly Father Chuku shows how voluntary surrender to divine enslavement is the worst kind of spiritual serfdom unprecedented in the history of human religion and reminds Muslims that they can safely say no to divine enslavement today

*The Islamic Inversion* Robert Sievers,2018-06-22 Any endeavor to lead Muslims to Christ comes with its own unique frustrations Attempts to get Muslims into Gods Word often seem to go nowhere Islam generates a steady stream of barricades and firewalls that systematically thwart efforts to share the good news of Jesus Christ Ironically enough the hidden opportunities to lead Muslims to Christ may actually be found in the very assaults Muslims make on core Christian

doctrines Islamic theology conforms to a certain pattern of spiritual reversal when contrasted against sound Christian doctrine By recognizing these patterns Christians can find new ways to interact with Muslims in a manner that is nonconfrontational without denying the exclusivity and power of the gospel With prayer and love the follower of Christ may use these antiparallels or inversions to find a unique and peculiar avenue to share the good news with Muslims ***Divorce, a Debacle or a Panacea?
