Behind the Scenes with Cyril Maude, by Himself Cyril Maude, 1927 *Behind the Scenes with Cyril Maude* Cyril Maude, 1927 *Empire of Culture* Waiyee Loh, 2024-06-01 *Empire of Culture* brings together contemporary representations of Victorian Britain to reveal how the nation's imperial past inheres in the ways post imperial subjects commodify and consume culture in the late twentieth and early twenty first centuries The globalization of English literature along with British forms of dress etiquette and dining in the nineteenth century presumed and produced the idea that British culture is a universal standard to which everyone should aspire Examining neo Victorian texts and practices from Britain the United States Japan and Singapore from A S Byatt's novel *Possession* and its Hollywood film adaptation to Japanese Lolita fashion and the Lady Victorian manga series Waiyee Loh argues that the British heritage industry thrives on the persistence of this idea Yet this industry also competes and collaborates with the US and Japanese cultural industries as they too engage with the legacy of British universalism to carve out their own empires in a global creative economy Unique in its scope *Empire of Culture* centers Britain's engagements with the US and East Asia to illuminate fresh axes of influence and appropriation and further bring Victorian studies into contact with various sites of literary and cultural fandom

Harrods Tim Dale, 1981 **Harrods, Knightsbridge** Sean Callery, 1991 *Quick and the Dead* Susan Moody, 2016-05-01 A former detective turned art expert investigates her friend's disappearance in this British mystery series debut from the author of *A Final Reckoning* Former Detective Inspector Alexandra Quick has given up her badge to pursue a career as an art expert But when her business partner the acclaimed art historian Dr Helena Drummond disappears Alexandra knows she must once again put her investigative skills to use Shortly before she vanished Helena had complained of being menaced by a stalker and Alex now regrets having dismissed her fears as groundless But the more she uncovers the more Alex realizes how little she really knew about Helena The woman she had thought of as a close friend had been keeping a great many secrets from her Now Alex must decide is Helena a victim or is she a killer

Behind the Scenes Christina Hardyment, 1997 Christina Hardyment conducted a fascinating quest into the history of housekeeping through the well preserved properties of Britain's National Trust among them Petworth Uppark Shugborough and Lanhydrock To reconstruct the ingenious methods used by earlier generations to make a house a home and to keep themselves warm and well fed she squirmed through drains poked around sculleries and cellars and clambered into icehouses and up chimneys The result of

her explorations is an informative amusing text that recounts not only the history of the kitchen the bathroom and the laundry but also investigates bakehouses and breweries dairies and dovecotes the lamp room and the larder Accompanying Hardyment s descriptions of what she found in great mansions humble cottages medieval castles and Victorian townhouses are archival documents and accounts and a wealth of color photographs many taken especially for this book *Designing the Department Store* Emily M. Orr,2019-11-28 The book builds an original argument for the department store as a significant site of design production and therefore offers an alternative interpretation to the mainstream focus on consumption within retail history Emily M Orr presents a fresh perspective on the rise of modern urban consumer culture of which the department store was a key feature By investigating the production processes of display as well as fascinating information about display making s tools and technologies the skills of the displayman and the meaning and context of design decisions which shaped the final visual effect are revealed In addition the book identifies and isolates display as a distinct moment in the life of the commodity and understands it as an influential channel of mediation in the shopping experience The assembly and interpretation of a diverse range of previously unexplored primary resources and archives yields fascinating new evidence showing how display achieved an agency which transformed everyday objects into commodities and made consumers out of passersby
