Hating Women Americas Hostile Campaign Against The Fairer Sex:

Hating Women Shmuley Boteach, 2009-10-13 From the author of the internationally bestselling *Kosher Sex* A wake up call about the growing trend of misogyny in our culture as evidenced by the flood of reality TV shows ads and lyrics that portray women as brainless bimbos or worse Shmuley Boteach the social commentator and outspoken relationship guru shares his grave concerns about our society's growing contempt for women Turn on the television Reality TV shows such as *The Bachelor* *For Love or Money* and *Average Joe* boost their ratings by showing attractive women in competition for one man one man's money or both On a quest for true love these women quickly devolve into a pit of vipers and millions of Americans tune in each week for more During commercial breaks women are objectified to sell beer cars and every other product under the sun Flip on the radio Women are bitches hos and gold diggers at least if you listen to the rap lyrics pumping out into our mass consciousness And female pop stars like Britney and Madonna says Boteach have pushed the envelope past provocative and into the downright pornographic Tween girls across the country follow their lead and standards for how women should be treated plummet Perhaps one of the most troubling aspects of this trend he says is women's complicity in their own degradation Either they've become resigned to base stereotypes or worse they've bought into these mass market values hence the deluge of shows like *The Swan* and *Extreme Makeover* on which female contestants insist they need a new nose teeth or boobs to feel a positive sense of self esteem There are strong consequences writes Boteach in a world where men have no respect for women and women have no respect for themselves Greedy gold diggers brainless bimbos publicity prostitutes and backstabbing bitches are these the stereotypes we want our sons and daughters bombarded by as they grow up **Hating Women** offers a vision of how we can correct this downward spiral along with a strong argument for why we absolutely must

Hating Women Shmuel Boteach, 2005 Boteach envisions a way to correct this downward spiral which he sees as far more than just a feminist issue Now is the time he says for men to start respecting women and for women to start respecting themselves Women must band together and fight back for their rightful place of honor For anyone who has ever wondered where our popular culture is taking us **Hating Women** is at once a social commentary and a call for change Jacket
