Local Heroes The Political Economy Of Russian Regional Governance

Tulia G. Falleti

Local Heroes The Political Economy Of Russian Regional Governance:

Local Heroes Kathryn Stoner, Kathryn Stoner-Weiss, 2002-05-05 In *Local Heroes* Kathryn Stoner Weiss analyzes a crucial aspect of one of the great dramas of modern times the reconstitution of the Russian polity and economy after more than seventy years of communist rule This is the first book to look comprehensively and systematically at Russia's democratic transition at the local level Its goal is to explain why some of the new political institutions in the Russian provinces weathered the monumental changes of the early 1990s better than others Using newly available economic political and sociological data to test various theories of democratization and institutional performance Stoner Weiss finds that traditional theories are unable to explain variations in regional government performance in Russia *Local Heroes* argues that the legacy of the former economic system influenced the operation of new political institutions in important and often unexpected ways Past institutional structures specifically the concentration of the regional economy promoted the formation of political and economic coalitions within a new proto democratic institutional framework These coalitions have had positive effects on governmental performance For democratic theorists this may be a surprising conclusion However it is possible as Stoner Weiss suggests that the needs of democratic development may be different in the short run than in the long run The local heroes of today may be impediments to the further development of democracy tomorrow This provocative work solidly grounded in research and theory will interest anyone concerned with issues of economic and political transition

The Political Economy of Post-Soviet Russia V. Tikhomirov, 2000-05-15 This book deals with general political and economic developments that took place in Russia since the collapse of the Soviet Union The major aim of the book is to analyse successes and failures of Russian reform attempts as well as their effect on the development of Russian regions particularly from the point of view of interrelation between socio economic tendencies and political developments Analysis concentrates on both national dynamics and dynamics of development in three main groups of regions mining agricultural and manufacturing

The Politics of Local Government in Russia Alfred B. Evans, Vladimir Gel'man, 2004-06-03 According to the Constitution of the Russian Federation adopted in 1993 local autonomy is one of the fundamental principles of the constitutional system *The Politics of Local Government in Russia* aims to provide a dedicated and comprehensive discussion of the pursuit of local self government in contemporary Russia where local refers to the third tier of government beyond federal and regional governments Some of the ablest scholars in the field focus on the existing institutional and social climate for municipal and district level government in Russia while placing recent reforms in a comparative and historical perspective

Regional politics in Russia Cameron Ross, 2024-06-04 This innovative multi contributed book now available in paperback argues convincingly that Russia will never be able to create a viable democracy as long as authoritarian regimes are able to flourish in the regions The main themes covered are democratisation at the regional level and the problems faced by the federal states in forging viable democratic institutions in what is now a highly asymmetrical

Federation A major strength of the book lies in its combination of thematic chapters with case studies of particular regions and republics Very little has been published to date on the actual processes of democratisation in particular republics and regions The book takes into account the literature available on the new institutionalism and outlines the importance of institutions in developing and maintaining democracy It looks at the importance of sovereignty federalism and democratic order and considers the distinct problems of party building in Russia s regions Electoral politics are also considered fully before the book goes on to consider the whole issue of regional politics and democratisation in five particular areas of Russia Novgorod the Komi Republic Russia s Far East Tatarstan and Bashkortostan The authors the majority of whom are internationally recognised experts in their field have been drawn from Britain the USA Russia and Germany giving the book a truly global perspective

Shadow Separatism Matthew Crosston, 2019-06-04 Originally published in 2004 Examining autonomy in the Russian Federation Matthew Crosston ascertains how the regional use of bilateral autonomy treaties has influenced the long term stability legitimacy and efficacy of the state The study challenges some long accepted conclusions about democratization and the devolution of power advancing into new international arenas Riker and Dahl s relatively ignored theoretical concerns that decentralized federations are ineffective and disintegrative while centralized federations are consolidating Scholars of Russian politics democratization ethnic conflict comparative intergovernmental relations and development will find this book particularly stimulating

Crafting Democracy Nicolai N. Petro, 2004 Shifting the focus Culture myth and symbols

MNCs in Global Politics John Mikler, Karsten Ronit, 2020-12-25 This authoritative book examines the power of multinational corporations MNCs to exert influence in global politics Focusing on the actions and motivations of MNCs it explores how they attempt to shape the political issues that affect them

