

The Jester and the king

ENGDIQ.ORG

Once upon a time a king had a jester in his court. The king was so fond of him that the jester enjoyed every kind of liberty of speech. He did not even spare the lords and ministers. So much so that he began to ridicule even the king but no one could dare to complain against him. This made the jester bold and proud. He cared for none.

One day while the king was holding a court and was busy in serious state affairs, the jester made fun of the king. Dead silence fell on the court. The king got highly offended and sentenced the jester to death. The jester bent down over his knees and begged for mercy but the king was so angry that he turned down his request.

At last, when the jester pleaded for mercy again and again, the king said, "Die you must but I grant you the freedom to choose the kind of death you like."

The clever jester at once used his ready wit and took good advantage of the concession saying, "Your Majesty! I choose to die of old age." The king was impressed and forgave the jester with a warning for future.

Suicide and the God of Grace Mark Koonz,2025-08-19 Suicide is a painfully intrusive reality around the world touching many Christian families as well These theological reflections are designed to assist pastors facing one of the hardest funerals imaginable as well as inform other readers family and spiritual care givers who live in the aftermath of tragedy Biblical passages and the history of Christian thought are scanned with some surprising results There is a persistent openness to God s grace embracing death by suicide redeeming the last moment of life From Aquinas to Luther to Barth influential theologians refused to call suicide an unforgiveable sin though they always discouraged it There is a surprising congruence between ancient and modern Protestant and Roman Catholic in some of these approaches Without attempting to speak God s final word on any victim of suicide the editor finds a middle way between outright condemnation and universalism Contributors offer actual sermons used for suicide funerals This book invites all who wrestle with suicide s spiritual questions to engage with a tradition more compassionate and nuanced than many might expect
