Innocence and guilt. Light and darkness. Love and hate. Art informed by life's duality. The compelling paintings and posters of Tara McPherson are a tour de force of creative tension, at once heartfelt and heartbreaking. Creating art about people and their odd ways, recalling many issues from childhood and adult life experience, McPherson creates images that are thought provoking and seductive. People and their relationships are a central theme throughout her work. Tara's array of work includes numerous gig posters for rock bands, including Green Day, Modest Mouse, and Death Cab for Cutie, and advertising and editorial illustrations for a diverse group of clients. Her prints and paintings have been exhibited in galleries all over the world. *Lonely Heart* is the first printed collection of McPherson's work, featuring her stunning silkscreen posters, illustrations, and personal works of fine art.

"As whimsical as her work may first appear, each piece seems to hold its own dark corner or bit of dramatic reality."

—crownlozen.com

"Her subjects all seem to know something you don't."

—Super7 magazine

"Tara's pale, immaculate girls and cute creatures float through her compositions like bodies floating down a stream. Always expertly crafted, her art resides between innocent beauty and knowing sexuality."
