Many Voices One God Being Faithful In A Pluralistic World:

Many Voices, One God Shirley C. Guthrie, Walter Brueggemann, George W. Stroup, 1998-01-01 Pluralism presents both promises and challenges for Christian theology in the next millennium Here biblical scholars religious ethicists and theologians reflect on the meaning and abiding relevance of the Christian revelation for communities of faith and the life of the church **Many voices, one God : being faithful in a pluralistic world : in honor of Shirley Guthrie** Walter ; Stroup Brueggeman (George), 1998 Pastoral Visitation Nancy J. Gorsuch, 1999 Clergy students of pastoral care and lay visitation volunteers will find Nancy Gorsuch an effective guide in developing an intentional proactive program of pastoral visitation in the local church To increase the pastoral visitor s positive experiences of effectiveness the author presents basic how to information in a straightforward manner characterized by vivid illustrations and case studies The book provides a theological basis for pastoral visitation and goes on to explore the types and purposes of visitation preparation and resources training and basic helping skills assessment and follow up and methods of sustaining pastoral visitation as a means of building a caring community of faith **Truth and Hope** Walter Brueggemann, 2020-02-18 In this varied collection of essays Walter Brueggemann provides a lens into biblical teachings concerning the present age of fake news lies and alternate realities Compiled and edited by Louis Stulman professor of religion at the University of Findlay these essays carry a common theme of truth and hope As Brueggemann writes in the preface there is no doubt that the prophetic tradition regularly engages in truth telling in order to expose social reality as a systemic act of falseness that contradicts the purposes of God The prophetic tradition of Jeremiah for instance is preoccupied with truth telling that exposes falseness The prophet exposes the deceit of dominant culture That same prophetic tradition like many others turns eventually to the work of hope telling Such hope does not doubt that the faithful God can create futures a way out of no way The sequence from truth to hope in the book of Jeremiah is characteristic of the prophetic books of the Old Testament These several prophetic voices that gave canonical shape to the prophetic books knew that this sequence is definingly important There can be no hope until truth is told Our temptation of course is to do the work of hope without the prior work of truth Readers will find this collection of essays to be theologically rooted in the concept of prophetic tradition as a means of truth telling Brueggemann explores that without God truth telling is nothing more than harping and hope telling is only wishful thinking **Nudge** Leonard Sweet, 2010-08-01 Evangelism is about reaching out to others Really You think Brace yourself In Nudge author Leonard Sweet sets out to revolutionize our understanding of evangelism He defines evangelism as nudge awakening each other to the God who is already there Sweet s revolution promises to affect your encounters with others as well as shaking the very roots of your own faith So brace yourself Renaming Abraham's Children Robert B. Foster, 2016-07-25 In this study Robert B Foster explores the intersection between the interpretation of Scripture and the construction of communal identities He argues that in Rom 9 Paul applies prophetic texts from Malachi Hosea and Isaiah to the story of Abraham s

children in Genesis These interpretive maneuvers enable Paul to extrapolate from the patriarchal narratives a specific construal of election it is the ironic privilege of being simultaneously God's chosen and rejected people This understanding of election he in turn applies to Gentile Christ followers the remnant and all Israel in order to build for them an all encompassing yet differentiated Abrahamic identity for the messianic age

