

A landscape photograph featuring a vast field of golden-brown grass or wheat in the foreground. In the middle ground, several small, dark trees are scattered across the horizon. The sky is filled with heavy, layered clouds in shades of orange, pink, and grey, suggesting a sunset or sunrise. The overall mood is serene and contemplative.

Annual Review of the Sociology of Religion. Volume 4 (2013) , 2013-11-21 Prayer is a phenomenon which seems to be characteristic not only of participants in every religion but also men and women who do not identify with traditional religions It can be practised even by those who do not believe either in a God or transcendent force In this sense therefore we may assert that the prayer is a typically human activity that has accompanied the development of different civilizations over the course of the centuries Both the material issues of concrete daily life as well as more symbolic elements expressed through words gestures body positions and community celebration are brought together in the act of praying

Brumble,2014 ABOUT THE BOOK God has spoken to me on numerous occasions in reference to the title of the book I even shared the concept with a visiting pastor perhaps making it a sermon but to no avail I had felt it had fallen on deaf ears But later I knew that was part of God s plan When the idea of ICHYF I Can Hear Your Face was conceived in my heart and spirit it became alive and burned within my soul and then it came my Heavenly Father spoke to me I choose you I am the one who inspired and planted the seed in your heart I am the one keeping this concept alive I nourished it continually Write it down my daughter I will give you the inspiration to write the words as coming from me Live through them my daughter make my words come alive It pleases me that you are willing to obey me Remember my words when I said that I know you have little strength you ve tried your best to keep my word and you have not denied my name These words will be my testimony of the truth I cannot deny my own name That which was first conceived in my spirit and my heart ICHYF really isn t anything new

but it is speaking to a new audience perhaps because of a generational gap in coming from a solid Christian home All the trials heartaches much pain in my life God has worked out for good What he has and is doing in my life he will do for you Listen for God to whisper how much he loves you at the turn of every page All through the writing process I prayed for each one of you my readers that you will be truly be blessed by our Abba Father Devoting Ourselves to the Prayers Mark Stamm,2015-08-01 Dr Stamm integrates the biblical theological and pastoral insight fitting of a liturgical scholar pastor as he attempts to improve and deepen the church s congregational practice of intercessory prayer In Devoting Ourselves to the Prayers A Baptismal Theology for the Church s Intercessory Work Dr Stamm points to the strong biblical and historical connections between baptism and intercessory prayer suggesting that intercessory prayer is a vocation a calling rooted in our common baptism Imaginative informative and deeply committed to the idea that prayer is an essential practice of the church this book not only addresses what has become the church s neglect of intercessory prayer but the difference such praying makes **Gregory of Nyssa: Homilies on the Our Father.
