Interest in this creature which many believe to be as mythical as a leprechaun is as strong today as ever with the wildly popular show *Finding Bigfoot* persisting on the Animal Planet network and references to bigfoot appearing throughout popular culture. What is it about bigfoot that causes some people to devote a chunk of their lives to finding one? In *Monster Trek* Joe Gisondi brings to life the celebrities in bigfoot culture people such as Matt Money, Jeff Meldrum and Cliff Barckman who explore remote wooded areas of the country for weeks at a time and spend thousands of dollars on infrared imagers, cameras and high end camping equipment. Pursuing the answer to why these seekers of bigfoot do what they do, Gisondi brings to the reader their most interesting and in many cases harrowing expeditions. Gisondi travels to eight locations across the country trekking into swamps, mountains, state parks and remote woods with people in search of bigfoot as well as fame, fortune, adventure and shared camaraderie. Many of the people who look for bigfoot however go counter to stereotypes and include teachers, engineers and bankers. Some are private and guarded about their explorations seeking solitude during a deeply personal quest. While there are those who might arguably be labeled crazy, Gisondi discovers that the bigfoot research network is far bigger and more diverse than he ever imagined.

Bigfoot Blues Ricardo Sanchez, 2015-05-04 A PI deals with a father who claims his daughter ran off with Bigfoot, an eccentric billionaire and a dead body in this rollicking mystery. She eloped with Bigfoot. Or maybe Bigfoot kidnapped her. Either way I've been hired to uncover the truth behind Cindy Funk's disappearance. Me, I'm Floyd and I'm a PI living my life as Elvis would have wanted. Not just in sequined jumpsuits. With character Cindy's trail leads me to River City, Oregon aka the Mythical Creature Capital of the World where I catch Case 2. This one from an eccentric billionaire who's lost a priceless piece of art. Enter one dead body and I end up deputized to solve Case 3, tracking down a man eating mountain lion. Or maybe it's a chupacabra. Or just an ordinary murderer. Hard to say. I've handled my fair share of crazy but River City's secrets have me spooked. With an influx of tourists arriving for the town's annual Elvis tribute contest, what are the chances I've got to save the girl, solve the rich guy's problem and leash that chupacabra before a second body is discovered? Because it might just be mine. The Search for Home Paul Delashaw, 2022-07-19 Do you want to find rest? Do you want to enter the place you belong? Jesus gives you grace to take the necessary steps.
