The Cutting Edge David Lansky, 2013-11-25 *The Cutting Edge* a satirical novel in two parts presents a clear sighted critique of the current state of academia Set in a SUNY campus diary entries that may or may not have been written by a student depict an environment marked by a series of contradictions guaranteed to discourage intellectual growth a school mission statement that voices a commitment to social justice academic freedom and a Student Code of Conduct that prohibits student demonstrations administrative decisions to spy on students a campus police force bent on uncovering student crime and collective punishment for residents living in dorms that are rarely cleaned rising tuition costs coupled with declining academic standards leaving students up to their elbows in debt and ill prepared for employment in a declining economy Fortunately there is a lone voice in the wilderness a Professor who despite knowing that he s teaching after the death of the book continues to lay out an analysis of contemporary life where prisons shopping malls and Walmart stores blight the landscape and barbarians run the universities He wages the good fight for the rights of students against an administration that resembles a constitutional monarchy and budget cuts that ultimately lead to his death yet his is the last voice the reader hears as the novel ends In the second part of the novel his memoir we get the Professor s delineation of all that s wrong in present day life Without giving too much away suffice it to say that finance capital real estate speculation and the postmodern condition are discussed Dawn Esposito St John s University *The Cutting Edge* is a novel of powerful imagination rollicking humour profound insight and deep political commitment The novel is divided into two parts The first is *The College Essays of Jenny Delight* No one is quite sure who Jenny is It is an obvious pseudonym since there is no student by this name at the college she attends It is a hilarious section laced with social and personal insight as Jenny tries to understand the world around her often using categories she s learning sometimes the most abstract categories available and infusing them with vivid meaning The second section *Bill of Sale* is the posthumously discovered manuscript of Sociology Professor Fred Snyder It is a harrowing account of very vulnerable and often screwed up people who are totally against their society It is a section revealing with extraordinary power the ruthlessness of contemporary capitalism and its relentless destructive force *The Cutting Edge* is one hell of a book Robert Roth author of *Health Proxy* At once funny and dead serious

The Cutting Edge tells it like it is about the situation of public higher education in the early 21st century United States Sociology professor Fred Snyder nostalgic for the era of Marcuse and the New Left eternally at war with the college administration committed to the ethical and political development of his students is a wonderful creation Skillfully narrated from several overlapping points of view this satirical novel cuts to the chase in its astute portrayal of the connections between contemporary capitalism and the working class college experience Barbara Foley Rutgers University The Cutting Edge is at once a meeting of teachers and students under conditions of critical hilarity and a deeply empathetic portrait of where the commitment to re craft our learning environments in line with their most abiding promise might lead us if we attend closely as the author does to the poignancy of the stories all around us It rewards readers with an insightful view on a delicate landscape often overlooked Randy Martin New York University **Army Aviation Digest** ,1959 *Dealers of the Multiverse* Phoenix,2022-02-28 Dealers of the Multiverse Sea Weed By Phoenix Mike and PJ cousins and sons of the most prolific marijuana growers in the Bahamas have their affluent comfortable lives turned upside when their fathers are brutally murdered Fleeing from the city the two young men struggle to figure out what to do Do they keep hiding from the men that killed their fathers or do they come out of hiding and fight In the midst of their hiding PJ crafts a new strain of marijuana like nothing that has ever existed before His new strain causes out of body experiences and can even cause one to be able to travel across the multiverse Funny thrilling and unpredictable Dealers of the Multiverse is a metaphysical romp that will keep you on the edge of your seat *Weekly Florists' Review* Gilbert Leonard Grant,1920 **Florists' Review** ,1920
