career aspirations for love and family Though she never regrets her decision her feelings of self worth suffer tremendously
especially after her twins start first grade She s faced with spending her days in the company of a stranger herself A
misunderstanding encourages her husband to accept an employment transfer to a rural farming community that seems
inspired by a Norman Rockwell painting She s furious that he misinterprets her comment but he s already signed the
contract and risks losing his job if he reneges Besides it s a choice assignment with a significant raise in pay Still Coral
resents Larry s eagerness to leave the only home they ve ever shared Once in their new home Coral discovers letters stashed
away in an old hat box They were started in 1934 and were written by Emily the only child of wealthy business owners who
were extremely protective of their chronically ill daughter The letters were intended for Joe the son of the black handyman
who worked at her home A friendship between the two children was strictly taboo and the letters Emily wrote but never
delivered to Joe were influential in helping Coral find definition to her own life **Low Rider** ,2006 **WALNECK'S**
