devotional at all but worth exploring as well if not before this devotional In my ministry counselling with so many people I
found that people need the Word of God simply broken down in simple reading as many just read the Bible without really
understanding what they are reading Folayan Osekita a servant prophet and evangelist of the Living God has done this so

behind debris destruction and death Their purposeful advance seems to be forcing the body of Christ into abject surrender

all who read the words of my life *Flourish* Grace Wabuke Klein, 2023-08-08 This guide to living well through all the

seasons of life encourages readers to trust God's timing and hold onto hope in the periods of waiting. The trials of life can wear us down. Unexpected events force us to face a new reality and unanswered prayers lead us to a growing frustration about why God doesn't intervene. We wonder if anything good can come out of this painful dark winter season. Grace Wabuke Klein knows that there is purpose in our darkest days and seasons of waiting. In *Flourish*, Grace meets the reader in their heartache, disappointment and pain and gives encouragement and a fresh perspective on the winter seasons we all go through as well as practical steps to not just survive but to find purpose in the unknown and unexpected. Drawing insight from her own winter seasons, Grace reveals the divine purpose in each season of our lives. She explains how Fall is a time of release, a necessary season of letting go of offenses, unhealthy relationships, hurts, bad habits, toxic friendships, pride, unforgiveness and other heart issues before we can ever move on to the next season. Winter is a time of unexpected challenges and unknown futures yet lessons learned in life's storms are deep and full of growth to shape us and make us stronger. Spring is a time of new things that require us to be open to new experiences, people, ideas and perspective, stepping out into the unknown and uncomfortable. Summer is a time when everything is flourishing; we clearly see how each season cultivated a deeper level of faith and spiritual muscles, developing our character and perseverance. Grace discovered there is value and unseen gifts in each season but only in the hard seasons and storms of life are vital spiritual disciplines developed. *Flourish* connects with the reader in the tension and storms of life to bring a word of hope.
