Hansel Part 4 An Erotic Fairy Tale:

Gothic Vision Dani Cavallaro, 2002-08-01 The Gothic Vision examines a broad range of tales of horror terror the uncanny and the supernatural spanning the late eighteenth century to the present and of related theoretical approaches to the realm of dark writing It argues that such narratives are objects for historical analysis due to their implication in specific ideologies while also focusing on the recurrence over time of themes of physical and psychological disintegration spectrality and monstrosity This is an excellent overview of a genre that is increasingly studied in literature film and cultural studies courses

The Classic Fairy Tales (Second Edition) (Norton Critical Editions) Maria Tatar, 2017 I have used this textbook for four courses on children's literature with enrollments of over ninety students It is without doubt the most well organized selection of literary fairy tales and critical commentaries currently available Students love it Lita Barrie California State University Los Angeles This Norton Critical Edition includes Seven different tale types Little Red Riding Hood Beauty and the Beast Snow White Sleeping Beauty Cinderella Bluebeard and Tricksters These groupings include multicultural versions literary rescriptings and introductions and annotations by Maria Tatar Tales by Hans Christian Andersen and Oscar Wilde More than fifteen critical essays exploring the various aspects of fairy tales New to the Second Edition are interpretations by Ernst Bloch Walter Benjamin Max L. Thi Lewis Hyde Jessica Tiffin and Hans J. Uther A revised and updated Selected Bibliography

Folktales and Fairy Tales Anne E. Duggan Ph.D., Donald Haase Ph.D., Helen J. Callow, 2016-02-12 Encyclopedic in its coverage this one of a kind reference is ideal for students scholars and others who need reliable up to date information on folk and fairy tales past and present Folktales and fairy tales have long played an important role in cultures around the world They pass customs and lore from generation to generation provide insights into the peoples who created them and offer inspiration to creative artists working in media that now include television film manga photography and computer games This second expanded edition of an award winning reference will help students and teachers as well as storytellers writers and creative artists delve into this enchanting world and keep pace with its past and its many new facets Alphabetically organized and global in scope the work is the only multivolume reference in English to offer encyclopedic coverage of this subject matter The four volume collection covers national cultural regional and linguistic traditions from around the world as well as motifs themes characters and tale types Writers and illustrators are included as are filmmakers and composers and of course the tales themselves The expert entries within volumes 1 through 3 are based on the latest research and developments while the contents of volume 4 comprises tales and texts While most books either present readers with tales from certain countries or cultures or with thematic entries this encyclopedia stands alone in that it does both making it a truly unique one stop resource
