Daheim, 2009-10-06 Innkeeper and amateur sleuth Judith McMonigle Flynn's worst nightmare comes true when Vivian Flynn husband Joe's first wife moves back into the neighborhood Vivian who has become mysteriously wealthy plans to build a big bad condo on their idyllic cul de sac Outraged Judith and her neighbors vow to fight the project to the death Vivian isn't the only newcomer to the area Frankie Buss son of another of Vivian's ex husbands has arrived at Hillside Manor with his wife Vivian was married to his father for what seemed like minutes before she inherited his vast wealth and ran off with his other son Now Frankie's dying for his share of the pot of gold Vivian's got more than one mortal enemy but which one ended up dead in her back yard If she wants her home sweet home to stay happy Judith will have to find out **Mystery Women,**

Volume Three (Revised) Colleen Barnett, 2010-12-31 Like other fictional characters female sleuths may live in the past or the future They may represent current times with some level of reality or shape their settings to suit an agenda There are audiences for both realism and escapism in the mystery novel It is interesting however to compare the fictional world of the mystery sleuth with the world in which readers live Of course mystery readers do not share one simplistic world They live in urban suburban and rural areas as do the female heroines in the books they read They may choose a book because it has a familiar background or because it takes them to places they long to visit Readers may be rich or poor young or old

conservative or liberal So are the heroines What incredible choices there are today in mystery series This three volume encyclopedia of women characters in the mystery novel is like a gigantic menu Like a menu the descriptions of the items that are provided are subjective Volume 3 of Mystery Women as currently updated adds an additional 42 sleuths to the 500 plus who were covered in the initial Volume 3 These are more recently discovered sleuths who were introduced during the period from January 1 1990 to December 31 1999 This more than doubles the number of sleuths introduced in the 1980s 298 of whom were covered in Volume 2 and easily exceeded the 347 series and some outstanding individuals described in Volume 1 which covered a 130 year period from 1860 1979 It also includes updates on those individuals covered in the first edition changes in status short reviews of books published since the first edition through December 31 2008 **Die Kunst des**
