Bronner,2019-08-01 Winner of the 2020 Chicago Folklore Prize CHOICE Outstanding Academic Title for 2020 Despite predictions that commercial mass culture would displace customs of the past traditions firmly abound often characterized as folklore In *The Practice of Folklore* Essays toward a Theory of Tradition author Simon J Bronner works with theories of cultural practice to explain the social and psychological need for tradition in everyday life Bronner proposes a distinctive praxic perspective that will answer the pressing philosophical as well as psychological question of why people enjoy repeating themselves The significance of the keyword practice he asserts is the embodiment of a tension between repetition and variation in human behavior Thinking with practice particularly in a

digital world forces redefinitions of folklore and a reorientation toward interpreting everyday life More than performance or enactment in social theory practice connects localized culture with the vernacular idea that this is the way we do things around here Practice refers to the way those things are analyzed as part of rather than apart from theory thus inviting the study of studying The way we do things invokes the social basis of doing in practice as cultural and instrumental Building on previous studies of tradition in relation to creativity Bronner presents an overview of practice theory and the ways it might be used in folklore and folklife studies Demonstrating the application of this theory in folkloristic studies Bronner offers four provocative case studies of psychocultural meanings that arise from traditional frames of action and address issues of our times referring to the boogieman connecting wild child beliefs to school shootings deciphering the offensive chants of sports fans and explicating male bravado in bawdy singing Turning his analysis to the analysts of tradition Bronner uses practice theory to evaluate the agenda of folklorists in shaping perceptions of tradition centered folk societies such as the Amish He further unpacks the culturally based rationale of public folklore programming He interprets the evolving idea of folk museums in a digital world and assesses how the folklorists terms and actions affect how people think about tradition

Twice Exceptional Scott Barry Kaufman,2018 In an educational system founded on rigid standards and categories students who demonstrate a very specific manifestation of intelligence flourish while those who deviate tend to fall between the cracks Too often talents and interests that do not align with classroom conventions are left unrecognized and unexplored in children with extraordinary potential but little opportunity For twice exceptional 2e children who have extraordinary strengths coupled with learning difficulties the problem is compounded by the paradoxical nature of their intellect and an unbending system ill equipped to cater to their unique learning needs Twice Exceptional Supporting and Educating Bright and Creative Students with Learning Difficulties provides cutting edge evidence based approaches to creating an environment where twice exceptional students can thrive Viewing the 2e student as neither exclusively disabled nor exclusively gifted but rather as a dynamic interaction of both leading experts offer holistic insight into identification social emotional development advocacy and support for 2e students With chapters focusing on special populations including autism dyslexia and ADHD as well as the intersection of race and 2e this book highlights practical recommendations for school and social contexts In expounding the unique challenges faced by the 2e population Twice Exceptional makes a case for greater flexibility in our approach to education and a wider notion of what it means to be academically successful Disabling Mission, Enabling Witness Benjamin T. Conner,2018-07-03 How would it look if we disabled Christian theology discipleship and theological education Benjamin Conner initiates a new conversation between disability studies and Christian theology and missiology imagining a church that fully incorporates persons with disabilities into its mission In this vision people with disabilities are part of the church s pluriform witness and the congregation embodies a robust hermeneutic of the gospel
