Harry Tiebout The Collected Writings:

Harry Tiebout Anonymous,2011-02-03 This collection of writings by Harry Tiebout one of the first psychiatrists to describe alcoholism as a disease are seminal documents in the history treatment and understanding of alcoholism One of the first psychiatrists to describe alcoholism as a disease rather than a moral failing or criminal activity Harry M Tiebout was also one of the first to wholeheartedly endorse Alcoholics Anonymous as an effective force in the struggle against compulsive drinking This volume brings together for the first time some of Tiebout s most influential writings Many of these pieces from explorations of the therapeutic approach to alcoholism to instructive discussions of the act of surrender so crucial to recovery are seminal documents in the history treatment and understanding of alcoholism Together they represent the significant contribution of one man to the countless lives shaken by alcoholism and steadied with the help of Alcoholics Anonymous psychiatric intervention and the foresight and commitment of doctors like Harry Tiebout **Encyclopedia of Addictions**

Kathryn H. Hollen,2008-12-30 This two volume set contains frank and factual information about symptoms causes effects prevention and treatment of substance abuse alcohol nicotine and drugs and of behavioral addictions such as eating disorders pathological gambling and compulsive sexual activity Including the most up to date research the addiction entries are based largely on criteria established by the American Psychiatric Association in its Diagnostic and Statistical Manual of Mental Disorders Tracing the history of the debate over whether addiction is a choice or a disease the volumes explain how genetic and biological findings support the disease concept while lifestyle choices affect the course of the disease Graphics and discussions of the brain structures that support this self reinforcing mechanism illustrate why treatments that obstruct the pathway are showing such promise *This Strange Illness* Jared Lobdell,2004-01-01 This brilliant work both personal and professional in character is a study of alcoholism of a movement aimed at its cure and of an individual participant in this development The author develops an interlinked theory and scientific research program that describe an illness of the mind body and spirit He does so without allowing the assumptions underlying the way we look at one area of illness say the mind to contradict the assumptions underlying the way we look at the human body or for that matter the human spirit That Lobdell carries this project to a successful conclusion makes this a compelling work for everyone in the field of alcohol studies and social pathology Lobdell who has written on a broad range of subjects here argues the originality and importance of recognition of alcoholism as a tripartite illness and of congruent treatment for the three parts He thus accepts a medical view of this vast social problem but also recognizes dimensions within it that go beyond the ordinary limits of medical practice as well as the complexity of its treatment His book is at once an intellectual history of Bill W s vision a short history of alcohol addiction and the culture of that addiction a treatise on the psychological biochemical and spiritual aspects of the illness and its treatment and a scientific research program for the future Norman K Denzin of the University of Illinois has hailed the book as a wonderful story brought to a sophisticated readership and will widely appeal to the recovering population Matthew

J Raphael intimate with the subjects as well as the concerns of this book says This Strange Illness is an astounding book Jared Lobdell a brilliant polymath traverses a spectrum of disciplines from biogenetics and chaos theory to psychology sociology and theology in search of a sufficiently complex and comprehensive understanding alcoholism This is the most intellectually rigorous study I have ever seen in the field Jared C Lobdell is author or editor of a dozen books in history and criticism and a number of articles in fields ranging from alcohol studies to systems analysis He has served as a fellow at the Center for Alcoholism and Addiction Studies Brown University His current positions are at Millersville University of Pennsylvania and adjunct professor at Elizabethtown College in Pennsylvania *Bill W My First 40 Years*

Anonymous,2010-05-14 Told here for the first time in his own words is the story Bill W a man who for his part in founding Alcoholics Anonymous would be honored as one of the most important figures of the 20th century I was born to be exact in a hotel then known as Wilson House I was born perhaps rightly in a room just back of the old bar It was the beginning of a life that would change the lives of millions Told here for the first time in his own words is the story of the man who would come to be known as Bill W a man who for his part in founding the fellowship of Alcoholics Anonymous would be celebrated as one of the important figures of the twentieth century The terrifying darkness had become complete In agony of spirit I again thought of the cancer of alcoholism which had now consumed me in mind and spirit and soon the body But what of the Great Physician For a brief moment I suppose the last trace of my obstinacy was crushed out as the abyss yawned I remember saying to myself I ll do anything anything at all If there be a Great Physician I ll call on him Then with neither faith nor hope I cried out If there be a God let him show himself **12 Hidden Rewards of Making Amends** Allen Berger,2013-06-01

Popular recovery author Allen Berger PhD guides us in working three of the most challenging of the Twelve Steps to reap the abundant rewards of making amends Letting go of resentment and forgiving ourselves for our past wrongs are critical to recovery from alcohol and other drugs Yet Steps Eight Nine and Ten which focus on making amends can be some of the most challenging to work because we must face ourselves and those who we have hurt or damaged In 12 Hidden Rewards of Making Amends Allen Berger PhD uses the same supportive down to earth style as in his popular book 12 Stupid Things That Mess Up Recovery His creative tools and tips will help us let go of anger heal strained relationships and make financial and emotional restitution Through this transformative process we can recover and maintain integrity resolve or complete unfinished business restore trust self esteem and self confidence deepen our spirituality and peace of mind and reinforce a strong commitment to recovery By being accountable for our words and actions and moving forward with a compassionate and constructive approach to the world we decrease our chance of relapse and learn to maintain a healthy balanced life

