The African-American Experience in Nineteenth-Century Connecticut Theresa Vara-Dannen, 2014-03-06 The African American Experience in Nineteenth Century Connecticut examines and analyzes the African American experience in Connecticut as it was through primary sources Theresa Vara Dannen analyzes the language of real nineteenth century Americans expressing the complexity of their thoughts and feelings about the racial issues of their times in a small state with very small communities of people of color This book highlights the attitudes of ordinary people whose voices emerged sometimes heroically through their daily newspapers The meshing of these voices regarding their race related experiences
