Have Fun Anna Hibiscus:

Have Fun, Anna Hibiscus Atinuke, 2013-04-15 **Go Well, Anna Hibiscus!** Atinuke, 2024-11-19 The spirited Anna Hibiscus leaves the city to visit her grandparents remote village in this sixth adventure in the well loved series set in contemporary West Africa Anna Hibiscus lives in Africa Amazing Africa in a country called Nigeria in a city called Lagos Anna is going with her family and grandfather on a trip to the village where her grandparents used to live to stay in a house that has long been in their family The city travelers ride on a packed sweaty bus through the rainforest through dusty scrubland and through fields of bananas and oranges and sugarcane When the bus lets them off the village is still a long walk away through the bush Anna has never been to the bush before there is no road no running water and no electricity There is plenty to learn and friends to make too as Anna s escapades continue in this charming series from Atinuke and Lauren Tobia

Merry Christmas, Anna Hibiscus! Atinuke, 2023-09-26 When Anna leaves her family home in Africa to visit her Canadian grandmother she discovers how resilient she can be in this fourth collection of stories from Atinuke s beloved series Anna Hibiscus has never been away from her big white house in Nigeria where baby brothers many cousins parents aunties uncles and grandparents are always nearby But now she s flying overseas on her own to visit Granny Canada and see snow for the first time When she lands at the airport Anna finds herself amid a sea of white faces in a place that is breathtakingly cold Canada is very different but Anna learns how to pull on toasty layers of clothing warms up to Granny s large dog who does not live in a pack and bite people hones her new talent for sledding and celebrates cozy Christmas rituals all while keenly missing her cousins Told with warmth and humor and illustrated in delightful detail this tale of finding family and belonging far away from home will resonate with every child who s had to navigate an unfamiliar place *The Early Reader in Children's Literature and Culture* Jennifer Miskec, Annette Wannamaker, 2015-12-22 This is the first volume to consider the popular literary category of Early Readers books written and designed for children who are just beginning to read independently It argues that Early Readers deserve more scholarly attention and careful thought because they are for many younger readers their first opportunity to engage with a work of literature on their own to feel a sense of mastery over a text and to experience pleasure from the act of reading independently Using interdisciplinary approaches that draw upon and synthesize research being done in education child psychology sociology cultural studies and children s literature the volume visits Early Readers from a variety of angles as teaching tools as cultural artifacts that shape cultural and individual subjectivity as mass produced products sold to a niche market of parents educators and young children and as aesthetic objects works of literature and art with specific conventions Examining the reasons such books are so popular with young readers as well as the reasons that some adults challenge and censor them the volume considers the ways Early Readers contribute to the construction of younger children as readers thinkers consumers and as gendered raced classed subjects It also addresses children s texts that have been translated and sold around the globe examining them as part of an

increasingly transnational children's media culture that may add to or supplant regional ethnic and national children's literatures and cultures. While this collection focuses mostly on books written in English and often aimed at children living in the US, it is important to acknowledge that these Early Readers are a major US cultural export influencing the reading habits and development of children across the globe.

Welcome Home, Anna Hibiscus! Atinuke, 2023-09-26 Back in Africa after a month's visit with Granny Canada, Anna Hibiscus finds that some things are different but her home is just as full of love in this fifth warm and funny chapter book adventure. When Anna Hibiscus returns to her big house in Nigeria after visiting her Canadian grandmother, it seems like so much has changed. Her baby brothers Double and Trouble have learned to run while Grandfather looks older and smaller. Anna had been nervous about going to Canada where everything was new and strange, but she didn't expect coming home to be difficult too. What if her family doesn't love her as much as before? Meanwhile, the household hen has hatched all but one egg which Anna keeps warm until a white ball of fluff appears right in her hand. She names her now constant companion Snow White, but the chick wreaks havoc wherever it goes. How can Anna possibly keep it out of trouble? Luckily, a surprise arrives at the compound to take Anna's mind off her troubles: a visitor who's come all the way from Canada.

Hooray for Anna Hibiscus! Atinuke, 2023-01-10 Join Anna Hibiscus and her big bustling family in the second of Atinuke's engaging illustrated chapter book series set in modern Nigeria. Anna Hibiscus lives in Africa, amazing Africa. She's surrounded by so many family members she can't count them in a wonderful old house with a garden in a compound in a big city. Follow Anna as she worries about singing a solo for a visiting president, runs away to escape hair braiding day, and gets in a terrible tangle. She enjoys the candles and hide-and-seek games on nights when the electricity goes out and hates the new noisy generator. She has an eye-opening visit to the other side of the city where she learns about spontaneous generosity. Says School Library Journal: Atinuke manages to balance the contemporary and the traditional with ease; a talent that combined with Lauren Tobia's expressive illustrations will leave readers rapt and have them looking forward to Anna's next adventures.

Love from Anna Hibiscus! Atinuke, 2025-01-07 In the penultimate book in the series, Anna proves what a good friend she can be. Anna Hibiscus is on holiday with Grandmother and Grandfather in the village where they were born. She befriends the local children there and teaches them their ABCs and 123s. When Anna goes to market one day and a boy steals a banana from her, she runs after him. It turns out that the boy is poor and lives alone. Anna and Sunny Belafonte become friends, and when Sunny is taken ill, it is Anna who makes sure he gets the medical help he needs. Happily, Grandfather invites Sunny Belafonte to live with them and be part of their family.
