John Pierson

Going Local Working In Communities And Neighbourhoods The Social Work Skills Series:

Going Local John Pierson, 2007-09-12 *Going Local* explains how social workers can develop approaches to neighbourhood work engage with users and their locality and contribute to strengthening local communities and how these principles work out in practice in specific services

Going Local John Pierson, 2007-09-12 *Going Local* explains how social work students and practitioners can develop approaches to neighbourhood work to engage communities and neighbourhoods more purposefully and to work with citizens and other mainstream and community service providers to build the capacity of neighbourhoods to tackle social problems on their own Each chapter includes objectives and key points as well as case studies and activities where appropriate and the topics discussed include what we can learn from past social work practice principles skills and tools to enhance local working joined up practice care and services for children families young people older people and other vulnerable adults social cohesion and the role of practitioners in overcoming local religious and ethnic division *Going Local* will appeal to practitioners working in neighbourhood based services and is essential reading for students of social work youth and community work and probation work

Leadership and Management in Integrated Services Judy McKimm, Kay Phillips, 2009-05-05 Government drivers promote integrated health and social care services for children and adults yet the field is immensely complex with the involvement of multiple agencies professionals and other stakeholders This book will help students and new practitioners make sense of this rapidly changing scene It provides an overview and introduction to core leadership and management principles the key management structures and organisations that comprise integrated services It also considers some of the differences and dilemmas arising from the range of professions and organisations involved in delivering integrated services

Doing Radical Social Work Colin Turbett, 2014-01-27 This is the first book to provide social workers with an applicable model for radical practice Through examining the current state of social work in the UK and looking at the radical approaches that have developed over the years this book explores some of the opportunities that exist for a radical social work

Social Work and Social Policy Jonathan Dickens, 2016-01-27 An understanding of social policy is vital for engaging practically with social work values and dealing with political and ethical questions about responsibility rights and our understanding of the good society This textbook provides a comprehensive introduction to social policy tailored to the needs of a social work audience The new edition of this popular and accessible text analyses current policies and policy themes relevant to social work and locates them in the context of fundamental social policy principles and debates It discusses the nature of social policy and its relationship to social work and covers essential themes such as service user participation and involvement the balance between individual societal and state responsibility for people's wellbeing the interactions of the state the private sector voluntary organisations and the family the relationships between needs rights and choices the purposes and challenges of professional social work the meanings of equality prevention and personalisation Each chapter ends with activities for

reflection and analysis and suggestions for further reading Social Work and Social Policy is invaluable for students undertaking social work qualifying courses all of whom are required to demonstrate an understanding of the social policy contexts of practice

Tackling Social Exclusion John Pierson, John Pierson, Dr, 2003-09-02 The concept of social exclusion is a central focus of government policy and is rapidly moving to the core of practitioner activity This textbook shows how social workers can combat the social exclusion experienced by service users and at the same time promote social inclusion Tackling Social Exclusion covers the meanings of social exclusion and the common elements of practice needed to reverse it the skills needed when working with specific groups of people including children and families young people and vulnerable adults the neighbourhood dimension in social exclusion the link between race and ethnic minorities and social exclusion and the implications of the Macpherson Report for practice how service agencies can change their organisation to promote inclusion how to work with communities to effect change Each chapter is grounded in real practice examples and explores through activities case studies and exercises how the perspective of social exclusion is changing social work today

Social Workers' Desk Reference Albert R. Roberts, Gilbert J. Greene, 2002 Following in the groundbreaking path of its predecessor the second edition of the Social Workers Desk Reference provides reliable and highly accessible information about effective services and treatment approaches across the full spectrum of social work practice

Planning with Children for Better Communities Freeman, Claire, Henderson, Paul, Jane Kettle, 1999-11-10 In addition to clarifying why the issue of children's participation should be prioritised this book uses examples and case studies from a variety of professions and disciplines in order to explain different methods that can be used to support participation