Abingdon Old Testament Commentaries: Deuteronomy Prof. Walter Brueggemann, 2011-09-01 The Abingdon Old Testament Commentaries series offers compact critical commentaries on all the books of the Old Testament In addition to providing fundamental information on and insights into Old Testament writings these commentaries exemplify the tasks and procedures of careful critical exegesis so as to assist students of the Old Testament in coming to an informed engagement of the biblical texts themselves These commentaries are written with special attention to the needs and interests of theology students but they will also be useful for students in upper level college or university settings as well as for pastors and other church leaders Each volume consists of four parts an introduction that addresses the key issues raised by the writing the literary genre structure and character of the writing the occasional and situational context of the writing including its wider social and historical context and the theological and ethical significance of the writing within these several contexts a commentary on the text organized by literary units covering literary analysis exegetical analysis and theological and ethical analysis an annotated bibliography a brief subject index In this volume on Deuteronomy Brueggemann shows the significance of the Book of Deuteronomy to the shape and substance of Israel's faith in the Old Testament Deuteronomy gave classic articulation to the main themes characteristic of Judaism and derivatively of Christianity Brueggemann emphasizes that Deuteronomy is an expression of covenant theology whereby YHWH and Israel are pledged to exclusive loyalty and fidelity to each other YHWH is to assure the well being of Israel and Israel is to live in trust and obedience to YHWH In examining the relationship of Israel to God Brueggemann makes suggestions on how such covenant fidelity might be lived out by believers today Brueggemann's commentary on the Book of Deuteronomy provides an accessible exegetical and theological understanding of a crucial biblical text The introduction presents Deuteronomy as an expression of the radical Yahwistic alternative to the political rhetoric and ideology of the Israelite monarchy in the eighth and seventh centuries Each section consists of an introduction exegesis and theological and ethical analysis of the essential elements that form the core of Deuteronomy's message to the Israelite community The choice between covenant and idol that forms the crux of the text's message is further interpreted in light of the concern for covenant faithfulness as expressed in the rest of the OT and in the proclamation of the NT Brueggemann explores how this same choice is reflected in the political and ideological voices that address the community of faith today This commentary introduces the Book of Deuteronomy to theological students pastors and teachers and points to the relevance of its message for those who seek to bring the alternative biblical message into the current cultural conversation Beverly White Cushman Calvin College in Religious Studies Review Volume 29 Number 3 July 2003

Following Jesus in Invaded Space Chris Budden, 2011-07-27 Christianity is never just about beliefs but habits and practices for better or worse Theology always reflects the social location of the theologian including her privileges and prejudices all the time working with a particular often undisclosed notion of what is normal Therefore theology is never neutral it defends particular constructions of reality and it promotes certain interests Following Jesus in Invaded Space asks what and whose interests theology protects when it is part of a community that invaded the land of indigenous peoples Developing a theological method and position that self consciously acknowledges the church's role in occupying Aboriginal land in Australia it dares to speak of God church and justice in the context of past history and continuing dispossession Hence a Second People's theology emerges through constant and careful attention to experiences of invasion and dislocation brought into dialogue with the theological landscape or tradition of the church Being a descendant of some of the first English invaders in Australia and a witness to the continuing inadequate recognition of the Church's past mistakes in this country theologian Chris Budden felt a strong need to write this book Leaving the past behind does not mean ignoring it and an acknowledgement of mistakes is a prerequisite to any fruitful discourse between invaders and invaded In our endeavours to help the marginalised and the indigenous Budden warns us against the arrogance of pitying them as poor superstitious things who can only be helped by our own superior concept of divine grace As Budden puts it We need to keep listening for voices that remind us that our normal is not necessarily everybody's normal His book encourages us to recognise and appreciate the diverse perspectives of minority theologians It is not just about giving a voice to these people It is about being able to hear their own voice to understand it and then reinterpret our own tradition according to it **Interrupting Silence**

Walter Brueggemann, 2018-02-23 Silence is a complex matter It can refer to awe before unutterable holiness but it can also refer to the coercion where some voices are silenced in the interest of control by the dominant voices It is the latter silence that Walter Brueggemann explores urging us to speak up in situations of injustice Interrupting Silence illustrates that the Bible is filled with stories where marginalized people break repressive silence and speak against it Examining how maintaining silence allows the powerful to keep control Brueggemann motivates readers to consider situations in their lives where they need to either interrupt silence or be part of the problem convincing us that God is active and wanting us to act for justice **Old Testament Theology**

