Keep Your Greek Strategies For Busy People:

Keep Your Greek Constantine R. Campbell, 2010-12-21 Ten techniques for keeping your knowledge of Greek fresh long after college. Seminarians spend countless hours mastering biblical languages and learning how the knowledge of them illuminates the reading, understanding, and application of Scripture. But while excellent language acquisition resources abound, few really teach students how to maintain their use of Greek for the long term. Consequently, many pastors and other former Greek students find that under the pressures of work, ministry, preaching, and life, their hard-earned Greek skills begin to disappear. Constantine Campbell has been counseling one-time Greek students for years, teaching them how to keep their language facility for the benefit of their ministry. In *Keep Your Greek*, he shows how following the right principles makes it possible for many to retain and in some cases regain their Greek language skills. In *Keep Your Greek*, you will acquire strategies such as: How to wisely use Bible software tools so that you don't become dependent on them; How different methods of reading practices can assist your memory and keep you from becoming discouraged; How to make time to keep up on your language skills for the sake of your busy ministry. Pastors will find *Keep Your Greek* an encouraging and practical guide to strengthening their Greek abilities. Current students will learn how to build skills that will serve them well once they complete their formal language instruction. Losing a skill or knowledge set is always discouraging, but with a little guidance, you can dust off your Greek and continue making linguistic insights a regular part of your study and teaching. [Devotions](#)

[on the Greek New Testament](#) Zondervan, 2017-05-23 Fifty-two short devotions based on passages from the Greek New Testament written by some of the top Greek scholars of today. The main point each devotion offers comes from a careful reading and study of the passage in the Greek New Testament, not from the English Bible. The authors use a variety of exegetical approaches in their devotions: grammatical, lexical, rhetorical, sociohistorical, linguistic, etc. Some insights focus on particular words and their role in the passage, while others highlight background studies or provide a theological reading of the passage. Each devotion draws students into translating a short passage and pursuing an understanding of why this or that insight matters for their lives and ministries. *Devotions on the Greek New Testament* encourages professors, students, and pastors alike to continue to use their Greek Bibles beyond their seminary years. Celebrated contributors include Scot McKnight, Daniel B. Wallace, Craig L. Blomberg, Mark Strauss, William D. Mounce. *Devotions on the Greek New Testament* can be used as a weekly personal devotional or as a supplemental resource throughout a semester or sequence of courses.

Devotions on the Greek New Testament, Volume Two Paul Norman Jackson, 2017-10-31 *Devotions on the Greek New Testament Volume Two* contains an entirely new set of 52 devotions written by over 25 of today's best biblical language scholars. Contributors include Christopher Beetham, Jeannine K. Brown, Peter H. Davids, David A. DeSilva, J. Scott Duvall, Nijay Gupta, Frederick J. Long, David W. Pao, Anthony C. Thiselton, Cindy Long Westfall, and many more. The main point of each devotion in *Devotions on the Greek New Testament Volume Two* comes from a careful reading of the passage in the Greek

New Testament not from an English translation The authors use a variety of exegetical approaches in their devotions including grammatical lexical rhetorical sociohistorical and linguistic and each devotion closes with a practical application or spiritual reflection Devotions on the Greek New Testament Volume Two contains a devotion on every book in the New Testament and can be used as a weekly devotional or as a supplemental resource throughout a semester or sequence of courses These devotions will inspire you to keep reading and meditating on the Scriptures and find new treasures from the biblical text X

Advances in the Study of Greek Constantine R. Campbell, 2015-07-28 Advances in the Study of Greek offers an introduction to issues of interest in the current world of Greek scholarship Those within Greek scholarship will welcome this book as a tool that puts students pastors professors and commentators firmly in touch with what is going on in Greek studies Those outside Greek scholarship will warmly receive Advances in the Study of Greek as a resource to get themselves up to speed in Greek studies Free of technical linguistic jargon the scholarship contained within is highly accessible to outsiders Advances in the Study of Greek provides an accessible introduction for students pastors professors and commentators to understand the current issues of interest in this period of paradigm shift

A Book-by-book Guide to New Testament Greek Vocabulary Christopher Fresch, 2019-01-01 A Book by Book Guide to New Testament Greek Vocabulary is intended to help students pastors and professors who wish to read a particular book of the Bible in its original language to master the vocabulary that occurs most frequently in the book in question In contrast to typical Hebrew and Greek vocabulary guides which present vocabulary words based on their frequency in the Hebrew Bible or New Testament as a whole this book presents vocabulary words based on their frequency in individual New Testament books thus allowing readers to understand and engage with the text of a particular book easily and quickly The book also includes an appendix listing difficult principal parts for selected verbs that occur in the vocabulary lists and providing other advanced notes for additional words in the lists
