Kamil, Eric Wakin, 2012-04-01 A guide to a variety of witty informative walking tours in New York City Whether you're a tourist or a native New Yorker you will appreciate this witty informative walking guide to New York City as authors Seth Kamil and Eric Wakin peel back the layers of New York's most popular neighborhoods Here in one volume are their award winning tours In their Immigrant New York tour you can take a walk on the Bowery the most infamous street in the city and learn how the city

s finest roadway became America's Skid Row. In *Before Stonewall* you'll discover the many facets of gay and lesbian history and trace the development of Greenwich Village as a cultural mecca. From SoHo to the Upper West Side from Harlem to Brooklyn there's something in *The Big Onion Guide* for everyone. The authors show how it was nothing new when Mayor Giuliani was unable to ban sales by immigrant mobile food vendors. The Guide takes us to the place where the Dutch tried to ban street-side sales by Scottish peddlers 350 years ago and where the great Fiorello La Guardia banned most of the pushcart salesmen at midcentury. But Kamil and Wakin are not nostalgists or preservationists. Instead their historical tours connect today's city with the snapshots of yesterday, blending social and cultural history with the evolution of different ethnic and cultural communities. *The Big Onion Guide* includes ten walking tours plus a 5 borough driving tour peppered with informative sidebars, illustrations, and photos from the collection at the New York Historical Society. Visit the *Big Onion Guide* to New York City site at www.nyupress.org/bigonion.

The Rough Guide to New York City Martin Dunford, Jack Holland, 2002. Written by New York natives, this guide zeros in on Manhattan, the city's crown jewel, and its world-class museums, restaurants, clubs, and hotels, and then goes on to the rich and diverse outer boroughs, digging up the less obvious charms. 34 maps of color.

Lonely Planet Experience New York City Lonely Planet, 2025-01-21. Lonely Planet's *Experience New York City* is your guide to unforgettable experiences and local surprises. Marvel at the many views of the city, explore the High Line, and walk through Harlem's literary history, all guided by local experts with fresh perspectives.
