

A black and white photograph of a young man performing a handstand on a pommel horse. He is shirtless, wearing dark shorts, and is in a crouched position with his legs tucked under him. He is holding onto the pommel horse's handle with both hands. The background shows a large, curved structure, likely part of a gymnasium or stadium, with many rows of pommel horses visible. The lighting is dramatic, casting a long shadow of the man onto the surface he is standing on.
