**Catalogue of the Valuable Library ... Oct. 24-26-1871** William Hickling Prescott, 1871      *Admiral Horatio Nelson's Greatest Victories* Charles River Editors, 2025-05-01 Over the course of its history England has engaged in an uncountable number of battles but none of her military heroes has had a greater military legacy than Admiral Lord Horatio Nelson 1st Viscount Nelson 1st Duke of Bront Whether traveling to Trafalgar Square or one of the hundreds of pubs named after him seemingly it becomes easy to believe that no Briton has cast as long a shadow Nelson is known across the world for his decisive victory at Trafalgar made all the more legendary by the fact that he was mortally wounded at the height of his greatest feat And it is understandable that any man who could thwart Napoleon's ambitions as well as Nelson did would earn a place in the history books But Nelson embodied every virtue of his homeland as a dashing courageous military officer who was impeccably cultured and the best at what he did Indeed as the personification of the supremacy of the Royal Navy the man and his life had a powerful resonance well before his death Before Trafalgar Nelson had already earned enduring fame for the British victory at the Battle of the Nile In 1798 he was given command of a small squadron and sent ahead to Gibraltar and eventually given instructions to hunt down and destroy Napoleon's fleet An initial review of France's naval forces had led Napoleon to conclude his navy could not hope to outfight the power of the Royal Navy which had been the dominant naval power for centuries so he was forced to look elsewhere After months of planning Napoleon crafted a scheme to attack and conquer Egypt denying the British easy access to their colonies in India with the ultimate goal of linking up with the Sultan Tipoo in India itself and defeating the British in the field there Napoleon sailed with Admiral Brueys and 30 000 troops that June heading for Egypt Notionally part of the Ottoman Empire Egypt was de facto a weak independent regime run by the breakaway Mamelukes For France it offered an overland route to India and a chance to beat Britain at her own game via economic strangulation Nelson however could only speculate at French intentions Whatever the destination of the French fleet he sought a battle of annihilation the culmination of all he had learned as an officer and admiral Only by that means could Britain secure the Mediterranean and neutralize the threat of a French army operating overseas His understanding was icily accurate      Catalogue of the Library of the Boston Athenæum Boston Athenæum, 1878

historical tie to a twentieth century conflict to be included here General collections such as museums of aviation are included if they house materials related to a twentieth century conflict The coverage is so thorough that statues honoring veterans of the Civil War appear if veterans of later wars are on their rosters of honorees Another example of the comprehensiveness of this compilation is in the inclusion of memorials to victims of war such as the Holocaust Museum in Houston Texas For each site the following information is given street address phone number website and email address if applicable days and hours of operation admission fees other necessary information and a brief description of the site
