Called by Mind and Spirit Gavin Knight, Joanna Knight, 2010-02-25 In 21st century Britain we are increasingly concerned about the effect of the modern world on our children's health and well being While different secular agencies have had an important role to play in this debate the voice of the Church is frequently misrepresented misunderstood and undervalued Called by Mind and Spirit Crossing the Borderlands of Childhood seeks to redress this imbalance The book begins by exploring how our own family stories passed down through generations combined with our Christian heritage influence our identity its continued formation and our sense of vocation These themes of identity formation and vocation are then related to modern childhood from a combined

perspective of theology and psychology In the process the book asks how in contemporary Britain we encourage and nurture children s faith and how we might better equip today s children to understand and explore for themselves the world in which they are growing up The sacramental rites of anointing and initiation baptism confirmation and ordination provide the theological basis for the book and the main stages of childhood infancy and early childhood middle childhood and adolescence offer a framework for reflecting on these rites The authors draw from a wealth of personal and professional stories to explore the multiple tensions and opportunities of childhood today *Faithful Celebrations* Sharon Ely Pearson,2019-04-17 Add meaning to family celebrations and create new ones Multiple resources for church home and community celebrations Multi generational Holidays and family events are times for celebration learning rituals food and fun This edition of *Faithful Celebrations* focuses on the months of May June and July when secular holidays inspire us to gather to celebrate God s creation our freedom and our families Key ideas activities materials background information music art recipes and prayer resources are all included for small intimate or large multi generational groups as many festivities bring several generations together at church at home and in our communities Celebrate occasions like International Women s Day Cinco de Mayo Mother s Day Father s Day Memorial Day Summer Solstice and July 4th in thoughtful inclusive and innovative ways **The Grandparenting Effect** Trevecca Okholm,2020-07-21 Whatever life gives you and wherever life takes you there is always a story Life and relationships all begin and are sustained in the context of a story This is not a how to do it right book as much as it is a book of stories personal stories from the author biblical stories and stories of ordinary grandparents and grandchildren who have been willing to share their own stories with which you may be able to identify and be encouraged in your own adventures of grandparenting This is a book for everyone that either has biological grandchildren or has the potential to influence the lives of non biological youth and children in the role of grandparenting This is also a book for churches to consider while planning for ministry to bring generations together in meaningful interactions and in doing so to create space for generations to share their stories and share in God s overarching Story of reconciling the world one story at a time