Changing Social Work and Welfare Pam Carter, Tony Jeffs, Mark

Smith,1992 **Decolonizing Social Work** Mel Gray,John Coates,Michael Yellow Bird,Tiani Hetherington,2016-05-13 Riding on the success of Indigenous Social Work Around the World this book provides case studies to further scholarship on decolonization a major analytical and activist paradigm among many of the world s Indigenous Peoples including educators tribal leaders activists scholars politicians and citizens at the grassroots level Decolonization seeks to weaken the effects of colonialism and create opportunities to promote traditional practices in contemporary settings Establishing language and cultural programs honouring land claims teaching Indigenous history science and ways of knowing self esteem programs celebrating ceremonies restoring traditional parenting approaches tribal rites of passage traditional foods and helping and healing using tribal approaches are central to decolonization These insights are brought to the arena of international social work still dominated by western based approaches Decolonization draws attention to the effects of globalization and the universalization of education methods of practice and international development that fail to embrace and recognize local knowledges and methods In this volume Indigenous and non Indigenous social work scholars examine local cultures beliefs values and practices as central to decolonization Supported by a growing interest in spirituality and ecological awareness in international social work they interrogate trends issues and debates in Indigenous social work theory practice methods and education models including a section on Indigenous research approaches The diversity of perspectives decolonizing methodologies and the shared struggle to provide effective professional social work interventions is reflected in the international nature of the subject matter and in the mix of contributors who write from their contexts in different countries and cultures including Australia Canada Cuba Japan Jordan Mexico New Zealand South Africa and the USA Essential Theory for Social Work Practice Chris Beckett,Nigel Horner,2015-11-09 Focusing on what students really need to know this book breaks down all of the key social work theory covered across a students training demystifying complex concepts by demonstrating their application to real life practice Multiple case studies highlight applied theory in different practice settings and across issues and challenges that students might face while self assessment exercises practice notes concise chapter summaries and discussion points help to consolidate their understanding New chapters bring the book right up to date and include Relationship based Work The Importance of Language Political Perspectives and Environmental Intervention Written by two well established and expert authors this is the must have theory text for all social work students

Safeguarding in Social Work Practice Charlotte Chisnell,Caroline Kelly,2016-03-26 Safeguarding is a serious and complex area of social work practice and for all students demonstrating an understanding of important safeguarding theory law policy and skills for practice is essential Students need to understand what safeguarding is and means across the life course and this new text brings together common themes and knowledge in safeguarding across children young people and adult social work to do just that This approach will encourage students to approach the subject from a holistic perspective helping them develop their understanding of core themes and transferable skills for practice Sustainable Communities

Great Britain. Office of the Deputy Prime Minister, 2005 This document sets out the Government's five year plan to create sustainable inclusive communities across England focusing on its strategy to improve provision of neighbourhood services It includes proposals to increase public involvement in the way their communities both rural and urban are run including a Neighbourhoods Charter a wide ranging strategy to improve safety and cleanliness of streets parks and open spaces improving responsiveness of local services including schools health and police services establishing clearer roles for councillors with increased opportunities for mayors where there is demand local area agreements pilots for service delivery 2 5 billion investment each year to tackle social exclusion in deprived communities and greater co ordination of service funding and planning system requirements at the regional level An accompanying paper which sets out the Government's housing policy has been published as Cm 6424 Sustainable communities homes for all ISBN 0101642423

Radical social work today Lavalette, Michael, 2011-02-23 Created to celebrate the 35th anniversary of Bailey and Brake's seminal text Radical Social Work 1975 this volume seeks to explore the radical tradition within social work and assess its legacy relevance and prospects With a foreword by Roy Bailey the book brings together leading academics within social work in Britain to reflect on the legacy of Radical Social Work both the original text and the wider social movement within social work education theory and practice With the current issues facing social work in Britain this book examines the radical tradition to assert that another social work is possible

