Campbell, 2021-09-30 For those in local church ministry it is often a pressing matter to find the time to take care of their own souls More often than not pastors tend to prioritize sermon preparation and delivery as their primary tasks when actually their first task should be their own spiritual health It is for this purpose that this book is written to encourage pastors to soul care before sermon preparation If pastors will prepare their own hearts the sermon will fall in line and permeate the hearts of the listeners Rightly Dividing the Word William W. (Bill) Parker, 2016-08-25 Christ crucified is the true key to unlocking the truth of God's Word He said as much when He confronted the Pharisees Search the Scriptures for in them ye think ye have eternal life and THEY ARE THEY WHICH TESTIFY OF ME John 5 39 That being said we must also understand that God has given His people minds and the power of reasoning so that when we are driven and directed by the Holy Spirit to search for truth in His written Word we must diligently and responsibly use proper rules for interpreting the Bible The purpose of this book is to list define and give examples for what I believe to be the best rules of interpreting the Bible My desire and prayer is that the Lord will use these things for His glory the salvation of sinners and the edification of His children May the Lord use this as a tool to guide those who truly desire to read and study His Word Thoughts and Gleanings Ralph Beall, 2013-02-25 In this volume are the Bible answers to many of the questions some may have about some of the teachings in the Scriptures What is Gods desire and purpose in creation What is the gift of God the Father Of God the Son Of God the Holy Spirit What is the relationship of God Satan and man to one another Who is God the Holy Spirit and what is his work Was Satan created Will mans soul spirit exist forevermore What is the origin the purpose and the destiny of man What is sin What is death physical and spiritual Who is the source of all lies and all evil wickedness and sin Who is the source of all truth logic reason and all that is good righteous and wise What is the cause of all sorrow suffering pain sickness and death Whose sins are washed away Can one be pleasing to God and be a soldier a policeman Does God desire approve of any person enslaving another Is man under any law from

Burdette, 2009-08 One objective of this book is to set forth the heart of God's Gospel This volume is composed of a compilation of sermons and in depth studies designed to strengthen and encourage Christians in their daily walk with God and with one another Since the Cross of Christ is pivotal to a proper understanding of Christianity numerous chapters in this book explore the ins and outs of the importance of the Cross in the lives of God's people Not only does this book focus upon the scheme of God's redemption and evangelism as a part of every believer's ministry it also calls attention to Christian apologetics that is a defense of Christianity Three chapters are devoted to this kind of study 1 Christianity versus Skepticism 2 Credibility and Candor of the New Testament Writers and 3 Paul s Conversion Apologetic for Christianity Also this book allocates three chapters to the subject of baptism and its meaning to God's children And finally four chapters are dedicated to a detailed study of worship within the Christian community Dallas Burdette has been a serious student teacher and preacher of the Bible for fifty eight years supporting himself for many years as an agent for AFLAC He has written numerous articles for religious journals as well as many essays and sermons which are available on his website www freedominchrist net He has developed a keen interest in promoting unity among God's people through a more accurate reading of the Word He has degrees from Amridge University formerly Southern Christian University where he also was Director of Extended Learning for five years He holds the Doctor of Ministry degree 1999 from Erskine Theological Seminary THE TRUTH OF THE ORIGIN OF THE UNIVERSE Sabrie Soloman, 2024-06-12 In a world filled with scientific explanations and theories it can be easy to lose sight of the ultimate truth of our existence The truth is that the universe with all its intricate complexities did not come into being by mere chance or a random explosion It was carefully designed and orchestrated by a higher power a Creator who holds everything together When we look up at the night sky and see the countless stars and galaxies stretching out into infinity we cannot help but be in awe of the sheer magnitude and beauty of it all The heavens declare the glory of God as it says in the Bible and remind us of the greatness of the one who made it all The theory of the Big Bang which posits that the universe began as a singular point and expanded over billions of years is a flawed explanation for the origin of the universe It fails to account for the intricate design and order that we see in the cosmos as well as the existence of life on earth The marvel of our planet Earth with its perfect conditions for sustaining life points to a Creator who had a purpose and a plan in mind when he made it The countless galaxies and stars that we observe in the universe are a testament to the power and creativity of God They show us that we are part of a vast and wondrous creation one that was made by an intelligent designer who had a vision for it all The theory of evolution put forth by Charles Darwin is another flawed explanation for the diversity of life on earth It fails to

