2009-2010 Script Catalog Michelle Wright, **How to Draw the World** Philip Nel, University Distinguished Professor of English Philip Nel, 2024-11-27 This is a biography of the book that inspired Prince to adopt purple as his signature color Pulitzer Prize winning author Richard Powers to become a writer and countless other creative people to become artists Published 70 years ago Crockett Johnson's *Harold and the Purple Crayon* is a small book about big ideas ideas about childhood creativity politics psychology art and reality itself In thirty brief chapters this book explores those ideas illuminates the creative process and offers a primer on how picture books work *The Storytime Handbook* Nina Schatzkamer Miller, 2014-01-27 Fresh fun ideas for children's storytime fill this book The author a long time storytime facilitator has put together 52 weekly themes plus additional plans for holidays all with detailed instructions for talking about the theme and choosing the books crafts songs poems games and snacks Each storytime idea is illustrated with photographs of a suggested craft and snack for easy reference Libraries bookstores preschools and parents alike can use this book to offer themed storytimes that include discussion literature art music movement and food Options are provided for each storytime so the ideas can be used year after year *Making Americans* Gary D. Schmidt, 2013-12-01 American children need books that draw on their own history and circumstances not just the classic European fairy tales They need books that enlist them in the great democratic experiment that is the United States These were the beliefs of many of the authors illustrators editors librarians and teachers who expanded and transformed children's book publishing between the 1930s and the 1960s Although some later critics have argued that the books published in this era offered a vision of a safe secure simple world without injustice or unhappy endings Gary D Schmidt shows that the progressive political agenda shared by many Americans who wrote illustrated published and taught children's books had a powerful effect Authors like James Daugherty Laura Ingalls Wilder Lois Lenski Ingri and Edgar Parin D'Aulaire Virginia Lee Burton Robert McCloskey and many others addressed directly and indirectly the major social issues of a turbulent time racism immigration and assimilation sexism poverty the Great Depression World War II the atomic bomb and the threat of a global cold war The central concern that many children's book authors and illustrators wrestled with was the meaning of America and democracy itself especially the tension between individual freedoms and community ties That process produced a flood of books focused on the American experience and intent on defining it in terms of progress toward inclusivity and social justice Again and again children's books addressed racial discrimination and segregation gender roles class differences the fate of Native Americans immigration and assimilation war and the role of the United States in the world Fiction and nonfiction for children urged them to see these issues as theirs to understand and in some ways theirs to resolve *Making Americans* is a study of a time when the authors and illustrators of children's books consciously set their eyes on national and international sights with the hope of bringing the next generation into a sense of full citizenship *Harold at the North Pole* Crockett Johnson, 2015-09-29 A classic *Harold and the Purple Crayon* holiday adventure picture book *Harold at the North Pole* finds Harold in need of a Christmas tree and

Santa in need of Harold's help. It's up to Harold to draw a pack of jolly reindeer to transport Santa along with his big bag of toys through the night and save Christmas. Crockett Johnson's Christmas adventure with its clever and inventive twists will delight little ones eagerly awaiting Santa's arrival. Perfect for the young readers who enjoy other classic holiday board books such as *A Christmas Wish for Corduroy*, *Biscuit's Snowy Day* and *Merry Christmas Mouse*. Also available in board book, paperback and hardcover editions.

The Book Tree Elizabeth McCallum, Jane Scott, 2008. Literary habits naturally give way to literary affections. Once upon a time a carpenter entered a forest and happened upon a wolf wearing a feathered cap. Quick, whose side are you on? If you don't know, we suggest reading a hearty round of fairytales. Stories provide a roadmap for life. This is because stories are life. But oftentimes it's easiest to understand where we are when we can look through other eyes from the perspective of someone else living somewhere else, somewhen else. For those beginning to read for the first time or those beginning to read again, *The Book Tree* will drop golden apples in your lap until you can climb high enough to pick for yourself.