Urban Social Sustainability M. Shirazi, Ramin Keivani, 2019-01-22 This ground breaking volume raises radical critiques and proposes innovative solutions for social sustainability in the built environment Urban Social Sustainability provides an in depth insight into the discourse and argues that every urban intervention has a social sustainability dimension that needs to be taken into consideration and incorporated into a comprehensive and cohesive urban agenda that is built on three principles of recognition integration and monitoring This should be achieved through a dialogical and reflexive process of decision making To achieve sustainable communities social sustainability should form the basis of a constructive dialogue and be interlinked with other areas of sustainable development This book underlines the urgency of approaching social sustainability as an urban agenda and goes on to make suggestions about its formulation Urban Social Sustainability consists of original contributions from academics and experts within the field and explores the significance of social sustainability from different perspectives Areas covered include urban policy transportation and mobility urban space and architectural form housing urban heritage neighbourhood development and urban governance Drawing on case studies from a number of countries and world regions the book presents a multifaceted and interdisciplinary understanding from social sustainability in urban settings and provides practitioners and policy makers with innovative recommendations to achieve more socially sustainable urban environment

Social Work in Context Lester Parrott, Noreen Maguinness, 2017-09-18 This book examines key sociological theories that have contributed to the understanding of the nature of social work its organisation and delivery It provides key sociological concepts and theories to help student social

workers better understand the nature of their work and the social and political context within which they will be working Taking a practical approach to social work and focusing on the application of theory the book also provides insightful discussions to important thinkers such as Douglas Beck and Furedi and how their ideas have direct relevance for understanding the risk averse nature of social work

Handbook for Practice Learning in Social Work and Social Care, Third Edition Joyce Lishman,2015-08-21 This fully updated and expanded third edition of a classic text provides a comprehensive introduction to key theory knowledge research and evidence relating to practice learning in social work and social care It outlines the theories that underpin social care practice the main assessment models and interventions and also offers guidance on the effective implementation of assessment across a range of professional contexts Contributors from research policy making and practice backgrounds offer guidance on how to apply policy and research findings in everyday practice while ensuring that the complex needs of each individual service user are met This third edition also features new chapters on group work social pedagogy and personalisation The Handbook for Practice Learning in Social Work and Social Care is an essential resource for ensuring effective evidence based practice which will be valued by students educators and practitioners alike

Rural Social Work in the 21st Century Michael Daley,2020-03-06 The second edition of this book provides a comprehensive overview of the knowledge skills values ethics and issues central to the practice of social work in small towns and rural communities with updated information and a new chapter on social economic and environmental justice The topics covered include the importance of rural social work defining rural and the rewards and challenges of rural practice It addresses rural culture behavior and language diversity and how social policy affects rural communities Later chapters discuss rural social services the history of rural social work a model for rural social work practice and ethical practice The final chapters focus on the practice of rural social work social economic and environmental justice and challenges for the future Rural social work rural social work ethics history rural culture generalist practice environmental justice

International Perspectives on Social Work and Political Conflict Joe Duffy,Jim Campbell,Carol Tosone,2019-10-21 International Perspectives on Social Work and Political Conflict provides an important basis for readers to recognise and understand the unique and specialist role that social workers have played and continue to play in international contexts of political conflict Social workers make an important contribution in these difficult and sometimes dangerous situations across all continents This book highlights the importance of social work in these very challenging contexts The first part of this book includes four chapters that summarise the existing knowledge base The second part focuses on a case study of Northern Ireland where for the first time a detailed examination of the social work role was completed which involved researching the views of social work practitioners managers and educators Part three then draws together international experts in the field who have written chapters on those regions where social workers have been dealing with long standing periods of political conflict At a time when violent conflagrations are currently a feature of many countries and regions across

the continents of the world this book offers a critical view of the social work role in these contexts and should thus be considered essential reading for all social work academics students and professionals working in conflict affected societies
