A Sucky Love Story Brittani Louise Taylor, 2018-12-04 Where does a moderately popular internet star who never leaves her house look for potential suitors Online Tinder Bumble Match com OkCupid I tried them all My thirty one year old self clicked and swiped her little heart out leading to more dates than I could count and more disappointment than I was prepared for Maybe you can relate Maybe you know all too well the perils of modern dating But let s say eventually you meet someone You think to yourself Wow they re perfect Take me off the market put a ring on it knock me up the whole enchilada because they are the one Let s also say that they feel the same way about you Your life starts to make sense All the pain heartbreak and frustration from past failed relationships was worth it Slow clap That s how I felt about Milos He was from Europe a doctor wealthy athletic He had an accent and a dog Milos was textbook marriage material For him it was love at first sight but for me it was anxiety on every date Something was telling me to run but for two years the only running I did was straight into his arms If only I would have listened This isn t a love story It s my story of survival

Love, H Hettie Jones, 2016-09-22 It works we re in business yeah Babe So begins this remarkable selection from a forty year correspondence between two artists who survived their time as wives in the Beat bohemia of the 1960s and went on to successful artistic careers of their own From their first meeting in 1960 writer Hettie Jones then married to LeRoi Jones Amiri Baraka and painter and sculptor Helene Dorn 1927 2004 wife of poet Ed Dorn found in each other more than friendship They were each other s confidant emotional support and unflagging partner through difficulties defeats and victories from surviving divorce and struggling as single mothers to finding artistic success in their own right Revealing the intimacy of lifelong friends these letters tell two stories from the shared point of view of women who refused to go along with society s expectations Jones frames her and Helene s story adding details and explanations while filling in gaps in the narrative As she writes we d fled the norm for women then because to live it would have been a kind of death Apart from these two personal stories there are as well reports from the battlegrounds of women s rights and tenant s rights reflections on marriage and motherhood and contemplation of the past to which these two had remained irrevocably connected Prominent figures such as Allen Ginsberg and Timothy Leary appear as well making *Love H* an important addition to literature on the Beats Above all this book is a record of the changing lives of women artists as the twentieth century became the twenty first and what it has meant for women considering such a life today It s worth a try Jones and Dorn show us offering their lives as proof that it can be done
