Kutscher,2016-12-05 This collection of texts deals with lexicographical and grammatical issues of Spanish from a contrastive
and didactic perspective It aims at identifying the phenomena which are most interesting for compiling contrastive grammars
and dictionaries for the Spanish language by focussing on the latest developments in the field of foreign language teaching In
its first part the volume presents discussions of the contrastive method in linguistics as well as in foreign language teaching
and of the theoretical issues concerning the nature of the tertium comparationis for comparative linguistic analysis In the
second part it provides case studies on grammatical lexical and lexicographical issues comparing Spanish with German
Galician French and Italian The volume is laid out as a compendium of a number of key issues for future research in the field