Prof. Walter Brueggemann, 2010-09-01 In this first volume in the Library of Biblical Theology series Walter Brueggemann portrays the key components in Israel's encounter with God as recorded in the Hebrew Bible Creation election Torah the divine hand in history these and other theological high points appear both in their original historical context and their ongoing relevance for contemporary Jewish and Christian self understanding Feminist and Womanist Essays in Reformed Dogmatics Amy Plantinga Pauw, Serene Jones, 2006-04-17 This book is a collection of essays by thirteen feminist and womanist authors who locate themselves within the Reformed tradition Topics explored include the Trinity creation election atonement the church fear resistance and vocation This book will be of great interest to scholars and

students interested in feminist theology The Columbia Series in Reformed Theology represents a joint commitment by Columbia Theological Seminary and Westminster John Knox Press to provide theological resources from the Reformed tradition for the church today This series examines theological and ethical issues that confront church and society in our own particular time and place

Tenacious Solidarity Walter Brueggemann, 2018-11-01 Tenacious Solidarity features essays and new writings from 2014 to 2018 As all of Walter Brueggemann's writing is the chapters are deeply biblical while also concerned with the identities practices and obligations of religious communities in contemporary contexts within the United States Brueggemann consistently attempts to weave the biblical texts vested as they are with the authority of a storyteller into the deep contours of his readers experiences in order to foster a tenacious solidarity that might overcome both the psychic numbness cultivated by a 24 hour news cycle as well as the anxious possessiveness nurtured by so many privatized spiritualities Brueggemann brings the transformative potential of the biblical texts to bear on critical contemporary contexts including but not limited to economic disparities racial injustice and white supremacy climate and care for creation and the power of memory and mentoring He delves deeply in the Psalms which he says provides a foundational script for living into the fullest and deepest realities of human existence And he draws from the Prophets his foundational concept of totalism which he defines as automated fragmentation of social life such that we habitually and callously disregard our relations with others

Safeguarding the Stranger Jayme R Reaves, 2017-08-31 In our troubled world protective hospitality is tragically necessary and requires informed shared action and belief on behalf of the threatened other In Safeguarding the Stranger Jayme R Reaves argues that protective hospitality and its faith based foundations as seen in the Abrahamic traditions of Judaism Christianity and Islam merit greater theological attention Reaves shows that the practice of protective hospitality in Christianity can be enhanced by a better understanding of Jewish and Muslim practices of hospitality as well as of their codes and etiquettes related to honour Safeguarding the Stranger draws on a contextual and political theological approach informed by liberation and feminist theologies as viewed through the lens of a co operative and complementary theological view which is influenced by inter religious Abrahamic and hospitable approaches to dialogue forecasting the positive role that religions can play in resolving conflicts

The Collected Sermons of Walter Brueggemann, Volume 3 Walter Brueggemann, 2020-01-21 This collection features sixty sermons by Walter Brueggemann preached mostly in the last five years For his final public appearances he preached at various churches and the Festival of Homiletics including his last address there in 2018 Most of these are based on lectionary texts with numerous sermons on Advent Christmas and Lent Easter texts Preachers will find inspiration in the handful of sermons covering special occasions or themes including confirmation evangelism and funerals

A Gospel of Hope Walter Brueggemann, 2018-03-30 Beloved and respected by scholars preachers and laity alike Walter Brueggemann offers penetrating insights on Scripture and prophetic diagnoses of our culture Instead of maintaining what is safe and routine A Gospel of Hope encourages readers to embrace the audacity

required to live out one's faith. This must have volume gathers Brueggemann's wisdom on topics ranging from anxiety and abundance to partisanship and the role of faith in public life. *From Judgment to Hope* Walter Brueggemann, 2019-10-29 While conservative interpreters might believe that prophets were predictors and progressives believe the prophets to be simply social advocates, Walter Brueggemann argues that the prophets were emancipated imaginers of alternative. Emancipated from the dominant thinking of their societies, the prophets imagined an alternative reality and invited listeners to join them in their commitment to that new reality. In this collection of studies, popular biblical scholar Walter Brueggemann explores the Major Prophets, the Minor Prophets, and the prophets of the Persian Age. By highlighting the common themes of judgment and hope found in the prophets' messages, Brueggemann invites readers to consider what those messages mean for us today. Questions for reflection conclude each chapter. *From Judgment to Hope* is suitable for individual or group study.

