Liberal Democracy, Law and the Citizen Speaker Ian Cram, 2022-08-25 This book delivers an original theoretically informed analysis of the legal regulation of online speech Rejecting the narrow pluralism of elitist and deliberative accounts of the citizen's role in political discourse the book defends a participatory account of speech in non deliberative settings The latter account of political pluralism best captures the republican democratic aspiration for popular ongoing authorship of the laws and the centrality of freedom to dissent in democratic theory The legal and policy implications for governments and social media platforms of this inclusive envisioning of public discourse are then elaborated upon In the digital world anyone with access to the internet can be a speaker Speech on public platforms has become democratised At the same time aspects of online speech are plainly problematic Concerns exist about disinformation fake news deep fakes weaponised speech and trolls Offensive speech and the polarising effects of robustly expressed political opinion are also troublesome These assorted downsides of democratised speech are said to undermine the integrity of democratic processes and institutions Public debate is distorted and coarsened and the electorate are misled How ought the liberal democratic state respond to these challenges The discussion is intended to be read by academics and researchers with interests in democratic theory digital communications and freedom of expression It offers a stimulating and distinctive contribution to debates about online speech

Character Education 6 Tm' 2002 Ed. , *God's Shining Forth* Andrew R. Hay, 2017-04-24 *God's Shining Forth* offers a theological presentation of divine light in which the leading motif is the doctrine of the Trinity More precisely this study is organized around a double trinitarian theme God is light in himself and from himself God is radiant in relation to human creatures This double affirmation is expounded by considering its extensions in the work of God's grace in ecclesiology and in the nature of theological intelligence The chosen conversation partners in this study are some of the leading pro Nicene trinitarian theologians of the fourth century plus John Calvin Karl Barth and a selection of contemporary authors Andrew Hay argues that the scriptural statement God is light is best understood as a confession of the eternal fully realized life of the triune God in its wholly gratuitous electing reconciling and illuminating human creatures in the darkness of sin and death

The American Journey Joyce Oldham Appleby, Alan Brinkley, James M. McPherson, 2003 [Encyclopedia of Public Administration and Public Policy - 5 Volume Set](#) Domonic A. practitioner leaders of today as well as the next generation of top scholars The entries address topics in clear and coherent language and include references to additional sources for further study **Hegel, Freedom, and Modernity** Merold Westphal,1992-01-01 This book studies the intersection of Hegel s political theory as developed in the Philosophy of Right with his philosophy of religion and his dialectical holistic theory of knowledge It explores both the methodological and theological dimensions of Hegel s politics by placing him in dialogue with such traditions as Hinduism the Protestant Reformation and the contemporary Religious Right and with such individual thinkers as Husserl Gadamer Pannenberg and Tillich The author shows that Hegel s philosophy outlines the dilemma of religion and society perhaps more clearly than any other modern thinker s perspective Namely that a religiously based society tends to be sectarian exclusive and intolerant while a fully secular society tends to lose the conditions which make community in any meaningful sense possible Hegel s search for a nonsectarian spirituality of community poses the problem the contemporary world must solve if we are to uncover a humane society *Historical Abstracts* ,1974 Vols 17 18 cover 1775 1914 The Japan Daily Mail ,1910
