

Looking for Alibrandi

by Melina Marchetta

Book

"It's not one day. It's every day. To be free and stand for myself. Like an old Australian and not an old Italian and not an old American. It's not me. It's me and you. It's me and you." *Alibrandi*

Stephan Marchetta is a woman, and in the final year of school. She's not the most and the biggest of the things she's always thought of as perfect for the job. But she's a girl in a school that's full of things she's never seen before.

She's not all the way there. She's not all the way there. She's not all the way there. She's not all the way there. She's not all the way there. She's not all the way there. She's not all the way there. She's not all the way there.

Study Guide Section - covers questions for reading, for students, plus questions, allegor questions, character questions, themes, and questions. It's a great resource for teachers and students.

There are many things about the world in the book.
