The Nursery Szilvia Molnar, 2023-03-21 I m obsessed with this novel Jessamine Chan author of The School for Good Mothers A NEW YORK TIMES NOTABLE BOOK OF THE YEAR 2023 AN UNFORGETTABLE NOVEL ABOUT MATERNAL FEAR AND THE MYTH OF IDYLLIC EARLY MOTHERHOOD The baby I hold in my arms is a leech let s call her Button Button is crying There is a before and there is an after In her cramped New York apartment a mother wilts beneath the intense August heat struggling to adapt to her role as the silent interpreter of her newborn baby s needs She is not the first woman to give birth to hold and carry and soothe and cradle But the walls of her home seem to press ever closer as she balances on the fragile tightrope between maternal instinct and the longing for all she has left behind A lifeline emerges in the unexpected form of Peter her ailing upstairs neighbour who hushes the baby with his oxygen tank in tow They are both confined to this oppressive apartment building and they are both running out of time Something is soon to crack In this mesmerizing portrait of the first days of motherhood Szilvia Molnar lays bare the strength it takes to redefine who you are rediscovering the simple pleasures of life along the way I was blown away by this book At once somber and joyfully and earnest nimble and painstaking perverse and profoundly invigorating Lydia Kiesling award winning author of The Golden State

Shikha,2021-10-07 We the Mothers are superhumans born on this planet We nurture a new life within ourselves and then nurture a brand new human being throughout our life It is often said that God cannot be everywhere and so he created mothers A mother embodies love sacrifice patience and strength in one person While raising our child we symbolize a blend of passionate sentiments careful behavior and beautiful sacrifice We begin our journey of hope the moment the child makes his or her presence known in our womb From then on we take each step slowly carefully and cautiously with the sole purpose of safeguarding our young one who is more valuable to us than anything else We are fearless and dare to take on the entire world to protect our children We exude the purest kind of love and take any humiliation in stride forgiving continually and silently enduring the anguish of rejection while returning the warm grin of affection no matter how much we are hurt We may not be singers but our lullabies are the sweetest we may not be chefs but no meal can compare to the deliciousness of what we cook we may not be teachers but the life lessons we deliver are unparalleled
