

KEEPING WATCH

The book cover is a dense, black and white woodcut-style illustration. It features a complex arrangement of interlocking gears of various sizes. Several clock faces are integrated into the design: one in the upper left, one in the lower right, and one on a building facade in the lower right. A man wearing a fedora and a dark suit is depicted in the middle left, looking towards the viewer. The overall composition is intricate and mechanical, reflecting the book's theme of time and industry.