Catholic Theology Facing the Future Dermot A. Lane, 2003 Here is a collection of vibrant essays from a conference at St. Michael's College in Vermont that reflects on the past, present, and future of Catholic theology. Contributors include the leading names in scripture and moral and systematic theology: Dermot Lane on the foundational roles of anthropology, imagination, and memory in the performance of Christian theology; Alice Laffey on the past and present developments in biblical scholarship; Raymond Collins on the ecumenical progress over the last forty years in the study of the New Testament; Michael J. Fahey on trends in systematic theology since 1965; Philip S. Keane on the accomplishments and challenges facing moral theology; Kevin Irwin on the Christocentric character of liturgical and sacramental theology. **The Equal-Regard**

Family and Its Friendly Critics John Witte, M. Christian Green, Amy Wheeler, 2007-10-17 This volume is both a celebration and an evaluation of the work on sex, marriage, and family life by Don S. Browning, the dean of modern family studies in theological ethics and practical theology. Scholars probe a number of Browning's contributions, particularly his call for an ethic of equal regard within the household and wider society. This book is a true interdisciplinary effort with insights from psychology, history, law, theology, biology, ethics, feminist theology, childhood studies, and education theory. *The Equal-Regard Family and Its Friendly Critics* includes seven honorary forewords, ten original essays, and a concluding essay by Don Browning himself. Contributors: Herbert Anderson, Carol Browning, Don S. Browning, Lisa Sowle Cahill, M. Christian Green, Timothy P. Jackson, Martin E. Marty, Rebekah Miles, Bonnie J. Miller-McLemore, Richard Robert Osmer, Garrett E. Paul, Stephen J. Pope, David Popenoe, Stephen M. Tipton, Mary Stewart Van Leeuwen, Linda J. Waite, John Wall, Amy Wheeler, Barbara Dafoe Whitehead, John Witte Jr. **The Gravity of Sin** Matt Jenson, 2007-02-08 Matt Jenson argues that the image of being curved

in on oneself is the best paradigm for understanding sin relationally, that it has sufficient explanatory breadth and depth to be of service to contemporary Christian theology. He looks to Augustine as the Christian source for this image in his various references to humanity's turn to itself, though the threads of a relational account of sin are not drawn together with any systematic consequence until Martin Luther's description of *homo incurvatus in se* in his commentary on Romans. Luther

radicalizes Augustine's conception by applying this relational view of sin to the totus homo and by emphasizing its appearance above all in homo religiosus. The Western tradition of sin understood paradigmatically as pride has been recently called into question by feminist theologians. Daphne Hampson's critique of Luther on this front is considered and critiqued. Though she is right to call attention to the insufficiency of his and Augustine's myopic focus on pride, the question remains whether incurvatus in se can operate paradigmatically as an umbrella concept covering a far wider range of sins. Karl Barth's extension of incurvatus in se to apply more broadly to pride, sloth, and falsehood suggests that incurvature can do just that.

Amos--the Prophet and His Oracles M. Daniel Carroll R., 2002-01-01 The book of Amos holds a unique and central place among the canonical prophetic literature and presents a special array of issues for scholarly discussion. This book provides a thorough and balanced overview of the history of scholarship on the book of Amos, two essays that trace the history of scholarship and offer promising lines for further inquiry, a substantial anthology of readings of the multiple ways Amos has been analyzed and appropriated, an extensive and current bibliography, and notes on doctoral dissertations conducted in recent years. The result is a comprehensive compendium of resources for scholarly writing on the book of Amos.
