

LONG LAYOVER IN FRANKFURT AIRPORT?

A wide-angle shot of a long, empty airport corridor. The floor is polished and reflects the overhead lights. On the left, there are glass-walled rooms and a few digital screens. On the right, there are more glass walls and a few small kiosks. In the center, a person is walking away from the camera, carrying a suitcase. The corridor leads to a bright area at the far end.

A search for shipwrecked ancestors forgotten histories and a sense of home Fascinating and intimate The Girl from Foreign
is one woman s search for ancient family secrets that leads to an adventure in far off lands Sadia Shepard the daughter of a
white Protestant from Colorado and a Muslim from Pakistan was shocked to discover that her grandmother was a descendant
of the Bene Israel a tiny Jewish community shipwrecked in India two thousand years ago After traveling to India to put the
pieces of her family s past together her quest for identity unlocks a myriad of profound religious and cultural revelations that
Shepard gracefully weaves into this touching eye opening memoir Codename: Lehi Jon Beckmon,2011-07-27 This book is
the condensed version of my life It contains the things I can remember most about what has occurred in my life It is in effect
the autobiography of Jonathan Daniel Beckmon which is my full legal name given to me by my parents Raymond Beckmon
and Linda Helms her maiden name and assigned to me in the United States of America where I was born At my current stage
of life my only real goal is to get married I have been looking for a suitable spouse for at least 15 years as of the time this
book is being published with no luck Its very hard to find a decent moral woman with the current state of our society and
general lack of moral values in the United States of America I honestly feel that had I been born in Russia I would have been
married long ago I had much better luck finding women there that were interested in my qualities and that were decent
human beings However I have only managed to make it to Russia once as it is beyond my current financial means to go there

a lot until I find a wife Since I refuse to lower my very high standards Ive lived out my life alone It is better to die alone than to marry a wicked woman You can read the book to find where the codename Lehi comes from **Immaculate Deception** Donald Tucker ,2013-12-04 Two years after executing a major sting operation that places Tony Masella one of Chicago s most notorious counterfeiters behind bars U S Secret Service agent Wesley Charles receives an urgent call from the DC Bureau Wes soon discovers that Masella now released from prison is part of a slick international Vatican based counterfeiting ring of pedophile priests The Vatican is using counterfeit money to staunch the flood of lawsuits involving pedophile cases that threaten to bankrupt the Roman Catholic Church worldwide World famous couturier Peppi Giuseppe Tubiano and his lover Father Ira Philip Tuma who is director of the Chicago archdiocese consortium of non profit foundations operate a global bank trading and counterfeiting scam using the counterfeit money to pay off the courts The Church performs rituals of forgiveness for its pedophile priests retiring or relocating them to distant dioceses where they are free to continue their sexual debauchery Blackmail becomes the flavor of the day when Italian police officer Angela Micele a smoky eyed Sophia Loren look like and her sexy friend Maria Pelino who works in the Rome USSS offices as a translator cook up a plot to seek revenge for Angela s USSS boyfriend murdered by the Mafia in a bungled attempt to bring down the Italian counterfeiters Agent Charles the two women and Maria s cousin Nicky a member of the Vatican Swiss Guard pull off a series of elaborate high tech stunts in the final scene underneath the Sistine Chapel only hours after the new pope has been elected Although this is a fiction work it is based on factual information It is common knowledge that the courts are flooded with cases involving Catholic priests practicing pedophilia and sexual abuse Few people are aware that these cases continue to go unprosecuted while other non Catholic sex offenders land behind bars with serious charges and long term sentences Immaculate Deception begs the question about divine dispensation papal politics and Catholic controlled courts *Flying in the Land of Sand and Sun* James D. Fox,2013-02 A pilot retires after 38 years from the world s largest oil company He accepts a job in another country halfway around the world His experience flying the cream of business jets is just what his new employer is looking for He finds it necessary to adapt to his new environment and new associates The new employer is General Arab Medical Service who supplies workers for the Saudi Arabian Military service The job entails flying not only high ranking military medical evacuation but also members of the Royal Family The missions are with a mixed crew of copilots nurses hostess doctors and engineers Their nationalities are from all over the world You need to know that in aviation the world language is English The mixup due to language difficulties are mostly humorous but in at least one case almost deadly A young man from Texas can be surprised from what he finds the people and customs are in New York on his first visit A young man from New York can find the people and customs in Texas as surprising A friend and I were standing on a sidewalk looking in a show window in Wichita Falls Texas when a lady got out of her car and approached us Young man can I ask you a question Why yes Mam what is it She pointed at my feet Don t those things hurt you re feet She was asking about the boots I was wearing Why

no Mam they don't She turned with look of not understanding and went back to her car which I noticed was wearing Ohio license plates That was in 1942 and I still remember what my friend and I talked about later You reckon that lady never saw cowboy boots before I don't know Maybe she never saw a horse before So many years later the same fellow sees people and customs that are completely strange They speak English and eat with a knife and fork most do and they want to imitate the western world very much Of course I'm speaking of those that I came in personal contact with As a reader you must remember their country was only born in 1932 It had no means of entering seriously into world commerce until oil was discovered Then suddenly they as a country became very rich almost over night The King made decisions without the help of a Legislature So he decided where the money went The Royal Family got an early cut and infrastructure was on the early list as well If there was a need for a road he just told some contractor to build the road And make it out of concrete That asphalt stuff just melts and runs away over here in the desert Well if you have roads then you need cars so the King calls Japan and says Send me over a boat load of those little pickups you make Well ok your Highness What color do you want I don't know just mix them up Ok The Japanese boat arrived and the King tried to give them to the Bedouins from the desert The nomads only accepted the white ones all other colors were sent back to Japan Everyone knows that dark colors are no good in the heat Do you find that humorous Well I do But what do you expect A tall apartment building in downtown Riyadh is standing empty on the day of my arrival and on the day of my departure The King had it built for the Bedouins to use for free The occasion of celebrating the gift from the King the Bedouins asked Where do we put our camels and goats Well you won't need them here The gift was rejected straight away as the Brits say Do you find that interesting Well I do How about this I asked one of my Saudi copilots What is your goal What do you mean I mean what are you working for What do you hope for in the future Oh I see what you mean Well I'm saving my money to buy a camel and move out on the desert You mean you would leave your job in aviation living in a house with indoor plumbing electricity and air conditioning to move into a tent in the desert Sure what's wrong with that Well the time
