Interpreting Habakkuk as Scripture G. Michael O'Neal, 2007 This book draws together two current issues in Old Testament study canonical analysis and the minor prophets G Michael O Neal applies the canonical approach of Brevard S Childs to the book of Habakkuk resulting not only in an evaluation of Childs's method but also providing new insights into the canonical shape and theological message of Habakkuk The findings of textual historical literary formal and redactional

criticisms inform the study However O Neal goes beyond these findings to ascertain the canonical shape of Habakkuk and to illustrate how this shape informs an understanding of the book s theological message

Semanatorul (The Sower), Volume One, Number Two Hamilton Moore, Ilie Soritau, Adrian Giorgiov, 2019-02-19 About the Theology Journal This is the second issue of Volume 1 of Sem n torul The Sower The Emanuel Journal of Ministry and Biblical Research It contains the proceedings of the Bi Annual International Theological Conference This was held in Emanuel University Oradea in November 2016 The title of the Conference was Aspects of Missiological and Theological Thought Challenges in the Twenty First Century The papers presented include some given in person by various colleagues of the Emanuel Faculty others were given via Skype or by invitation We are grateful for the commitment of members of the Emanuel faculty the collaboration of Emanuel University Press the Emanuel Ethics and Society Research Centre We are also grateful for the contribution of distinguished colleagues from the Irish Baptist College and the Southern Baptist Theological Seminary This second issue includes a range of papers on Aspects of Mission and Theological thought The Journal opens with a paper on modern definitions of mission and a focus on Paul as a missionary apostle It discusses his motivation strategy and the mission churches he founded in Ephesus and Crete The paper on the Eucharist in Romanian perspective reminds us that the celebration of the Lord s Supper is memorial in character It brings blessing through comprehending the risen Christ by faith It also provides an opportunity for a visible act of proclamation of the Lord s death Theology Journal Papers Other papers in the theology journal focus upon Andrew Fuller Secretary of the Baptist Missionary Society in 1792 His theological perspective made such an impact on missionary thinking in the nineteenth century The life and work of Rodger Williams is examined until his work on Rhode Island One paper considers Alexander Carson s use of the theme of the atonement as an apologetic tool The essence of Carson s argument is that the uniqueness of the Gospel with its focus on the atonement could never have been worked out by the human mind demonstrates the truth of God s existence There are further papers on Melchizedek with a particular emphasis of his relation to the pre-existent Christ Plus a study of the doxologies of 1 Timothy setting out Paul s various reasons for including them in his letter They would challenge the heretical teachings in Ephesus and particularly provide the believers with a true understanding of the only true God Moreover they would deeply influence their lives and lead them to witness and truly worship him A further paper on the centrifugal and centripetal aspects of mission presents us with a challenge for reaching this generation I hope the Proceedings Papers on Mission and Theology will challenge all who read them Of course it should be understood that the views presented remain those of the contributors

Hamilton Moore Editor [From Zero to Faith](#) E. Dale Click, 1996 *Ezra-Nehemiah* Keith N. Schoville, 2001 **God With Us and Without Us, Volume Two** Imad N. Shehadeh, 2019-10-31 While volume 1 stressed the inevitability of Oneness in Trinity this second volume of God With Us and Without Us demonstrates the beauty and life transforming power of Oneness in Trinity The nature of the eternal relationship between the Father Son and Holy Spirit stands in contrast with the nature of

God in Absolute Oneness Dr Imad N Shehadeh elucidates through careful argumentation and detailed critical thinking why Oneness in Trinity is to be prized and what God would look like if He were not triune By addressing the beauty and power of Oneness in Trinity this book deepens our understanding of the Trinity as the solid foundation of all other doctrines Dr Shehadeh explains the eternal activity of God outside creation i e without us as the stimulus of His activity within creation i e with us Dr Shehadeh also addresses the theological debate concerning the eternal generation of the Son and the eternal procession of the Holy Spirit Most importantly however this book convinces us of and magnifies for us the life transforming power of the triune God

The Book of Ezekiel, Chapters 25-48 Daniel I. Block, 1998-06-19 This work completes Daniel Block's two volume commentary on the book of Ezekiel The result of twelve years of studying this difficult section of Scripture this volume like the one on chapters 1-24 provides an excellent discussion of the background of Ezekiel and offers a verse by verse exposition that makes clear the message of this obscure and often misunderstood prophet Block also shows that Ezekiel's ancient wisdom and vision are still very much needed as we enter the twenty first century

The Formation of Hell Alan E. Bernstein, 2020-06-30 What becomes of the wicked Hell exile from God subjection to fire worms and darkness for centuries the idea has shaped the dread of malefactors the solace of victims and the deterrence of believers Although we may associate the notion of hell with Christian beliefs its gradual emergence depended on conflicting notions that pervaded the Mediterranean world more than a millennium before the birth of Christ Asking just why and how belief in hell arose Alan E Bernstein takes us back to those times and offers us a comparative view of the philosophy poetry folklore myth and theology of that formative age Bernstein draws on sources from ancient Egypt Mesopotamia Greece Rome and Israel as well as early Christian writings through Augustine in order to reconstruct the story of the prophets priests poets and charismatic leaders who fashioned concepts of hell from an array of perspectives on death and justice The author traces hell's formation through close readings of works including the epics of Homer and Vergil the satires of Lucian the dialogues of Plato and Plutarch the legends of Enoch the confessions of the Psalms the prophecies of Isaiah Ezechiel and Daniel and the parables of Jesus Reenacting lively debates about the nature of hell among the common people and the elites of diverse religious traditions he provides new insight into the social implications and the psychological consequences of different visions of the afterlife This superb account of a central image in Western culture will captivate readers interested in history mythology literature psychology philosophy and religion
