Having The Talk The Four Keys To Your Parents Safe Retirement:

Having the Talk Jack Tatar, 2013-01-22 Have you had the talk yet No this isn't the one you have with your kids about sex hoping you actually know more than they do This talk is the one adult children have with their parents about their parents retirement and aging and such concerns as medical proxies healthcare and estate planning wills trusts and the fact that 70% of people over age 65 will require some form of long term care This book focuses on the talk and incorporates Jack Tatar's innovative Four Keys approach to a safe retirement By following Jack's game plan laid out in his book you will understand What the talk is and why it's important to have it earlier rather than later How to start the talk with your parents and use talking points to keep them engaged What to discuss during the talk ensuring that all the important topics and details are covered How to create maintain and review a financial plan for retirement The latest up to date information on health matters pertaining to retirees How to maintain a positive attitude in retirement How to create an effective social structure and network for retirees The talk is often not a single discussion but rather something that's ongoing and detailed It will help create a safe retirement for your parents and peace of mind for your entire family It will also provide adult children with the understanding they'll need when considering their own retirement and an appreciation of the value and importance of having this talk with their own children Like Jack's previous books *Safe 4 Retirement* *The Four Keys to a Safe Retirement* and *The 10 Joys of a Safe Retirement* this new book will change the way you think about retirement The talk will bring families together so that they stay together

When Roles Reverse Jim Comer, 2006-08-15 The answers you need the personal been there advice you can trust After his father suffered a massive stroke and his mother was diagnosed with Alzheimer's Jim Comer found himself an overnight parent at the age of 51 When he walked into his father's hospital room everyone looked to him as the man who knew all the answers He soon realized he didn't even know the questions In ten years of caregiving Comer has not only learned the questions he has lived them and with *When Roles Reverse* he shares his hard won answers He learned to deal with hospitals insurance companies rehab centers his father's deafness and his mother's dementia Through it all Jim has kept his sanity and sense of humor in the process forging a deeper more intimate relationship with his parents With laugh out loud humor Jim deals with improvisational moments for which there is no preparation You find three gallons of Scotch in your dad's retirement home closet Your Mother refuses to leave her home of 34 years and can only be coaxed into the car with promises of ice cream At a crowded Sunday dinner table your father announces that he wants you to give him an enema after lunch And offers personal experience and expert insight on the many issues it's absolutely essential to plan for such as Wills powers of attorney and other legal documents every family needs Which siblings will be there when your parents need them Selecting a first rate care facility and getting long term care insurance New Medicaid guidelines and how to qualify Hospice care and end of life decisions *When Roles Reverse* even includes *Fifty Questions* that will save you Time Money and Tears a special section designed to help families initiate vital communication and prepare for the crises