America Anonymous Benoit Denizet-Lewis,2009-01-06 America Anonymous is the unforgettable story of eight men and women from around the country including a grandmother a college student a bodybuilder and a housewife struggling with addictions For nearly three years acclaimed journalist Benoit Denizet Lewis immersed himself in their lives as they battled

drug and alcohol abuse overeating and compulsive gambling and sexuality Alternating with their stories is Denizet Lewis s candid account of his own recovery from sexual addiction and his compelling examination of our culture of addiction where we obsessively search for new and innovative ways to escape the reality of the present moment and make ourselves feel better Addiction is arguably this country s biggest public health crisis triggering and exacerbating many of our most pressing social problems crime poverty skyrocketing health care costs and childhood abuse and neglect But while cancer and AIDS survivors have taken to the streets and to the halls of Congress demanding to be counted millions of addicts with successful long term recovery talk only to each other in the confines of anonymous Twelve Step meetings A notable exception is the addicted celebrity who often enters and exits rehab with great fanfare Through the riveting stories of Americans in various stages of recovery and relapse Denizet Lewis shines a spotlight on our most misunderstood health problem is addiction a brain disease A spiritual malady A moral failing and breaks through the shame and denial that still shape our cultural understanding of it and hamper our ability to treat it Are Americans more addicted than people in other countries or does it just seem that way Can food or sex be as addictive as alcohol and drugs And will we ever be able to treat addiction with a pill These are just a few of the questions Denizet Lewis explores during his remarkable journey inside the lives of men and women struggling to become or stay sober As the addicts in this book stumble fall and try again to make a different and better life Denizet Lewis records their struggles and his own with honesty and empathy *The Way* E. Stanley

Jones,2015-03-03 If we are to get a sparkle a buoyancy back into life we can get it only as we are sure we are on the Way says E Stanley Jones The Way God s Way is revealed in the life and teachings of Jesus Christ as well as in the structure of reality This practical volume leads step by step through the implications of the Way in every aspect of life It progresses through 52 topics with daily readings Scripture references and prayer A sequel to Victorious Living and Abundant Living The Way offers a positive solution for mental and spiritual confusion and guidance for a life filled with meaning **12 Smart**

Things to Do When the Booze and Drugs Are Gone Allen Berger,2010-09-08 The author of the classic 12 Stupid Things That Mess Up Recovery offers a fresh list of smart things to do to attain and sustain emotional sobriety Learn the attitudes and behaviors that are key to attaining and sustaining emotional sobriety and developing a deeper trust in the process of life Dr Allen Berger draws on the teachings of Bill W and psychotherapy pioneers to offer us twelve hallmarks of emotional sobriety These right actions help us develop the confidence to be accountable for our behavior to practice asking for what we want and need and to cultivate a deeper trust in the process of life Dr Berger s list of smart things includes understanding who you are and what s important to you learning not to take others reactions personally trusting your inner compass Through practicing these twelve things we find release from what Bill W described as an absolute dependence on people or circumstances Freed from the emotional immaturity that fueled our addictive personality and hurt ourselves and others we can develop the tools to find strength from within and continue our successful journey of recovery The Thirsty Addict

