European flavors to America With distribution in two dozen states two brewpubs and status as one of the 20 biggest breweries in the United States Goose Island became an American success story and was a champion of craft beer Then on March 28 2011 the Halls sold the brewery to Anheuser Busch InBev maker of Budweiser the least craft like beer imaginable The sale forced the industry to reckon with craft beer s mainstream appeal and a popularity few envisioned Josh Noel broke the news of the sale in the Chicago Tribune and he covered the resulting backlash from Chicagoans and beer fanatics across the country as the discussion escalated into an intellectual craft beer war Anheuser Busch has since bought nine other craft breweries and from among the outcry rises a question that Noel addresses through personal anecdotes from industry leaders how should a brewery grow
