Haunted True Tales Of Niagara:

Haunted Michelle Ann Kratts, 2014-10-05 Haunted contains true never before published histories and photographs of haunted locations in the beautiful Niagara area as witnessed by the homeowners and locals themselves [Haunted Canada](#)

7: Chilling True Tales Joel A. Sutherland, 2017-04-25 The seventh book in the bestselling series of spooky true Canadian stories read it with the lights on In this terrifying collection of all new haunted stories author Joel A Sutherland has put together the creepiest most bone chilling tales from coast to coast including A river wraith that kills anyone who sets eyes upon it in Stony Rapids Saskatchewan The ghost of a boy who plays pranks and terrifies theatre staff in the basement of the Centaur Theatre in Montreal Quebec Supernatural inexplicable encounters in deserted hallways and empty holding cells at Old City Hall in Toronto Ontario Moody black and white illustrations and archival photos throughout are sure to shock even the most cynical readers into believers

True Tales of the Paranormal Kimberly Molto, 2002-09-01 There are things in this world that we cannot explain and occurrences that make us ponder the very nature of our existence True Tales of the Paranormal is an intriguing examination of reincarnation premonitions and other spooky inexplicables from a scientific perspective exploring modern scientific theories and current research The author also provides suggestions on how to deal with paranormal experiences and where to go for help and information Even readers who have never had psychic experiences will be drawn into the lives of those who have and will be left questioning the world as we know it

Bridges: A Tale of Niagara dk LeVick, 2011-03-15 When a faded picture from a by gone era sets in motion a perilous quest for five young men they not only encounter harrowing danger in the forbidden historical laden Niagara Gorge but are forced to confront the swirling illusions of the world they knew changing their lives forever The day we decided to go down into the gorge of Niagara Fallsto walk on the ice bridgehad started out normal enough but quickly showed itself as anything but normal Living in the City of Niagara Falls in the early 1960s winters were simple for teenagers like snowball fights and warm ups at Ol Gordys general store arguing about his wall of pictures Its become a ritualsipping Cokes while studying the old photographs listening to Ol Gordys tales of adventure from long ago Ol Gordy was obsessed with Niagara and talked about it with anyone who would listenand with those who wouldnt too He knew everything there was to know about the Falls especially from back in those old days and he steered every discussion back to the times represented by those old dusty pictures An ice ball to Kevins face coupled with one picture in particular sets them off on a journey to stand on the ice bridge of Niagara Falls despite or perhaps because of Ol Gordy warnings that its not only extremely dangerous but against the law The ice bridge of Niagara Falls steeped in history fraught with tragedy challenged by daredevils bootleggers and tourists alike lures them from the world they know down into the mysterious Niagara Gorge in the dead of winter As in a time machine they enter an exhilarating world of massive ice sculptors impassable rapids and unassailable walls of ice After a face to face encounter with the mighty Niagara Falls itself from the bottom up they find themselves in a rush to avoid being

rescued while facing a series of life and death struggles with a Niagara they never knew existed Peeling back time we meet the hermit who lived on the Falls and who achieved his quest to become one with it we experience the day the Falls stopped and explore a riverbed never before exposed to human footprints until the water returns in a frenzy through the eyes of a runaway girl we witness the cruelty of slavery as she rides the Underground Railroad with her mammy and pappy paying the fare to ride that train to freedom and we feel the deception and hatred clashing between cultures when the path of a British drummer boy converges with that of an Iroquois brave at the Devils Hole massacre on the top of the escarpment Bridges is much more than a simple tale of camaraderie and teenage exploits Author d k LeVick creates a fascinating and engaging tale that is rich in both historical fact and ingenious fiction as he weaves stories of long ago bringing together a series of unique historical events in a twist of mystery and revelation with the group of 1962 teenagers caught up in the complexities of a changing world around them LeVicks narrative is so evocative that you will feel youre along on the various expeditions his attention to detail is so precise that you might just hear the ice crack and feel a tremor beneath your feet Bridges takes you on a kaleidoscope journey of adventure and history exploring the questions confronting people of all ages through all times

Eerie Whispers Brian Baker,2025-09-30 Why are Canadians afraid of ghosts Canada s paranormal roots run deep We tell ghost stories around flickering campfires and share unexplained encounters with family and friends Yet our polite risk averse nation often buries these experiences rarely encouraging them in the places we live or in our arts and entertainment Fear of stigma and discomfort with the unknown especially death keep the supernatural in the shadows We allow only flirtations with ghosts ghouls and goblins mostly at Halloween Eerie Whispers explores Canada s haunted history drawing from the diverse folklore of its immigrant communities and the traditional stories of Indigenous Peoples It asks why Canadians unlike Americans or the British are reluctant to celebrate this part of our culture Brian Baker encourages us to embrace the uncanny and find the courage needed to amplify our nation s supernatural voice

