Harry Langdon Harry Langdon:

Harry Langdon William Schelly, 2014-01-10 A top vaudeville comedian for the first quarter of the 20th century Harry Langdon rose from performing in Midwest traveling shows to headlining at the Palace Theatre in New York City He was compared to Chaplin for his work in the classic silent films Tramp Tramp Tramp and The Strong Man and he is often recognized as one of the big four silent comedians alongside Chaplin Lloyd and Keaton Later in his career Langdon appeared in a number of talking films starring or co starring in almost a hundred of them between 1924 and 1945 and working with several legendary directors from Frank Capra to Michael Curtiz This second edition of the only book length biography of Langdon includes significant new information including expanded coverage of his early years and more personal details that fill out the human side to the Langdon story The book also includes a comprehensive filmography and several photographs from all phases of Langdon s life and career **Harry Langdon** William Schelly, 1982 *Nothing on Stage is Permanent* Harry Langdon (Jr.), 2016

Harry Langdon Gabriella Oldham, Mabel Langdon, 2017-04-18 Among silent film comedians three names stand out Charlie Chaplin Buster Keaton and Harold Lloyd but Harry Langdon indisputably deserves to sit among them as the fourth king In films such as The Strong Man 1926 and Long Pants 1927 Langdon parlayed his pantomime talents expressive eyes and childlike innocence into silent era stardom This in depth biography which features behind the scenes accounts and personal recollections compiled by Langdon s late wife provides a full and thoughtful picture of this multifaceted entertainer and his meteoric rise and fall Authors Gabriella Oldham and Mabel Langdon explore how the actor developed and honed his comedic skills in amateur shows medicine shows and vaudeville Together they survey his early work on the stage at the turn of the twentieth century as well as his iconic routines and characters They also evaluate his failures from the early sound period including his decision to part ways with director Frank Capra Despite his dwindling popularity following the introduction of talkies Langdon persevered and continued to perform in theater radio and film literally until his dying day leaving behind a unique and brilliant body of work Featuring never before published stories and photos from his immediate family this biography is a fascinating and revealing look at an unsung silent film giant *Harry Langdon- Little Elf* Chuck Harter, Michael J. Hayde, 2012-06 A full biography and comprehensive filmography lavishly illustrated Little Elf is the definitive source for all things Harry Langdon critically acclaimed fourth genius of silent comedy **Nothing On A**
