Pratt 1807-57 an early convert of the Restoration and an eventual member of the Quorum of the Twelve Apostles related the following regarding the first time he read the Book of Mormon I opened it with eagerness and read its title page I then read the testimony of several witnesses in relation to the manner of its being found and translated After this I commenced its contents by course I read all day eating was a burden I had no desire for food sleep was a burden when the night came for I preferred reading to sleep As I read the spirit of the Lord was upon me and I knew and comprehended that the book was true Autobiography of Parley P. Pratt ed Parley P. Pratt Jr 1938-37 Modern prophets have continually emphasized the need for every Latter-day Saint to read and reread the Book of Mormon President Gordon B. Hinckley 1910-2008 declared I promise you that if each of you will read the Book of Mormon regardless of how many times you previously may have read the Book of Mormon there will come into your lives and into your homes an added measure of the Spirit of the Lord a strengthened resolution to walk in obedience to His commandments and a stronger testimony of the living reality of the Son of God A Testimony Vibrant and True Ensign Aug 2005:6 President Boyd K. Packer President of the Quorum of the Twelve Apostles shared how he learned that studying the Book of Mormon leads to personal revelation I found the Book of Mormon to be plain and precious I learned that anyone anywhere could read in the Book of Mormon and receive inspiration Some insights came after reading a second even a third time and seemed to be likened to what I faced in everyday life in Conference Report Apr 2005:6 or Ensign May 2005:7 Inspiration as President Packer testified will come as you consistently read from the Book of Mormon [Telling God's Story, Year Two: The Kingdom of Heaven: Student Guide & Activity Pages](#) Justin Moore, 2012-05-04 Host a feast like ones Jesus and his disciples might have eaten Defend a flock from wolves Learn about compassion by playing the Good Samaritan Game and re-create Jesus' final days with the Passion Week comic strip These lesson plans designed to accompany the weekly lessons laid out in Telling God's Story Instructor Text and Teaching Guide Year Two sold separately provide enough additional activities to fill out an entire

Revelation An Outline of the Last Days by Douglas Johanson deserves serious consideration from anyone who is a seeker of
truth both scientific and religious He has created a book that will challenge and provoke serious thinking about the doctrines
of the Gospel of Jesus Christ and the expanding knowledge from the scientific community In this fascinating text those two

Eternal Father This book is a pleasure to read and it is my privilege to recommend it highly Daniel W McAllister PhD

Many books on the market are designed to help us through times of suffering They all offer answers and proposals for why

we suffer for what purpose is to be found in this experience and for how can we go forward after our life has been shattered Most approach the subject from the perspective of defending God Historically the great and not so great thinkers of the Christian community have demanded that followers not blame God for their suffering or hold God responsible for the pain that they have experienced Others have taught that God sends and uses pain to correct the wandering wayward believer I have found that the majority of these answers leave readers without hope Through several years of teaching about suffering and a concept in Christian theology called theodicy and through listening to the personal stories told through anger and tears I have struggled to recover teachings that open our hearts to God s promised hope Resistant Hope is the result of my faith journey This book does not set out to defend God God does not need my defense Resistant Hope is about how God works alone and through us to teach us to fight back when we stand at the abyss of despair Resistant Hope is a pathway to finding hope in the midst of the pain of daily life and at the moments of greatest grief and sorrow My Journey Home Study Guide Rita Carr,2013-06-04 You Don t Have to Walk Alone **God's Great Plan Storybook Bible** Zondervan,2019-11-26 As your kids grow up you want them to learn that the classic stories of the Bible all point back to God s great plan for the world and for them The vibrant colors playful illustrations and fun rhymes in God s Great Plan Storybook Bible appeal to readers ages 3 5 helping them connect their favorite Bible stories into one grand plan Reading this storybook aloud together is a great way to remind your little ones of God s delight in them which they can see from the beginning of creation Young readers will become more familiar with the Bible through the references provided with each rhyming story Most important they will have a deeper understanding of God s eternal plan of salvation as they journey from the story of creation to Jesus death and resurrection God s Great Plan Storybook Bible is a unique way for young readers to immerse themselves in God s perfect story for them **The Naked Truth Student's Guide** Lakita Garth,2011-08-31 In a world where it seems like everybody s doing it how do you help students say no to premarital sex Lakita Garth tells you how As an internationally known abstinence advocate and sought after speaker she talks to more than 500 000 students a year about abstinence and sexuality Here she frankly humorously and passionately shares her principles with teens for staying pure until marriage while equipping them with the life skills necessary to be responsible and successful Through her four phase Decision Making Model young people will understand the principles of self control self discipline delayed gratification and achieving their dreams They ll be ready to establish healthy dating relationships and clearly defined boundaries for physical intimacy while understanding and valuing marriage The eight session companion DVD a leader s guide and student guides will make this resource perfect for small group use **God's Plan** Henrietta C. Mears,2008-05-01 Finding Yourself in His Grand Design God s plan is exciting and timely and God s Word is relevant today Henrietta Mears vital concern was for people that they might have a comprehensive grasp of the Bible and realize that God has a wonderful plan to reveal to each one who seeks Him In God s Plan you ll discover that God does have a plan and His plan is eternal His plan predates creation and continues forever

without limits The essence of God's plan is love pure unrequited love by the Almighty God for people This love prompted God to create the heavens and the earth to select a chosen people to reveal the plan of salvation to establish the church to direct the activities of that which He has created and one day to return in glory **God's Plan of the Ages** Louis T.

Talbot, 1936-12 Asserting that the only way to understand the details of God's word is to have a clear understanding of it as a whole Talbot sets forth a comprehensive view of God's dealings with man from the beginning to the end of all things
