**Longman Academic Writing Series 4 SB with Online Resources** Alice Oshima, Ann Hogue, Lara Ravitch, 2016-09-19

The Longman Academic Writing Series helps develop student writing from basic composition of sentences and paragraphs to academic essays and research papers. At each level, students are offered guidance in the complete writing process from prewriting to revision and are provided with clear explanations, extensive practice, and consistent coverage of sentence mechanics and grammar. Highlights: Step by step approach helps students produce a well organized, clearly developed portfolio that is the foundation of academic coursework. Realistic writing models guide writers while clear explanations supported by examples help students through typical rough spots. Extensive practice helps students assimilate writing skills to learn to write with accuracy and confidence. Timed writing activities provide a plan for writing paragraphs on tests. Interactive tasks such as pair and group work allow students to receive peer feedback on their individual writing. Level 5 offers more advanced guidance in the writing of essays and research papers. New Essential Online Resources include grammar for writing and sentence structure activities, teacher support material, teacher's manual, and assessments.

The new Longman Academic Writing Level 4 has been transformed into a digital experience. The Interactive Student Book, powered by MyEnglishLab, allows students and teachers to better assess the writing process. Teachers can now monitor student performance to personalize learning and increase student motivation. The Longman Academic Writing Series helps students master the academic writing skills needed to succeed in their academic careers. The five level series spans writing topics from composing sentences to writing research papers. Each level covers the complete writing process from prewriting to revision. Level 4 teaches high intermediate students to write various genres of academic essays. The text's proven approach integrates training in grammar, mechanics, vocabulary, and essay organization along with the writing process. Highlights: All activities report to the gradebook, enabling teachers and students to track progress after every activity. Timed and untimed writing options allow students to write coherently and fluently under timed conditions. Model answers for essays provide students with feedback to create a final writing assignment. Students receive immediate results on a variety of activity types, allowing them to take control of their writing.      *Longman Academic Writing 4 + Longman Academic Reading 4* Hogue & HOGUE & OSHIMA, 2013-06-21.
