Kannada Sita Ram Sharma, 1992. *Public Opinion*, 1889. *Writing Caste/Writing Gender* Sharmila Rege, 2014-04-01.

The women tell it like it is. So riveting is the narration that it is difficult to put down the book until their stories are finished. For a non fiction academic work this is no small feat. The Hindu Sharmila Rege's path breaking study of Dalit women's writings and lives offers a powerful counter narrative to the mainstream assumptions about the development of feminism in India in the 20th century. Extensive extracts from eight Dalit women's writings cover issues such as food and hunger, community, caste, labour, education, violence, resistance and collective struggle. The voices that resound throughout the book reveal that Dalit feminism far from being silent as so often presumed is rich, powerful, layered and highly articulate. Published by Zubaan.
