Lake, 2013-04-18 Sequel to April Showers All her life May knew that her older sister resented her beauty but now that April has found the love of her life they've grown much closer All May wants to do now is help April plan her wedding and devote herself to her career But fate has other plans for her as an unlikely friendship turns into a love that she hadn't foreseen Read Connie's story in Fireworks June The June Bridesmaid Catherine and the Captain Margaret Lake, 2010-04-14 Catherine's lips tightened at the tone of Anne's voice She was speaking to her as if she were a servant But she said nothing only turned and walked out the door after patting Anne reassuringly on the shoulder She hurried down the stairs not even bothering to tuck her hair back into place She had left it unbound not expecting visitors and when she entered the courtyard it tumbled about her shoulders in an unruly cloud of sable It seemed that Catherine became aware of Fallon at the same time he looked up to see her walking across the courtyard She could see his eyes flick over her from head to toe and she thought she saw a glimmer of distaste pass over his features Hell and damnation The man always seems to have me at a disadvantage Catherine thought furiously I haven't used vulgar language since that day at Dilham and just the sight of him has me swearing like a soldier At that moment Fallon removed his helm shaking his long black hair loose It is him Catherine screamed in her mind not sure that she had not screamed out loud The thought of Dilham coupled with his actions made the connection in her mind and she knew without a doubt that Fallon was the lion of her nightmares Kyle was watching Catherine intently First she

blushed to the roots of her hair Then she stopped dead in her tracks and her face turned a deathly white Afraid that she was about to swoon he started toward her hoping to reach her before she fell to the ground and injured herself Seeing Kyle bearing down on her Catherine s mind went blank with horror and she fainted straight into his arms The June Bridesmaid (Twelve Months of Romance - June) Margaret Lake,2013-05-21 The June Bridesmaid sequel to March Madness Betty has never cared about her appearance Why should she bother when men were always throwing themselves at her anyway But not Brian O Malley He has eyes only for Betty s friend Angie or so he would lead her to believe Just when she decides to change her look goaded into it by Brian s insulting comments he flies off to Ireland for an indefinite stay Betty s plans for seduction or revenge have to be put on hold until Brian returns for his best friend s wedding But when Brian finally shows up at the rehearsal Betty finds her own game turned against her by the handsome brooding Irishman July Fireworks *Three Novelettes* Margaret Lake,2014-02-06 Sweet Savage Charity Plymouth Colony 1621 Within months of stepping off the Mayflower Charity Williams buried her husband Within hours she was told whom she would marry But Charity has other ideas Aided by the Wampanoag brave she meets in the forest she plans to defy the governor the council and the whole colony Of Love and War July 4 1943 John Jameson is home from the war The Fourth of July has always been his favorite holiday but now he finds himself alone on the boardwalk in his New Jersey home town It seems like everyone he knew is either off to war or working in the factories producing the armaments of war Along comes Julie to offer him a cold drink Happy to have someone to spend the day with especially one so young and beautiful he accepts her invitation for a backyard picnic He has no idea what is behind Julie s seemingly innocent invitation He has no idea that the afternoon will force him to face what he has lost and find his heart at last Only In My Dreams Delia Cummings isn t dissatisfied with her life She doesn t think she has a life to be dissatisfied with She works in a bakery decorating cakes and bagging up rolls and pastries Her husband Charlie as often as not falls asleep in front of the TV Her children are grown and married with not even a hint of a grandchild to give her purpose After nearly thirty years of marriage and little to show for it Delia is tired just plain tired And it is only in her dreams that she begins to find a reason to go on living *Ariana's Pride* Margaret Lake,2009-05-03 Ariana awoke to the sun shining in her eyes through the unglazed window a slight smile on her face She stretched her arms over her head rolling onto her back She d had the most wonderful dream A man s hands caressing her bare flesh softly a man s strong arms around her holding her close murmuring soothing words into her ear She felt the unfamiliar straw under her and her eyes flew open She stared around her wildly not knowing where she was or how she got there She tried to sit up but felt dizzy and fell back onto the make shift pallet her hands clutching the rough blanket to her naked body Dear God where are my clothes How did I come to be here she thought frantically It all came back to her in a rush the soldiers her wild ride through the forest to warn her father her flight from the battle the storm Beyond that she knew nothing Tears started to trickle down her cheeks at all she had lost This would not do She had to get out of here find help reach Frederick Dashing the tears from her eyes with the

back of her hand Ariana rolled over and made it to her hands and knees She saw her clothes by the fire hanging from sticks thrust into the ground She remembered being carefully wrapped in the blanket and tenderly laid on the straw Someone had cared for her well Perhaps she could enlist this stranger s aid in finding her way to Frederick But it would not do for the stranger to find her naked and weak He must find her fully dressed and standing on her feet as Lady Ariana daughter of the great Earl William She would then be in a position to demand his help After all he was probably one of her father s peasants and thus owed his allegiance to her as well Ariana crawled over to her clothes and pulled them toward her She managed to draw on her pantalets and chemise before having to rest against the wall She closed her eyes and sat there trying to catch her breath

Diana and the Gypsy Margaret Lake,2015-08-03 As she prepared for bed Diana was feeling pretty satisfied with herself She had managed to put a little dent in Davi s normally calm exterior something she hadn t had the opportunity to do in far too many years The Trouble Twins had pushed Davi beyond endurance quite a few times It had been Davi who had given them that name and they d become rather proud of it But when he called them disease and pestilence they knew they had gone too far and scampered away as far as they could get Diana snuggled under the covers and bid her sister good night but she was far from sleepy She was home Will was home and Thomas would be here in the next day or two They would finally all be together Not for long she knew Will would return to Dilham with Grandfather Thomas would be knighted and enter the king s service another price paid for supposedly supporting Richard III and Elizabeth would journey to Fallonslair to foster with Cousin Catherine Only she and Hal would be left Diana sighed and rolled over twitching the covers securely around her shoulders once more She had learned long ago to make the best of any situation and could not let herself be gloomy when all was right with her world And Davi Diana was surprised when he popped back into her thoughts There must be a reason she would think of him now Of course Davi had been like a member of the family since before she was born In fact her father had actually saved his life some twenty years before But he was still a young man not a blood relative and most decidedly good looking Considering his reaction to her earlier he might be a good candidate to practice her womanly wiles Not that she had many wiles with which to practice but she had to start somewhere With a very satisfied smile at her newest and most daring plan ever Diana fell peacefully asleep