The Mysterious Hands at Gargas: A 15-Minute Strange But True Tale Caitlind L. Alexander, It happened in 1887 in the south of France A now unknown man was exploring the hills near the town of Saint Gaudens He was only 25 miles 40 km from the border of Spain in an area with lots of caves nestled into the soft rock and steep cliffs Suddenly he came upon an opening in the rock He pushed aside the bush covering the hole and looked into a long tunnel The man decided to explore the cave He lit a torch and slowly made his way forward Inside he found a number of passageways and caverns Find out what he found deep in the caves in this strange but true tale Ages 8 and up Educational Versions have activities to meet Common Core Curriculum Standards LearningIsland com believes in the value of children practicing reading for 15 minutes every day Our 15 Minute Books give children lots of fun exciting choices to read from classic stories to mysteries to books of knowledge Many books are appropriate for hi lo readers Open the world of reading to a child by having them read for 15 minutes a day

The American Story: 100 True Tales from American History Jennifer Armstrong,2006-08-22 American history comes alive in these 100 true stories that

define our country This magnificent treasury tells the story of America through 100 true tales Some are tales of triumph the midnight ride of Paul Revere the Wright brothers taking to the air Neil Armstrong s first steps on the moon Some are tales of tragedy the fate of the Donner Party the great fire in Chicago the eruption of Mount Saint Helens There are stories of inventors and athletes and abolitionists and artists Stories about struggling for freedom again and again in so many ways With full color illustrations on nearly every page and short exciting stories this book is perfect for browsing by the entire family Notes at the end of each story direct readers to related stories And a guide to thematic story arcs offers readers and teachers an easy way to follow their particular interests throughout the book A treasure trove of a book that belongs in every home This lively and engaging collection of stories recounting American history is a wonderful gift not only to the children of this country but also their parents I can t wait to share it with my grandchildren Tom Brokaw **Haunted Hamilton** Mark Leslie,2012-08-04 2013 Hamilton Arts Council Literary Award Shortlisted Nonfiction Hamilton Ontario may seem just like any other city but a haunted past is hidden beneath it From the Hermitage ruins to Dundurn Castle from the Customs House to Stoney Creek Battlefield Park the city of Hamilton Ontario is steeped in a rich history and culture But beneath the surface of the Steel City there dwells a darker heart from the shadows of yesteryear arise the unexplainable the bizarre and the chilling Lock the doors and turn on all the lights before you settle down with this book because once you begin to read about the supernatural elements that lurk within this seemingly normal city in Southern Ontario strange bumps in the night will take on new more sinister meanings Prepare to be thrilled and chilled with this collection of tales compiled from historical documents first person accounts and the files of the paranormal group Haunted Hamilton which has been investigating and celebrating Hamilton s historic haunted past since 1999 **Haunted Canada 6** Joel A. Sutherland,2016 The sixth book in the bestselling series of hauntingly true Canadian stories back and scarier than ever For his brand new story collection author Joel A Sutherland has scoured the country for more creepy and chilling tales Get underneath the covers because between these book covers are stories about a supernatural sea hag that haunts Dobbin s Gardens marsh on Bell Island Newfoundland and Labrador a used book from a Barrie Ontario book shop that conjures up a ghostly figure that accompanies the buyer home a haunted playground at St Ignatius School in Winnipeg Manitoba With moody black and white illustrations and archival photos throughout this collection is perfect for those who like a frightfully good read **American Myths, Legends, and Tall Tales** Christopher R. Fee,Jeffrey B. Webb,2016-08-29 A fascinating survey of the entire history of tall tales folklore and mythology in the United States from earliest times to the present including stories and myths from the modern era that have become an essential part of contemporary popular culture Folklore has been a part of American culture for as long as humans have inhabited North America and increasingly formed an intrinsic part of American culture as diverse peoples from Europe Africa Asia and Oceania arrived In modern times folklore and tall tales experienced a rejuvenation with the emergence of urban legends and the growing popularity of science fiction and conspiracy theories with mass media such

as comic books television and films contributing to the retelling of old myths This multi volume encyclopedia will teach readers the central myths and legends that have formed American culture since its earliest years of settlement Its entries provide a fascinating glimpse into the collective American imagination over the past 400 years through the stories that have shaped it Organized alphabetically the coverage includes Native American creation myths tall tales like George Washington chopping down his father s cherry tree and the adventures of King of the Wild Frontier Davy Crockett through to today s urban myths Each entry explains the myth or legend and its importance and provides detailed information about the people and events involved Each entry also includes a short bibliography that will direct students or interested general readers toward other sources for further investigation Special attention is paid to African American folklore Asian American folklore and the folklore of other traditions that are often overlooked or marginalized in other studies of the topic