Papers Michael A. Hoffman, Dr.AD,2013-08 Dr Michael Hoffman wrote The Thirsty Addict Papers for the thousands of counselors searching for practical wisdom and how to instruction on enlivening spirituality in the delicate process of recovery This is the first book to apply the diverse fields of Jungian depth psychology Buddhist mindfulness practice mythology and folklore cognitive behavioral therapy and contemplative prayer to addiction The Twelve Steps of Alcoholics Anonymous opened the door now The Thirsty Addict Papers offers new knowledge for readers with open minds Stories of courage combine with stark clinical facts about struggles with sobriety and death from self destructive addiction As Dr Hoffman traces the roots of obsessive compulsive behavior back to their ancient origins The Thirsty Addict Papers provides a roadmap for expanding consciousness and enlivening the human soul It is a provocative psychological work and a must have reference for anyone struggling to find a way out of the nightmare of addiction *12 Stupid Things That Mess Up Recovery* Allen Berger,2009-06-03 Concise advice on hunting down the personal culprits that sabotage sobriety and personal happiness Concise advice on hunting down the personal culprits that sabotage sobriety and personal happiness To grow in recovery we must grow up emotionally This means getting honest with ourselves and facing up to the self defeating thoughts and actions that put our sobriety at risk Although there are as many ways to mess up recovery as there are alcoholics and addicts some general themes exist which include confusing self concern with selfishness not making amends using the program to try to become perfect not getting help for relationship troubles and believing that life should be easy In simple down to earth language Allen Berger explores the twelve most commonly confronted beliefs and attitudes that can sabotage recovery He then provides tools for working through these problems in daily life This useful guide offers fresh perspectives on how the process of change begins with basic self awareness and a commitment to working a daily program **12 More Stupid Things That Mess Up Recovery** Allen Berger,2016-06-14 Whether you are facing relapse learning to overcoming complacency or taking responsibility for your feelings and actions this book will equip you to overcome some of the most common relapse hazards you may encounter on your path to long term recovery This book gives you the tools you need to work through twelve pitfalls that you are likely to encounter on your path to long term recovery Whether you are facing relapse learning to overcoming complacency or take responsibility for your feelings and actions this book will equip you to overcome some of the most common relapse hazards Recovery from addiction is often compared to a journey where you meet new people rejuvenate your mind body and spirit and learn new things about yourself that give you hope for the future But like all journeys there are also pitfalls that can jeopardize your sobriety With his popular book 12 Stupid Things That Mess Up Recovery Allen Berger has shown many people how to confront self defeating thoughts and behaviors that can sabotage their sobriety In this sequel Allen gives you the tools you need to work through twelve pitfalls that you are likely to encounter on your path to long term recovery Whether you are facing relapse learning to overcome complacency or taking responsibility for your feelings and actions this book will equip you to overcome some of the most common relapse hazards as

you make your trek along the Road of Happy Destiny 12 Stupid Things That Mess Up Recovery & 12 Smart Things to Do When the Booze an Allen Berger,2010-11-17 A bundle of two ebooks by recovery expert Dr Allen Berger to help you avoid pitfalls and be proactive in your recovery journey 12 Stupid Things That Mess Up Recovery contains concise advice on hunting down the personal culprits that sabotage sobriety and personal happiness To grow in recovery we must grow up emotionally This means getting honest with ourselves and facing up to the self defeating thoughts and actions that put our sobriety at risk Although there are as many ways to mess up recovery as there are alcoholics and addicts some general themes exist which include confusing self concern with selfishness not making amends using the program to try to become perfect not getting help for relationship troubles and believing that life should be easy In simple down to earth language Allen Berger explores the twelve most commonly confronted beliefs and attitudes that can sabotage recovery He then provides tools for working through these problems in daily life 12 Smart Things to Do When the Booze and Drugs Are Gone offers a fresh list of smart things to do to attain and sustain emotional sobriety Whether it s called dry drunk or white knuckle sobriety it s that stage in recovery when we realize that putting the plug in the jug isn t enough The next step is taking responsibility for the emotional immaturity that fuels our addictive personality and has a tremendous impact on ourselves and others These smart things include understanding who you are and what s important to you learning not to take others reactions personally trusting your inner compass and taking responsibility for your reactions to problematic situations **A Grammar of Holy Mystery** Larry Hart,2023-03-10 A Grammar of Holy Mystery is about Christian spirituality It is about mysticism as a firsthand encounter with the presence of God unfathomable unnamable mysterious fulfilling It is about classical Christianity the way of transforming truth found in Christ taught in Scripture lived by saints sages and mystics and passed on as a sacred trust through the centuries Being neither liberal nor conservative but simply Christian it is ecumenical in spirit For those traumatized by harsh or shallow churches A Grammar of Holy Mystery points the way out and shows the way to a faith that renews the mind restores the spirit and gladdens the heart **Alcoholism Treatment Rebirth** Kenneth Anderson,2025-03-30 This book covers the alcoholism treatment facilities established between the Repeal of Prohibition in 1933 and 1956 when it is erroneously believed that the American Medical Association declared alcoholism to be a disease This book blows out of the water the myths that AA invented the disease theory that Hazelden invented treatment that everyone flocked to Hazelden to learn how to do treatment and that AA convinced the American Medical Association to declare alcoholism to be a disease This book shows how the scholars at Yale University created a coast to coast science based alcoholism treatment industry in the 1940s and 1950s This book further demonstrates how Hazelden and its close ally the Johnson Institute hijacked this science based alcoholism treatment industry in the 1960s and 1970s and replaced it with one based on mysticism and faith healing These are the events which have led to the current divorce of addiction treatment from addiction science This book also chronicles the rebirth of pre Prohibition secret aversion treatments in the hands of new

entrepreneurs such as HALCO Laboratories and the Samaritan Institutions and shows how Shadel Sanitarium turned these nostrums into legitimate scientific medicine This book also covers the Salvation Army Volunteers of America and other faith based programs Finally this book shows how AA groups set up AA indoctrination programs in general hospitals throughout the country starting in the 1930s Kenneth Anderson is an extremely important voice on addiction penetrating original and deeply wise Johann Hari author of Chasing the Scream