explain the intricate complexities of living organisms and their unique design as well as the existence of the human soul It is clear that we are not the product of blind chance or random mutations but rather the handiwork of a loving and powerful Creator The truth of the origin of the universe points to a Creator who holds everything together and has a purpose and a plan for it all God stretches out the heavens and allows light to reach us here on earth showing us his care and provision for his creation We are not the product of random chance or blind evolution but rather the cherished creation of a loving God who made us in his image Let us never forget the marvel and wonder of the universe and the greatness of the one who made Heart and Home Truths, Being Self-musings Upon the Divine Will Richard Whittingham (Jr.), 1856 Bible Dictionary, Volume 1: A-F Matthew George Easton, The Ultimate Bible Dictionary is based on The Illustrated Bible Dictionary by Matthew George Easton M A D D 1823 1894 which was originally published in 1897 It contains nearly 4 000 entries relating to the Bible all from a 19th century Christian viewpoint This is volume 1 from A to F Way Thomas Frazier, 2022-02-18 When Jesus was standing before Pilate to receive his sentence to be crucified Pilate asked Jesus What is truth Many people are asking that same question What is the truth about God's promise of prosperity to man Although God called me into the ministry at age seventeen with a Bible college education and led churches in the senior pastor position I feel I have only scratched the surface in knowing God's word completely But this book is what God gave me after many years of study and prayer God s promise of prosperity is doctrine therefore it is for everyone who follows God s recipe Jesus purchased them for us when he died and rose from the grave God established us in Christ Jesus and all the promises of God became not yes and no but yes and amen to those who believe To believe is to make a mental accent and living an obedient life to the law of Christ Faith works by love And love is shed abroad in our hearts by the Holy Spirit This is a special kind of love of a supernatural that enables us to do what we cannot do in our strength Therefore all can meet God s requirement for prosperity in God s way It is for everyone who believes **Eternal Truth** Rear Admiral Joseph H. Miller, 2015-09-25 We must discover the real world All generations are struggling for truth Truth is our heritage and gift to the next generation so we must support education for all people Some generations have essentially halted progress and others are making progress only because of a few In our world we must proclaim religious and free speech The concept of human liberty is more than 4 000 years old and is repeated by Christ Himself We must dare to read think speak and write the truth Truth is not only violated by falsehood but also by silence Ignorance produces the work of monsters Ignorance is not bliss it is oblivion Ignorance is sin not innocence Man is what he believes coated by either truth or ignorance Truth demands a basic standard of living for the masses to ensure security and freedom for their development Man is master of his fate but he must seek the truth Truth is on the march and nothing can stop it **God's Chosen** G. Grace Small,2013 God s Chosen Understanding Spiritual Warfare is a book that inspires encourages and teaches Christians to effectively manage warfare and live victoriously for Christ It offers Christians a fresh look at the basis of putting on God's full armor and learning to use the

means God affords namely His strength and mighty power As Believers prepare to fight triumphantly against evil and wicked forces we come to an understanding of the challenge purpose and outcome of spiritual warfare Putting on God s armor and standing firm in Him amply equips us to fight offensively and defensively Knowing Jesus fixed the fight in our favor produces confidence to oppose the enemy and remain faithful to God Through conscious engagement in this fight we win against all odds In 2005 during prayer the Holy Spirit inspired me to write this book on spiritual warfare I was going through a precarious time and as usual I sought God in prayer and study of the Word The Holy Spirit led me to Ephesians 6 10 18 As I studied and meditated God moved me to begin writing on the subject of warfare During research and study I discovered there are not enough books addressing this phase of our journey Therefore I saw the need to press through varied attacks to produce this important work THE TRUTH OF THE ORIGIN OF THE UNIVERSE Dr. Sabrie Soloman, 2024-08-01 The topic of undeserving credit given to the Big Bang and UFOs is a controversial one with many people having strong opinions on the matter While both the Big Bang theory and the existence of UFOs have been widely accepted the author argues that they are given too much credit and recognition without su cient evidence to support their claims The Big Bang theory is widely accepted as the most plausible explanation for the origin of the universe Some critics argue that it is not the only possible explanation for the universe s origins Some alternative theories such as the steady state theory or the oscillating universe theory have been proposed as alternatives to the Big Bang theory Similarly the existence of UFOs is a topic that has been hotly debated for decades While there have been countless reports of UFO sightings and encounters there is a lack of concrete evidence to support the existence of extraterrestrial visitors While the Big Bang theory and UFOs may be popular topics in popular culture it is important to approach them with a critical eye and to consider the evidence before giving them undeserving credit Heart and Home Truths, being Self-musings upon the Divine Will Richard WHITTINGHAM (of New York.),1855 The Church of England Magazine ,1845 Report and speeches at the third annual meeting of the Church Pastoral aid Society May 8 1838 The Church of England magazine [afterw.] The Church of England and Lambeth magazine ,1842 The Cambridge Review ,1888 Vols 1 26 include a supplement The University pulpit vols 1 26 no 1 661 which has separate pagination but is indexed in the main vol Lutheran Companion ,1896 The Life and Times (1660-1750) of the Servant of God, Abbot Mechitar Minas Nurikhan, 1915 *Life-study of the Epistles of John* and Jude Witness Lee, 2023-09-27 John's writings are complementary to the entire divine revelation. This means that the writings of John complete the Bible His Gospel completes the Gospels his Epistles complete the Epistles and his Revelation completes the whole Bible In the Life study of the Epistles of John Witness Lee emphasizes the outstanding matters in these Epistles in relation to the economy of God Some of these matters include the divine life and its fellowship the anointing the divine birth and the divine seed the walk in truth and in love and the encouragement of the fellow workers in the truth In the Life study of Jude Witness Lee shows from Jude's Epistle the genuine contending for the faith and the believers living in the