Making and Breaking Democratic Transitions Vladimir Gel'man, Sergei Ryzhenkov, Michael Brie, 2005-01-12 Focusing on the vastly different outcomes of post Soviet regime transitions this study explores why some societies have become more democratic and some have not Based on in depth comparative analyses the book assesses political developments in six of Russia s regions Saratov Nizhnii Novgorod Volgograd Ryazan Ul'yanovsk and Tver oblasts since 1988 The authors consider the influence of Soviet governance systems on the emergence of cleavages and new actors in the post Soviet period They also analyze the impact of institutional changes on regional regimes and the success or failure of formal institutions as a framework for political competitiveness Placing their detailed field data within the larger comparative and theoretical context of political transitions the authors are able to explain the mixed outcomes of post communist regime change in Russia and other post Soviet nations With its innovative model of path contingent democratization and its new typology of political regimes and regime transitions this book will be essential reading for all scholars of democracy

Putin Richard Sakwa, 2004 The first study of Putin and his politics providing the biographical and political context needed to explain his astonishing rise from anonymous KGB apparatchik to leader of one of the world s most significant and fascinating countries

Federalism beyond Federations Mr

Klaus-Jürgen Nagel, Professor Ferran Requejo, 2013-03-28 Since the end of the Second World War a set of democratic European countries have established a decentralized system of government based on federal or regional patterns Some of these systems initially displayed an asymmetrical trend however some democracies have implemented a subsequent process of re symmetrization that changes the structure and the legitimization of the previous political agreements Charting the evolution of decentralization processes and asymmetries implemented in Belgium Denmark Finland France Italy Portugal Russia Spain Ukraine and the United Kingdom leading international scholars illustrate which countries have evolved more symmetrically why this is so and what the role of political actors in these processes have been In doing so each case study Examines the causes of the legal and constitutional asymmetries and the main political cleavages Analyses the main institutions actors and factors that influence the political dynamics of the territorial debate Questions whether there is such a process of re symmetrization Presents the main actors in favour of the process of re symmetrization and of maintaining the constitutional and legal asymmetries Written accessibly and contributing to key debates on federalism and asymmetry Federalism beyond Federations appeals to academics politicians decision makers and all those interested in the political problems facing modern democracies The Decline of Regionalism in Putin's Russia J. Paul Goode, 2011-05-11 This book reassesses the process whereby after 2000 Putin reversed the process by which in the 1990s power had shifted from Moscow to the regions It focuses on the dynamics of regional boundaries juridical boundaries which defined a region s territorial extent and thereby its resources institutional boundaries that sustained regional differences and cultural boundaries that defined the ethnic or technocratic principles on which a region could claim legitimate existence **Russia's Federal Relations** Elena Chebankova, 2009-12-04 The development of centre regional relations has been at the forefront of Russian politics since the formation of the Russian state and numerous efforts have been made by the country s subsequent rulers to create a political model that would be suitable for the effective management of its vast territory and multiple nationalities This book examines the origins underlying foundations and dynamics of the federal reforms conducted by President Putin throughout the eight years of his presidency It offers a comprehensive analysis of the nature of Russia s federal relations during this period as well as an examination of factors that led to the development of the extant model of centre regional dialogue It discusses how and why the outcomes of most domestic reforms and policies significantly vary from the initial intentions envisaged by the federal centre and argues that despite a range of positive developments the reforms resulted mainly in a redistribution of powers between the two levels of government and not in a fundamental rethinking of centre regional relations towards genuine federalism *Russian Regions and Regionalism* Anne Aldis, Graeme P. Herd, 2003-08-29 The emergence of large regions within Russia as centres of gravity for political and international power and the changing relationship between these emerging regions and the centre are critically important factors currently at work within Russia This book examines the whole question of Russian regions and regionalism It considers important themes related to

regionalism including demography security military themes and international relations and looks at a wide range of particular regions as case studies It discusses the extent to which regions have succeeded in establishing themselves as centres of power and assesses the degree to which President Putin is succeeding in incorporating regions into a hierarchy of power in which the primacy of the centre is retained **The Russian Far East** Susan F. Davis,2003-08-29 This book is a comprehensive introduction to the contemporary Russian Far East RFE and offers an argument about federal relations and power in the state It is the only easily available single volume book to examine the RFE in such depth After Communism Donald R. Kelley,2003-01-01 In this collection top scholars of Soviet and post Soviet studies convene to explore communism s aftermath They consider state building and consitutionalism the transition to market capitalism and democracy across Eastern Europe the political development of Muslim states the complex and differential developments of electoral systems the risks and opportunities of nationalism and new political and economic activities in Russia from corruption to contracts Editor Donald Kelley introduces the volume with a synthesis of the theoretical and empirical findings of the volume and his brief chapter introductions place each contribution in relation to the other essays and to larger debates on democratization

