God's Word George Martin,1998 In this collection of Your Word columns George Martin combines lyrical writing with scholarly expertise to create moving informative commentaries on the four Gospels He helps all read Scripture with the heart of the Catholic Faith *Meeting Jesus in the Gospels* George Martin,2009 Jesus was more than simply a kindly fellow wandering around the hills of Galilee He is the image of the unseen God From Chapter Two What do you think of Jesus Do you think of him at all Maybe you re too busy or you ve lost interest or you ve betrayed his friendship Maybe you think there s nothing more to discover or maybe you think there is but don t know where to start George Martin offers some good news It s never too late to get to know Jesus Jesus is near to you and passionately concerned about your well being In these short lively reflections Martin explores Scripture to reveal how Jesus demonstrates his mercy comfort strength and forgiveness and how time and again he leads us out of our anxieties into his steadfast presence **Reading God's Word Today** George Martin,2009-12-01 With persuasive instruction and personal examples George Martin shows you how to read and understand Scripture in ways that help us hear what God is saying to us and that draw us nearer to him in prayer In the most extensive revision yet of his best selling classic Reading Scripture as the Word of God this edition brings God s Word to life for beginners through seasoned veterans of Bible study How can I get more out of reading Scripture What can I do to understand Scripture more clearly How can I hear what God is saying to me through Scripture How should I apply the messages of the Bible to my life Thus the Bible becomes a window to God so He can speak to our hearts as well as our heads The book begins with practical suggestions for reading Scripture in order to understand both the context and the purpose for which it was written It goes on to discuss how God reveals himself through the words of Scripture and the role of the Holy Spirit as He speaks directly to you through the text Study guides at the end of each chapter interesting sidebars and directions to internet resources will stimulate personal reflection and also provide the basis for small group discussion of this eminently practical yet heart centered approach to understanding the Scriptures **Opening the Scriptures Bringing the Gospel of Matthew to Life** George Martin,2014-08-20 Ask and it will be given to you seek and you will find knock and the door will be opened to you Matthew 7 7 Asking seeking and knocking are three imperatives Jesus gave his disciples and us in order to grow fully in our Faith and be true disciples of Jesus Scripture reading and study is an important part of that path to discipleship and offers us opportunities to ask for clarity to seek the truths of the Bible to knock asking Christ to come into our hearts George Martin prolific writer on Scripture and author of Bringing the Gospel of Luke to Life and Bringing the Gospel of Mark to Life now brings Matthew s Gospel into sharp focus in a verse by verse commentary Martin gives readers the context of the first century meaning and what it means to us today Reflection questions help us to apply the biblical texts to our own lives This book is perfect for anyone who wants to learn more about the Gospel of Matthew as well as priests deacons catechetical leaders Bible study leaders Scripture teachers or seminarians Let George Martin bring the

Gospel of Matthew to Life for you today **The Gospel According to Mark** George Martin,2005 At the heart of this book is a verse by verse exposition of the New American Bible text of Mark's Gospel Interspersed throughout the text are dozens of short essays giving the social political economic and religious background and questions for reflection *Jung and the Bible* Wayne Rollins,2013-09-01 Out of the life and thought of a noted psychologist Carl Jung comes a captivating approach to reading and interpreting the Bible The book opens with the question Why is it that the images characters and stories of Scripture have the power to catalyze the imagination of the human psyche not only among religious people but also among artists moviemakers playwrights and songwriters some of whom are disenchanted with church clergy and established religion The answer to the question begins with Jung's statement that the Bible is an utterance of the soul Jung sees the Bible as a treasury of the soul psyche that is the testimony of our spiritual ancestors proclaiming in history and law prophecy and psalm gospel and epistle genealogy and apocalypse their experience of the holy and drawing us and others through us into that experience The Bible is no stranger to Carl Jung No document is cited by Jung more often and no cast of characters from any tradition is summoned to the stage of Jung's discourse with greater regularity than are the Adams and Abrahams the Melchizedeks and Moseses the Peters and Pauls of Judaeo Christian Scripture 185 biblical figures in all Beyond that the realities and experiences that concern Jung most are also those that occupy prime attention in the writings of biblical authors a sense of soul of personal destiny and call an openness to the wisdom of dreams revelations and visions the power of symbols and archetypal images the riddle of evil within God's world and above all the sense of God the numinous the Holy at the center of things New Covenant ,2001 A Guide for Family Bible Reading James Breig,Patricia Knopp,1978 **The Cumulative Book Index** ,1999 **The Heart of Catholicism** Bert Ghezzi,2014-03-24 In *The Heart of Catholicism* Bert Ghezzi bestselling author and popular speaker invites readers into his deep love for the Church With great warmth and authenticity he shows how foundational habits such as praying studying scripture serving others celebrating sacraments and learning from the saints remind us who we are as followers of Christ In this completely revised and expanded version of *Being Catholic Today Practicing the Everyday Habits That Shape Us* Bert Ghezzi brings together his love for the Church and his teaching expertise in this practical introduction to the way Catholics live Ghezzi uses stories from his own life to show how Catholicism is contagious spreading from person to person because of the things Catholics do that are distinctively Catholic Essential practices such as praying daily celebrating the sacraments reading and applying scripture honoring the saints confessing and overcoming sin participating in parish life caring for the poor and evangelizing are treated in seventeen brief and inspiring chapters *The Fundamentals of a Recovering Fundamentalist* Gabriel Gordon,2024-06-27 As recovering Fundamentalists we often find ourselves unknowingly remaining within the Fundamentalist worldview We think that if we enter into Progressive Christianity we're leaving behind the irrational hurtful racist and untrue theological worldview we were brought up in But what if Fundamentalism is really a kind of Progressive Christianity And both of these twin children of

modernity are inherently racist anti Jewish and colonial and therefore antithetical to the brown Jewish Incarnation of the God of Israel What if instead of leaving Fundamentalism we've really just changed the garbs of the Northern European Enlightenment rather than truly reorientating our whole lives towards the True Good and Beautiful In this book we will examine a need for former Fundamentalists to be reintroduced to the Christian faith One that looks backwards towards Christianity as it existed before the Enlightenment and even the Reformation One that de-centers Christian traditions which originated out of Northern Europe by centering Christian traditions rooted in such places as Southwest Asia and North and East Africa By criticizing modernist white Christianity the reader is guided into a Christianity that isn't merely the other side of the same coin but looks radically different

Brown, 2021-07-02 George Lindbeck lamented that his most widely read work *The Nature of Doctrine* had often been read apart from his ecumenical focus In this book Shaun Brown seeks to provide a corrective to misreadings of Lindbeck's work by focusing upon his Israelology his emphasis upon the church and Israel as one elect people of God While many Christians after the Holocaust have noted the harm that Supersessionism brought to the Jews Lindbeck focuses upon the harm that supersessionism has brought to the church He argues the appropriation of Israelhood by the church can bring intra Christian ecumenical benefits This work comes in two stages In the first stage undertaken while he was an observer at the Second Vatican Council Lindbeck discusses a parallel between Israel and the church The second stage which begins in the late 1980s and continues through the end of his career Lindbeck describes the church as Israel like or as Israel
