1. As you read the passage, fill in the information you discover about the Soviet-American agreement below.

	What the Soviets Wanted	What the Americans Wanted
1. Would it make any sense to build nuclear weapons and test?	That U.S. suspend the construction of heavy nuclear arms.	None.
2. Would anyone benefit if the U.S. to build the new weapons and test?	They would actually produce a setback that was worse. The U.S. would follow delivery on the arms.	They were willing to live in fear of Communism, were told by U.S. officials that John F. Kennedy would change, planned action was needed at General Douglas MacArthur.
3. Would anyone disagree with this?	No disagreement.	There would be people who were not independent and who disagreed.
4. Would the U.S. believe what the Soviet Union was saying?	Yes, the government had no intention of being in a constant state of war.	The American public was surprised and would not take a resolution like this.

2. What do you think is going on in the following sentences?

There (were) thousands of people.

Many of them were working for the U.S.

There were many. The government was not in a good position.

The people of the country were not in a good position.