Boundary Control Edward L. Gibson,2013-01-07 The democratization of a national government is only a first step in diffusing democracy throughout a country s territory Even after a national government is democratized subnational authoritarian enclaves often continue to deny rights to citizens of local jurisdictions Gibson offers new theoretical perspectives for the study of democratization in his exploration of this phenomenon His theory of boundary control captures the conflict pattern between incumbents and oppositions when a national democratic government exists alongside authoritarian provinces or states He also reveals how federalism and the territorial organization of countries shape how subnational authoritarian regimes are built and how they unravel Through a novel comparison of the late nineteenth century American Solid South with contemporary experiences in Argentina and Mexico Gibson reveals that the mechanisms of boundary control are reproduced across countries and historical periods As long as subnational authoritarian governments coexist with national democratic governments boundary control will be at play **RUSSIA'S FAR EAST (p)** , In their introduction the authors bring the textiles to life by examining who made them how ideas travelled across the continent and the significance of pattern and symbolism In addition all the principal techniques are explained while brief commentaries highlight the design features Whether you are interested in graphic design or technical detail this inspiring book will be the first to open your eyes to a previously unexplored aspect of Africa **BOOK JACKET Autocratic and Democratic External Influences in Post-Soviet Eurasia** Anastassia Obydenkova,Alexander Libman,2016-03-09 As the Ukrainian Crisis shows both political regimes and national borders in Eurasia are still in a state of flux Bringing together literatures on the external influences of democratization the post Soviet space and support for autocracy Autocratic and Democratic External influences in Post Soviet Eurasia provides a comprehensive overview of the interaction of domestic and international politics during

times of regime transition Demonstrating the interplay of these forces the book explores the rich variation in motives and channels of autocratic and democratic influences International scholars consider two channels of external influence on regime transition the role of supranational organizations established by non democracies and the role of non governmental organizations and through a set of carefully chosen case studies offer a new theoretical discussion on the phenomenon of multi level regime transition

Cooperation, Environment, and Sustainability in Border Regions Paul Ganster,2001

Decentralization and Subnational Politics in Latin America Tulia G. Falleti,2010-04-12 Is it always true that decentralization reforms put more power in the hands of governors and mayors In post developmental Latin America the surprising answer to this question is no In fact a variety of outcomes are possible depending largely on who initiates the reforms how they are initiated and in what order they are introduced Tulia G Falleti draws on extensive fieldwork in depth interviews archival records and quantitative data to explain the trajectories of decentralization processes and their markedly different outcomes in Argentina Brazil Colombia and Mexico In her analysis she develops a sequential theory and method that are successful in explaining this counterintuitive result Her research contributes to the literature on path dependence and institutional evolution and will be of interest to scholars of decentralization federalism subnational politics intergovernmental relations and Latin American politics

Unveiling the Magic of Words: A Review of "**Local Heroes The Political Economy Of Russian Regional Governance**"

In a global defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. Their power to kindle emotions, provoke contemplation, and ignite transformative change is actually awe-inspiring. Enter the realm of "**Local Heroes The Political Economy Of Russian Regional Governance**," a mesmerizing literary masterpiece penned by way of a distinguished author, guiding readers on a profound journey to unravel the secrets and potential hidden within every word. In this critique, we shall delve in to the book is central themes, examine its distinctive writing style, and assess its profound effect on the souls of its readers.

Local Heroes The Political Economy Of Russian Regional Governance Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Local Heroes The Political Economy Of Russian Regional Governance free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Local Heroes The Political Economy Of Russian Regional Governance free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file

type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Local Heroes The Political Economy Of Russian Regional Governance free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Local Heroes The Political Economy Of Russian Regional Governance. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Local Heroes The Political Economy Of Russian Regional Governance any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Local Heroes The Political Economy Of Russian Regional Governance Books

What is a Local Heroes The Political Economy Of Russian Regional Governance PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Local Heroes The Political Economy Of Russian Regional Governance PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Local Heroes The Political Economy Of Russian Regional Governance PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Local Heroes The Political Economy Of Russian Regional Governance PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Local Heroes The Political Economy Of Russian Regional Governance PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers

PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
