Harvest Of Innocence:

A Harvest of Innocence Dan Stidham, Tom McCarthy, 2023 A Harvest of Innocence is my story until now untold regarding my involvement in the West Memphis 3 murder case I stepped into its current as a young lawyer unaware of its strength and the immutable unpredictable eddies that would forever change my life and my view of the law I tell it now because it must be told I have spent most of the past 30 years viewed in widely disparate lights In the beginning to some I was a pariah a man so bold as to represent a teenager accused of being a Satanic child killer Much later others began to respect my efforts in seeking justice for Jessie Misskelley In the real world it is much more complicated than that I was nothing more than a lawyer committed to doing my job what was required of me by my moral compass As a reward for my efforts I spent a good deal of the past 30 years being pummeled by those hellbent on stopping my quest for justice for the West Memphis 3 young men who spent nearly two decades in prison for heinous crimes they simply did not commit This is the true story of those events

Taken Melody Grace Hicks, 2025-02-10 After being captured by the Wild Hunt this mortal scientist turned goddess doesn't wait for her prince to rescue her Shannon's not some helpless princess in a damn tower She'll save herself and her unborn son But not even a goddess can create energy from nothing When Loki's worst fear comes true Asgard's Black Prince will stop at nothing to rescue his pregnant consort and soulmate Yet not even the threat of Asgard's forces looming in the skies over Alfheim can force the Unseelie Winter Realm elves to return Shannon when she's disappeared from her cell Nightmares of his past haunt Loki as he searches for her He'll do anything to find her before she gives birth A feisty new Elven goddess Shannon isn't the type to wait for rescue On a strange planet with her soulmate bond muted by a Dwarven iron cuff she's surrounded by enemies and doesn't know who to trust Less than thirteen weeks remain in her pregnancy and the Fates don't play fair She must rely on her wits and limited dwindling energy resources that are critical for her and her child's survival Yet the cost to save her son may be more than her heart can bear Some truths are hard to swallow Even for a scientist turned goddess some laws of the universe can't be fought If you enjoy Nalini Singh Sarah J Maas or Christine Feehan you won't be able to put down this series Don't miss out on this harrowing second book of the Triquetra Prophecy within the Gods Among Us universe
